Riding The Iron Rooster:

Riding the iron rooster Paul Theroux, 1985 Riding the Iron Rooster Paul Theroux, 2011-12-15 Paul Theroux left Victoria Station on a rainy Saturday in April thinking that taking eight trains across Europe Eastern Europe the USSR and Mongolia would be the easy way to get to the Chinese border the relaxing way even He would read a little take notes eat regular meals and gaze contentedly out of windows The reality of course was very different In fact Theroux experienced a decidedly odd and unexpected trip to China that set the challenging tone for his epic year long rail journey around that vast inscrutable land a journey which involved riding nearly every train in the country Wry humorous and occasionally querulous as Theroux makes excruciatingly clear travelling alone in the Middle Kingdom is not for the faint of heart or stomach Time

The "inscrutably Chinese" Church Nathan Faries, 2010-01-01 The first half of the twenty first century promises to be a time of great change for the Christian church in the People s Republic of China The situation is complex and fluid and the information gap between those on the inside and those outside of China is still significant though shrinking The Inscrutably Chinese Church moves readers nearer to the Chinese Christian experience as Nathan Faries helps foreign readers to see with greater clarity just how Chinese Christians view their government and themselves in relation to those ruling powers There still exists a measure of inscrutability about China and its complex relationship with religion that must be explained to the outsider It is this gap in understanding between insider points of view within China and those outsiders seeking knowledge about the Christian faith in China that Faries seeks to close **The Best American Travel Writing 2017**

Loh, Loh, 2000-08 Follow an American college student and his classmates through what has shaped up to be some of the most formative experiences in their lives to date living and travelling in mainland China With high hopes of adventure in an exotic foreign land the author and his companions instead confront and endure the physical emotional and mental challenges of living in modern China On a deeper level though they witness and reflect upon history in the making an ancient civilization struggling to remake itself economically politically and socially The book's backdrop is a harrowing adventure in search of distant relatives in the Chinese countryside the author until that summer did not know existed This truly American tale of one young man's search for his roots is a story for all to enjoy and gain from

Loneliness and Time Mark Cocker, 1992 Refreshing original and eminently readable The Literary Review

Loneliness and Time is a pioneering study of travel writing as a literary form and of travel as a cultural phenomenon Mark Cocker offers a fertile mixture of biography history and literary criticism in his portraits of some of the most prominent twentieth century British explorer writers including Wilfred Thesiger Laurens van der Post Gavin Maxwell and Lawrence Durrell and of the places Greece Tibet that obsessed them In scrutinizing the deep drives that impelled these men to the

outer reaches Cocker makes clear the immensely powerful idea of the journey as quest as pilgrimage and how it has come to carry mythological and spiritual import In each portrait the journey s meaning is unearthed layer by layer and we see not only how it operates in the lives of the travelers themselves but its importance to the modern industrial and largely secular societies from which these figures emerge Cocker shows how foreign landscapes and their inhabitants have been used by travel writers as a means to self definition as well as a source of image fantasy even self image Loneliness and Time illuminates the appeal of travel the desire to explore the unfamiliar and the strange that captivates us all BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Northwest Review** ,1990 *The Journal of Transpersonal Psychology* ,2003 *The Back of Beyond* ,1992 Edge Neil Gaiman,Bill Sienkiewicz,2003 Celebrating the tenth anniversary of Vanguard s flagship cutting edge comics anthology this book features Mr X a tale by best selling author Neil Gaiman and Sandman cover artist Dave McKean Beyond the Clash a contemplation on the loss of musical visionaries John Cage and Frank Zappa by Society of Illustrators Gold Medal winner Barron Storey Frogs a 12 page visual storytelling experiment by Jim Steranko and Endangered Species Cookbook by novelist Paul Theroux and Marshall Arisman Punch ,1988 **The Atlantic** ,1992
