Rights of Passage Sarah Irwin, 2003 **Rights of Passage** Sarah Irwin, 1993 Becoming Adult in a Changing Society James S. Coleman, Torsten Husén, Centre for Educational Research and Innovation, 1985 This publication focuses on a conceptual and research oriented analysis of the broader issues related to the transition to adulthood The introduction discusses the societal changes in the highly industrialized countries since World War II which have extensive consequences for youth The concept of youth as a stage and a lifestyle falling between adolescence and adulthood is explored along with the implications of the concept for the industrial nations Part I of the report presents an interdisciplinary descriptive overview of changing concepts and viewpoints relating to the transition to adulthood The implications of these changes for schooling and on the economy and the labor market are discussed Part II of the report explores the current relationships and changes among the three major institutions of work family and school as they affect the transition to adulthood The third and final part of the report identifies a number of possible policy responses within and outside of education to the problems analyzed in the first sections This section also identifies areas where further research is needed Reference notes and a four page bibliography conclude the report MCF **A New Youth?** Elisabetta Ruspini, 2016-03-16 A New Youth provides a cross cultural perspective on the challenges and problems posed by young people s transition to adulthood The authors address questions such as What are the experiences of being young in different European countries What can we learn about the differences of being young in non European countries Are young people developing new attitudes towards society What are the risks associated with the transition of youth to adulthood Can we identify new attitudes about citizenship On a more general level are there experiences and new social meanings associated with youth The volume is comparative between various European and non European countries in order to identify the emerging models of transition These characteristics are connected with broader social political and cultural changes changes related to extended education increasing women s participation in the labour market changing welfare regimes as well as changes in political regimes and in the representation and construction of individual identities and biographies towards an increasing individualization The work offers critical reflections in the realm of sociology of youth by providing broader understandings of the term youth The detailed analysis of new forms of marginality and social exclusion among young people offers valuable insight for policy development and political debate **Research Handbook on Transitions into Adulthood** Jenny Chesters, 2024-03-14 This prescient Research Handbook provides a comprehensive overview of the challenges that young people from across the globe face as they navigate the transition from adolescence to adulthood *Childhood, Youth And Social Change* Lynne Chisholm, 2005-08-04 First published in 1990 Routledge is an imprint of Taylor Francis an informa company *On the Frontier of Adulthood* Richard A. Settersten Jr., Frank F. Furstenberg, Rubén G. Rumbaut, 2008-09-15 On the Frontier of Adulthood reveals a startling new fact adulthood no longer begins when adolescence ends A lengthy period before adulthood

often spanning the twenties and even extending into the thirties is now devoted to further education job exploration experimentation in romantic relationships and personal development Pathways into and through adulthood have become much less linear and predictable and these changes carry tremendous social and cultural significance especially as institutions and policies aimed at supporting young adults have not kept pace with these changes This volume considers the nature and consequences of changes in early adulthood by drawing upon a wide variety of historical and contemporary data from the United States Canada and Western Europe Especially dramatic shifts have occurred in the conventional markers of adulthood leaving home finishing school getting a job getting married and having children and in how these experiences are configured as a set These accounts reveal how the process of becoming an adult has changed over the past century the challenges faced by young people today and what societies can do to smooth the transition to adulthood This book is the most thorough wide reaching and insightful analysis of the new life stage of early adulthood Andrew Cherlin Johns Hopkins University From West to East young people today enter adulthood in widely diverse ways that affect their life chances This book provides a rich portrait of this journey an essential font of knowledge for all who care about the younger generation Glen H Elder Jr University of North Carolina at Chapel Hill On the Frontier of Adulthood adds considerably to our knowledge about the transition from adolescence to adulthood It will indeed be the definitive resource for researchers for years to come Anyone working in the area whether in demography sociology economics or developmental psychology will wish to make use of what is gathered here John Modell Brown University This is a must read for scholars and policymakers who are concerned with the future of today s youth and will become a touchpoint for an emerging field of inquiry focused on adult transitions Jeanne Brooks Gunn Columbia University **Boundless Youth** Olivier Galland,2007 In Boundless Youth his first major publication in English Olivier Galland argues forcefully for the continued relevance of a distinctive age group we can call youth despite its changing and increasingly diffuse character Youth in Transition: The Sociology of Youth and Youth Policy Donald Stevans,2023-09-19 The transition to adulthood is characterized by new roles and obligations in interconnected fields such as education career and family formation The transition from youth to adulthood leads to growing maturity which comes with expectations that the individual would take responsibility of their self make independent decisions and become self sufficient During this time young individuals face a variety of prospects and challenges that can have far reaching consequences throughout the course of life Education employment living arrangements marriage and parenting play a role in determining the developmental path of an individual Significant shifts in social roles and duties can cause anxiety and can test an individual s ability to adapt The transition from youth to adulthood is a process marked by rising social inequities challenging economic choices and restrictions ambiguity and altering cultural and social expectations Slow strategic transitions family and other support are significant for the transition This book is a valuable compilation of topics ranging from the basic to the most complex concepts related to the transition of youth It will provide comprehensive knowledge to the
