*Rights on Trial* Arthur Kinoy, 1983 Discusses issues surrounding such cases as Watergate the Rosenbergs the Civil Rights Movement the Taft Hartley Act and the McCarthy Committee Rights on Trial Arthur Kinoy, 1983 Cause Lawyering

Austin Sarat, Stuart Scheingold, 1998-01-08 Why do some lawyers devote themselves to a given social movement or political cause How are such deeds of individual commitment and personal belief justly executed given the ideals of disinterested professional service to which lawyers are in theory at least supposed to adhere What can we learn from such lawyers about the relationship between law and politics Cause Lawyering is a wise and varied collection of responses to these questions featuring a number of distinguished legal scholars concerned with anti poverty lawyers lawyers who work against capital punishment immigration lawyers and other lawyers working to end oppression Editors Austin Sarat and Stuart Scheingold have assembled here a valuable cross national portrait of lawyers compelled to sacrifice financial gain so as to use their legal skills in the promotion of a more just society These telling and important essays fully explore the relationship between cause lawyering and the organized legal professions of many different countries the US England South Africa Israel Cuba and so forth They describe the utility of law as a resource in political struggles and conversely highlight the constraints under which lawyers necessarily operate when they turn to politics Some provide broad theoretical overviews others present rich case studies Advancing a fundamental argument about the very nature of the legal profession this book explains the strategies that cause lawyers deploy as well as the challenges they face in trying to be legally astute and effective while remaining politically devoted and aware Although it is a controversial way of practicing law cause lawyering as explicated in the essays in this volume is indeed indispensable to the legitimization of professional authority Politics by Other Means Richard L.

Abel, 1995 First Published in 1995 Routledge is an imprint of Taylor Francis an informa company **Leaders from the 1960s** David De Leon, 1994-06-22 The throngs at Woodstock Jane Fonda in Hanoi I Have a Dream burning draft cards fire in the streets these images of the 1960s are still very much alive today What happened to the people and principles that dominated that decade Which leaders from those turbulent years had the most lasting effect on our lives today How well have the principles for which those leaders fought so strongly withstood the test of time This thought provoking biographical dictionary allows the reader to study the leaders both conservative and liberal their ideals and their enduring influence With major sections on racial democracy peace and freedom sexuality and gender the environment radical culture and visions of alternative societies Leaders from the 1960s includes entries on a wide selection of nationally prominent activists of the 1960s In addition to those who dominated only the sixties the volume includes earlier activists who came into prominence in the 1960s and activists of the era who came into prominence since the 1960s Each entry provides a biographical sketch but

the focus of the entries is on the person's basic concepts or the essence of his or her work and the public response it generated. Included are extensive bibliographies on the individuals and the period. Unleashing the Force of Law Devyani Prabhat, 2016-03-18 Basic freedoms cannot be abandoned in times of conflict or can they? Are basic freedoms routinely forsaken during times when there are national security concerns? These questions present different conundrums for the legal profession which generally values basic freedoms but is also part of the architecture of emergency legal frameworks. Unleashing the Force of Law uses multi-jurisdiction empirical data and draws on cause lawyering, political lawyering and Bourdieusian juridical field literature to analyze the invocation of legal norms aimed at the protection of basic freedoms in times of national security tensions. It asks three main questions about the protection of basic freedoms: First, when do lawyers mobilize for the protection of basic freedoms? Second, in what kind of mobilization do they engage? Third, how do the strategies they adopt relate to the outcomes they achieve? Covering the last five decades, the book focusses on the 1980s and the Noughties through an analysis of legal work for two groups of independence seekers in the 1980s: namely Republican mostly Catholic separatists in Northern Ireland and Puerto Rican separatists in the US and on post 9/11 issues concerning basic freedoms in both countries. **Politics By Other Means** Richard Abel, 2015-12-22 *Politics by Other Means* explores the fundamental question of how law can constrain political power by offering a pathbreaking account of the triumphant final decade of the struggle against apartheid. Richard Abel presents case studies of ten major legal campaigns including challenges to pass laws, black trade union demands for recognition, state terror, censorship, resistance to the independent homelands and treason trials. *ABA Journal*, The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians and associate members of the American Bar Association. Crystal, 1996 Resolving ethical questions in practice is only one dimension of this unique and exciting casebook by Nathan Crystal. **PROFESSIONAL RESPONSIBILITY: Problems of Practice And The Profession** Using engaging realistic problems, Crystal challenges students to make ethical judgments based on three interrelated aspects: personal values, specific practice roles and instructional considerations such as legal services for indigents. Following an introductory chapter on the rules and standards of professional conduct, Crystal examines ethical issues by areas of practice. This unique structure places discussions in context, underscores key concepts such as confidentiality and helps students focus on their career choice. Chapters include criminal defense and prosecution, civil litigation, office practice, government and the judiciary. In the final two chapters, Crystal explores questions of institutional structure, delivery of legal services, the adversary system and

discrimination in the profession Though the casebook is problem based Crystal includes discussion of important cases to give you the flexibility to teach by traditional case analysis Readable explanatory text and excerpts from cases opinions And The literature of professional responsibility provide meaningful background This complete teaching package features a comprehensive Teacher s Manual that includes discussion questions for each of the problems and suggestions for using simulations and other methodologies
