God's Hand on America Michael Medved, 2019-11-26 The national radio host and bestselling author of The American Miracle reveals the happy accidents

bizarre coincidences and flat out miracles that continue to shape America's destiny. A hopeful message for our troubled times. Michael Medved has an eye for a story and a preternatural gift for telling it in beguiling ways. Joseph J. Ellis Pulitzer Prize and National Book Award winning author of *Founding Brothers*. Has God withdrawn his special blessing from the United States? Americans ponder that painful question in troubled times as we did during the devastation of the Civil War and after the assassinations of the 60s and as we do in our present polarization. Yet somehow on battlefields across western wilderness and in raucous convention halls astounding events have reliably advanced America, restoring faith in the Republic's providential protection. In this provocative historical narrative Michael Medved brings to life ten haunting tales that reveal this purposeful pattern including: A near fatal carriage accident forces Lincoln's secretary of state into a canvas and steel neck brace that protects him from a would-be assassin's knife thrusts, allowing him two years later to acquire Alaska for the United States. A sudden tidal wave of Russian Jewish immigration beginning in 1881 coincides with America's rise to world leadership, fulfilling a biblical promise that those blessing Abraham's children will themselves be blessed. Campaigning for president Theodore Roosevelt takes a bullet in the chest but a folded speech in his jacket pocket slows its progress and saves his life. At the Battle of Midway U.S. planes get lost over empty ocean and then miraculously reconnect for five minutes of dive bombing that wrecks Japan's fleet, convincing even enemy commanders that higher powers intervened against them. A behind-the-scenes conspiracy of the pure of heart by Democratic leaders forces a gravely ill FDR to replace his sitting vice president, an unstable Stalinist, with future White House great Harry Truman. These and other little known stories build on themes of *The American Miracle*, Medved's bestseller about America's remarkable rise. The confident heroes and stubborn misfits in these pages shared a common faith in a master plan which continues to unfold in our time. God's Hand on America confirms that the founders were right about America's destiny to lead and enlighten the world.

Right Turns Michael Medved, 2004. In this candid, captivating memoir that says a lot about the unpredictable interplay of the personal and the political, the author recounts his journey from secularism to religion, from adventurous single man to devoted husband and father, from gloomy critic to optimistic promoter of American patriotism.

Liberty Means Freedom for All Steven H. Propp, 2012-11. Thomas Anderson has just graduated from CSU Stentoria with his degree in Political Science. It's an election year and as a young progressive in California who has been raised by equally progressive

parents he is very much concerned with the political issues currently being discussed in the mass media A chance encounter with a fellow graduate named Kelly Kelso however shakes up his settled view of the world He is challenged to examine the rising number of alternatives to the two party system presented by third party movements such as the Libertarian Party and the Green Party and is forced to acknowledge that there is far more to politics than simply Democrat versus Republican and liberal versus conservative Thomas delves energetically into not only the growing Libertarian movement but the free market perspective of the Austrian School of economics as well as the rigid yet compelling view of Ayn Rand's philosophy of Objectivism His explorations grow wider now encompassing the Tea Party movement and the Christian Right tax resisters and gun rights advocates survivalists and militia members anarchists communists and Democratic Socialists as well as the Occupy Wall Street movement He debates the radical environmental views of animal welfare and animal rights advocates and challenges opponents of corporate globalism as well as deniers of global warming as he struggles to reformulate and articulate his own developing beliefs while coping with a sea of conflicting ideas and opposition But this abstract political theory is brought into sharp encounter with concrete political reality when Thomas hears a news report of an armed conflict with authorities taking place just outside of town involving someone with whom he has become emotionally involved

Edward Wall, 2006 **God, Man, and Hollywood** Mark Royden Winchell, 2008 It takes no great powers of observation to see that Hollywood has long been far to the left of the general American public Even in stories that have no overt political content the social and moral assumptions in films rated from GP to R are often at odds with the deeply held

values of most of the viewing audience But that s not the whole story argues the literary and cultural critic Mark Royden Winchell in *God Man and Hollywood* A surprising number of films articulate culturally unfashionable attitudes and it is from these movies that we learn the most about our society and ourselves Beginning with D W Griffith s *The Birth of a Nation* and ending with Mel Gibson s *The Passion of the Christ* Winchell reveals the politically incorrect notions at the heart of eighteen classic films including *Ben Hur* *Intruder in the Dust* *The Man Who Shot Liberty Valance* *Patton* *The Deer Hunter* *A Clockwork Orange* *Gangs of New York* and *Gettysburg* Along the way he shows how a number of filmmakers sometimes unwittingly have produced unconventionally honest explorations of the nature and meaning of race relations love family community worship and other aspects of our shared human experience Winchell ends with synoptic assessments of an additional one hundred politically incorrect films from *About Schmidt* to *Zulu* The result is an indispensable film guide showing that sometimes even Hollywood has done better than we typically give it credit for *Cassette Books* Library of Congress. National Library Service for the Blind and Physically Handicapped,2007 *"I've Always Been a Yankees Fan"* Thomas D. Kuiper,2006 Just in time for the 2006 elections comes this indispensable addition to the Hillary oeuvre From Dick Morris s foreword This wonderful little book will give you all the ammunition you need to hold up your end of the argument and make sure that Hillary s quotes and lies are not forgotten but come back to haunt her With Mrs Clinton almost certain to play a big role in the 2008 presidential elections a book that humorously but pitilessly underscores her hypocrisy and endless pandering could have a major impact on her chances *I ve Always Been A Yankees Fan* is sure to be one of the most applauded and pilloried Hillary titles of the year **The Publishers Weekly** ,2009 *I Hate Hillary* Thomas Williams,2008 Are You kidding Me Can you guess who said the following I certainly think the free market has failed We re going to take things away from you on behalf of the common good Bill and I have always loved each other I m proud of my marriage It s important to have core principles and values but if you re going to be active in policy and politics you have to be a realist You guessed it Hillary s at it again With hundreds of examples just like these *I Hate Hillary* is the ultimate collection of jokes anecdotes trivia facts and stories all directed at one noble goal stopping Hillary before she goes too far [The Catholic Periodical and Literature Index](#) ,2005 **Talking Book Topics** ,2007 [American Book Publishing Record](#) ,2003
