Implied Nowhere Shelley Ingram,Willow G. Mullins,Todd Richardson,2019-04-24 In Implied Nowhere Absence in Folklore Studies authors Shelley Ingram Willow G Mullins and Todd Richardson talk about things folklorists don t usually talk about They ponder the tacit aspects of folklore and folklore studies looking into the unarticulated expectations placed upon people whenever they talk about folklore and how those expectations necessarily affect the folklore they are talking about The book s chapters are wide ranging in subject and style yet they all orbit the idea that much of folklore both as a phenomenon and as a field hinges upon unspoken or absent assumptions about who people are and what people do The authors articulate theories and methodologies for making sense of these unexpressed absences and in the process they offer critical new insights into discussions of race authenticity community literature popular culture and scholarly authority Taken as a whole the book represents a new and challenging way of looking again at the ways groups come together to make meaning In addition to the main chapters the book also includes eight interstitials shorter studies that consider underappreciated aspects of folklore These discussions which range from a consideration of knitting in public to the ways that invisibility shapes an internet meme are presented as questions rather than answers encouraging readers to think about what more folklore and folklore studies might discover if only practitioners chose to look at their subjects from angles more cognizant of these unspoken gaps **Summer Bridge Activities®, Grades 2 - 3** Summer Bridge Activities,2012-09-01 Summer Bridge Activities R for bridging grades 2 3 is designed specifically for preparing Canadian second grade students for the new year ahead Reviewed by Canadian teachers and students this workbook features daily activities in reading writing math and language arts plus a bonus section focusing on character development and healthy lifestyles The exercises are easy to understand and are presented in a way that allows your child to review familiar skills and then be progressively challenged on more difficult subjects Give your children the head start they deserve with this fun easy to use award winning series and
