**Ridiculous! Absurd! Disgusting!** Frank Kuppner, 1989      *Ridiculous! Absurd! Disgusting!*, 1989      Neurosis  
Wolfgang Giegerich, 2020-01-06 Psychoanalysis began over a century ago as a treatment for neurosis Rooted in the positivistic mindset of the medicine from which it stemmed it trained its empiricist gaze directly upon the symptoms of the malaise only to be seduced into attributing it to causes as numerous as there are aspects of human experience Edifying as this was for our understanding of the life of the psyche it left the sickness of the soul that was its actual subject matter the neurosis which it was supposed to be about out of its purview The crux of this problem was of a conceptual nature As psychology increasingly gave up on its constituting concept its concept of soul it succumbed to the same extent to treating its patients without an adequate concept of what both it and neurosis were about Attention was paid to mishaps and traumas the vicissitudes of development and the Oedipus complex But neurosis according to the thesis of this ground breaking book comes from the soul even is soul the soul in its untruth Indeed both it and the modern field of psychology are successors of the soul forms that preceded them religion and metaphysics with the difference that psychology's reluctance to recognize and take responsibility for its status as such has been matched by the neurotic soul's clinging to obsolete metaphysical categories even as the often quite ordinary life disappointments of its patients are inflated with absolute importance The folie deux has been on a massive scale Owing their provenance to the supplement they each provide the other psychology and neurosis are entwined in a Gordian knot the cutting of which requires insight into the logic that pervades both Taking up this sword Giegerich exposes and critiques the metaphysics that neurosis indulges in even as he returns psychology to the soul not of course to the soul as some no longer credible metaphysical hypostasis but as the logically negative life of the mind and power of thought Using several fairy tales as models for the logic of neurosis he brilliantly analyses its enchanting background processes exposing thereby in a most lively and thoroughgoing manner the spiteful cunning by which the neurotic soul against its already existing better judgement betrays its own truth Topics include the historicity of neurosis its soulful purpose as a general cultural phenomenon its internal logic functioning and enabling conditions as well as the Sacred Festival drama character of symptomatic suffering the theology of neurosis and the neurotic as the figure of modernity's exemplary man A collection of vignettes descriptive of various kinds of neurotic presentation routinely met with in the consulting room is also included in an appendix under the heading Neurotic Traps      *The Book of Prefaces* Alasdair Gray, 2020-10-01 Superb There is no disputing the enormous knowledge the sheer love of books that is gathered here SCOTLAND ON SUNDAY \_\_\_\_\_ A great and fascinating work from Scottish literary legend Alasdair Gray beautifully illustrated throughout chronicling the history of how literature spread and developed throughout the world This is a unique history of literature as presented through the collected and annotated prefaces of major writers including commentary by a range of authors including James Kelman A L Kennedy and Virginia Woolf The result of a lifetime's reading

and creative labour intellectual and artistic The Book of Prefaces will delight amaze and inform both casual browsers and students Its like will not be seen again for at least another millennium \_\_\_\_\_ Praise for Alasdair Gray A necessary genius ALI SMITH One of the brightest intellectual and creative lights Scotland has known in modern times NICOLA STURGEON **Blackwood's Edinburgh Magazine** ,1899 **Hartrampf's Vocabularies** Gustavus A. Hartrampf,1929 **Blackwood's Edinburgh Magazine** ,1899 Plato's 'Republic': An Introduction Sean McAleer,2020-11-09 It is an excellent book highly intelligent interesting and original Expressing high philosophy in a readable form without trivialising it is a very difficult task and McAleer manages the task admirably Plato is yet again intensely topical in the chaotic and confused world in which we are now living Philip Allott Professor Emeritus of International Public Law at Cambridge University This book is a lucid and accessible companion to Plato s Republic throwing light upon the text s arguments and main themes placing them in the wider context of the text s structure In its illumination of the philosophical ideas underpinning the work it provides readers with an understanding and appreciation of the complexity and literary artistry of Plato s Republic McAleer not only unpacks the key overarching questions of the text What is justice And Is a just life happier than an unjust life but also highlights some fascinating overlooked passages which contribute to our understanding of Plato s philosophical thought Plato s Republic An Introduction offers a rigorous and thought provoking analysis of the text helping readers navigate one of the world s most influential works of philosophy and political theory With its approachable tone and clear presentation it constitutes a welcome contribution to the field and will be an indispensable resource for philosophy students and teachers as well as general readers new to or returning to the text **Scottish Literary Journal** ,1993 Gately's Universal Educator Charles E. Beale,M. R. Gately,1883 *America* Slason Thompson,Hobart C. Taylor,1890 *Rational Sentimentalism* Justin D'Arms,Daniel Jacobson,2023 This book presents an original theory of the sentimental values These values such as the funny the disgusting and the shameful are deeply important in setting standards for emotional responses that are part of our shared human nature yet moral philosophers have neglected them relative to their key role in human mental life **Genre** ,1980 **The Greatest of Literary Problems** James Phinney Baxter,1915 *Oxford Dictionary of Current Idiomatic English: Phrase, clause & sentence idioms* ,1983 Dictionary of current idiomatic english **Oxford Dictionary of Current Idiomatic English** Anthony Paul Cowie,Ronald Mackin,Isabel R. HARRIS, M.D.,1969 The South African Bookman ,1909 **The Failure of Conservatism in Modern British Poetry** Andrew Duncan,2003 A treatment of 40 years of British poetry from the angle of time We watch the wonderful helplessness of new poetics as it struggles to free itself from the chrysalis of the old We watch the life cycle of new ideas as they open up chaos channel it into permanent form and age into predictability and disillusion We realise the strangeness of the past and go in to sample lost sounds and exotic shapes
