## **Right Turn The Decline Of The Democrats And The Future Of American Politics:**

**The Collapse Of The Democratic Presidential Majority** David G Lawrence, 2018-03-14 The Collapse of the Democratic Presidential Majority makes sense of the last half century of American presidential elections as part of a transition from a world in which realignment was still possible to a dealigned political universe The book combines analysis of presidential elections in the postwar world with theories of electoral change showing how Reagan bridged the eras of re and dealignment and why Clinton was elected despite the postwar trend American electoral politics since World War II stubbornly refuse to fit the theories of political scientists The long collapse of the Democratic presidential majority does not look much like the classic realignments of the past The Republicans made no corresponding gains in sub presidential elections and never won the loyalty of a majority of the electorate in terms of party identification And yet the period shows a stability of Republican dominance quite at odds with the volatility and unpredictability central to the competing theory of dealignment The Collapse of the Democratic Presidential Majority makes sense of the last half century of American presidential elections as part of a transition from a world in which realignment was still possible to a dealigned political universe The book combines analysis of presidential elections in the postwar world with theories of electoral change showing how Reagan bridged the eras of re and dealignment and why Clinton was elected despite the postwar trend *America's Right Turn* William C. Berman, 1998-05-22 Historian William Berman examines the political cultural and economic contexts in which Republican conservatives operated and explores the crisis of the liberal welfare state against the background of presidential politics In this new edition Berman discusses the initial failure of the Clinton administration to establish a viable political alternative to the GOP *Ronald Reagan and the House Democrats* Karl Gerard Brandt, 2009 Drawing on materials unavailable in the 1980s Brandt details the effects of President Ronald Reagan's conservative fiscal policies on the congressional budget process and reveals how the partisan budget struggles of the Reagan years led to tough fiscal choices and greater unity within the Democratic Party Provided by publisher **The Unions and the Democrats** Taylor E. Dark, 2018-08-06 Although labor unions have faced a decline in membership in recent decades they have not necessarily lost their political clout The Unions and the Democrats illuminates the inner dynamics of labor's relationship to the American political system over the past generation It examines organized labor from the Johnson administration through the 2000 elections showing that labor's alliance with the Democratic Party has endured despite changes in the economy and the revival of conservatism Drawing on extensive interviews with union leaders and lobbyists Taylor E Dark provides a historical perspective often lacking in studies of union political involvement He compares the relationship of presidents Johnson Carter and Clinton with labor and analyzes cases of union involvement in legislative lobbying executive decision making and both congressional and presidential elections The book explores such topics as the effects of political reform on union power the development of union legislative goals and the impact of unions on economic policymaking and also evaluates the controversy

over union campaign spending in the 1996 elections It demonstrates that labor's evolving alliance with the Democrats continues to shape America      **Right Turn** Thomas Ferguson, Joel Rogers, 1986 A critical assessment of the 1984 election analyzes the decay of the Democratic party and the rise of a business oriented political coalition in the GOP      Zeitschrift für Sozialgeschichte des 20. und 21. Jahrhunderts , 1989      **Die konservative Transformation des Wohlfahrtsstaates** Jens Borchert, 1995      *From Opportunity to Entitlement* Gareth Davies, 1996 That shift Davies argues was part of a broader transformation in political values that had devastating consequences for the Democratic Party in particular and for the cause of liberalism generally      **The Crisis of Democratic Capitalism** Martin Wolf, 2023-02-02 From the author of *The Shifts and the Shocks* and one of the most influential writers on economics a reckoning with how and why the relationship between democracy and capitalism is coming undone We are living in an age when economic failings have shaken faith in global capitalism Political failings have undermined trust in liberal democracy and in the very notion of truth The ties that ought to bind open markets to free and fair elections are being strained and rejected even in democracy's notional heartlands Around the world democratic capitalism which depends on the determined separation of power from wealth is in crisis Some now argue that capitalism is better without democracy others that democracy is better without capitalism This book is a forceful rejoinder to both views It analyses how the marriage between capitalism and democracy has become so fraught and yet insists that a divorce would be an almost unimaginable calamity Martin Wolf one of the wisest public voices on global affairs argues that for all its recent failings slowing growth increasing inequality widespread popular disillusion democratic capitalism though inherently fragile remains the best system we know for human flourishing Capitalism and democracy are complementary opposites they need each other if either is to thrive Wolf's superb exploration of their marriage shows us how citizenship and a shared faith in the common good are not romantic slogans but the essential foundation of our economic and political freedom      **Right-wing Movements in the United States, 1945-1992** Sara Diamond, 1993      **The Presidency of James Earl Carter, Jr** Burton Ira Kaufman, Scott Kaufman, 2006 A thoroughly revised updated and newly illustrated version of the Gaddis Smith called the best book on the totality of the Carter presidency The new edition includes more on the former president's foreign and environmental policies and expands coverage of the personal Carter as well as his wife Rosalyn's activist role during his administration      *The Life and Times of the Reagan Democrats* Julio Luis Borquez, 1998      **The Nation** , 1879      *Living with Leviathan* Linda L. M. Bennett, Stephen Earl Bennett, 1990 Charting trends in American public opinion about big government from the 1930s to 1989 with emphasis on the last twenty five years they trace how we have adapted to a growing national government They analyze what these opinions tell us about changing themes in American political culture and document the significant differences in public opinion about big government the positive state and citizen's obligations      Neonationalismus, Neokonservatismus Michael Kessler, Graf Wolfgang Vitzthum, Jürgen Wertheimer, 1997      The American Spectator , 1986-07      **Publishers Weekly** , 1986      **The Indian Journal of Politics**

,1998      Work, Welfare and Politics Frances Fox Piven,2002 From an editorial team that includes Piven one of the foremost academic critics of conservative ideologies and practices surrounding welfare reform including that of Bill Clinton s comes 22 essays that explore a wide range of political economic ideological and social issues surrounding the implementation of the Orwellian named Personal Responsibility and Work Opportunity Act of 1996 and the slashing of Aid to Families with Dependent Children program as well as current efforts to expand upon those assaults on the social safety net The articles are separated into sections that respectively deal with the politics and ideology of welfare reform with Piven describing a politics of greed the central issues of motherhood and sex associated with reform ideology critiques of the stated rationales for the Work First ideology welfare reform as a method of social control and repression of the poor the effects of reform on family well being its impact on state and local systems and political efforts to reverse the damage of reform Annotation copyrighted by Book News Inc Portland OR      **JPRS Report** ,1988
