Rinaldo On The Run:

The Ghost in the Classroom Gerda Wagener, 1999 A young girl wants a cat more than anything and a tiny but lively ghost that appears in her lunchbox at school helps her get one *Children's Books from Other Countries* Carl M. Tomlinson, United States Board on Books for Young People, 1998-01-15 Every child is entranced by the magic of story regardless of national boundaries Many of the most memorable childhood stories have their origins in other countries Exposing children to this multi national body of literature introduces them to the great diversity of people and cultures that populate the world at a young age enabling them to become more thoughtful and generous individuals Children s Books from Other Countries is a complete and current guide to international children s literature The concept of a bibliography of international children s literature is not new In the past many books have accomplished this task The last two decades however have not yet produced a current reference source devoted to international children s books Children s Books from Other Countries wonderfully rectifies this lack of attention An introductory essay provides an overview of the field including a discussion on the rationale of sharing international books with children a brief history of the children s literature movement related books and awards and basic information about the International Board on Books for Young People IBBY and its American branch the United States Board on Books for Young People USBBY An annotated bibliography contains over 700 titles from 29 different countries printed between 1950 and 1996 All titles are available in English many have been translated and others have originated in other English speaking countries The titles are organized by genre and have been selected for their high quality They are primarily targeted for children ages 0 14 although a few outstanding young adult titles are included Winners of the Mildred Batchelder Award and the Hans Christian Andersen Medal are listed in the appendix Indexes include Author Title Index Country of Origin Index and Subject Index Affordable and readable this timely resource is certainly a must for librarians and teachers and other professionals working with children Sponsored by the United State

The Publishers Weekly ,1997 *The Grotesque Dancer on the Eighteenth-century Stage* Rebecca Harris-Warrick, Bruce Alan Brown, 2005 Italian ballet in the eighteenth century was dominated by dancers trained in the style known as grotesque a virtuoso style that combined French ballet technique with a vigorous athleticism that made Italian dancers in demand all over Europe Gennaro Magri s *Trattato teorico pratico di ballo* the only work from the eighteenth century that explains the practices of midcentury Italian theatrical dancing is a starting point for investigating this influential type of ballet and its connections to the operatic and theatrical genres of its day *The Grotesque Dancer on the Eighteenth Century Stage* examines the theatrical world of the ballerino grottesco Magri s own career as a dancer in Italy and Vienna the genre of pantomime ballet as it was practiced by Magri and his colleagues across Europe the relationships between dance and pantomime in this type of work the music used to accompany pantomime ballets and the movement vocabulary of the grotesque dancer Appendices contain scenarios from eighteenth century pantomime ballets including several of Magri s

own devising an index to the step vocabulary discussed in Magri's book and an index of dancers in Italy known to have performed as grotteschi. Illustrations, music examples, and dance notations also supplement the text. *Popular Series Fiction for K-6 Readers* Rebecca L. Thomas, Catherine Barr, 2004. Because of their popularity, books in series are great vehicles for fostering literacy among all types of readers who are almost always adamant about reading every title in the series in series order. Yet traditional information sources on children's and YA literature include very little about series fiction, so librarians often have difficulty managing this literature. This guide will be a rich resource and time saver for librarians who work with children. It introduces users to the best and most popular fiction series of today, covering more than 1,000 series with over 10,000 titles appropriate for elementary readers. Annotations also indicate series and titles accepted by some of the popular electronic reading programs, e.g. Accelerated Reading, Reading First. A numbered list of titles in the series follows.

Book of Water Robin Brande, 2021-07-10. Some battles can't be won with swords. Now a warrior in the king's army, Bradamante is camped with her fellow warriors in the mountains at Monarch Pass. She's there to help defend against the enemy commander Rogero, who is not only the most successful commander of all time but is also a sorcerer. Bradamante will need all the power, strength, and courage she can muster to save her own life and the lives of the ones she loves. And that isn't her only challenge. Sometimes love can create a battlefield all its own. *Verona Green* Victoria Raschke, 2023-11-14. In a city where magic and art collide, Verity Green, a skilled witch and art restorer, guards a dangerous secret: she possesses the ability to channel the spirits of deceased artists and breathe life back into their masterpieces. For years, she's hidden her extraordinary gift, but whispers of her talent have reached the wrong ears. Shadowy forces crave her powers, willing to exploit her abilities for their own criminal purposes. When her best friend is kidnapped, Verity's world shatters. A clandestine society emerges, one with secrets darker than any painting she's ever done. In her quest to save her friend, Verity must navigate these ancient rivalries and confront a nefarious plot that threatens the integrity of art itself. Amid the chaos, Verity finds an unexpected ally: an enigmatic architect with his own murky past. As they delve deeper into the shadow of the art world, a romance sparks. But time is running out, and Verity must harness her magical prowess to rescue her friend before it's too late. *Verona Green* is a spellbinding cross-genre contemporary fantasy recommended for fans of Alice Hoffman and Neil Gaiman. Within this world where art becomes a conduit for the supernatural, Verity proves that the truest magic lies within the human heart. *The Coursing Calendar*, ed. by 'Stonehenge'.
