**Giovanni Bellini** Giovanni Bellini, Mauro Lucco, Giovanni Carlo Federico Villa, 2008    **The Traveling Artist in the Italian Renaissance** David Young Kim, 2014-12-23 This important and innovative book examines artists mobility as a critical aspect of Italian Renaissance art It is well known that many eminent artists such as Cimabue Giotto Donatello Lotto Michelangelo Raphael and Titian traveled This book is the first to consider the sixteenth century literary descriptions of their journeys in relation to the larger Renaissance discourse concerning mobility geography the act of creation and selfhood David Young Kim carefully explores relevant themes in Giorgio Vasari s monumental Lives of the Artists in particular how style was understood to register an artist s encounter with place Through new readings of critical ideas long standing regional prejudices and entire biographies The Traveling Artist in the Italian Renaissance provides a groundbreaking case for the significance of mobility in the interpretation of art and the wider discipline of art history    **Arte documento** , 2008

Death, Disease and Mystical Experience in Early Modern Art Michael Hill, Jennifer Milam, 2025-10-01 Fear of death and disease preoccupied the European consciousness throughout the early modern era becoming most acute at times of plague and epidemics In these times of heightened anxieties images of saints and protectors served to reassure the faithful of their religious protection against infection Modes of visual engagement and devotional subject matter were coupled in new ways to reinforce the emotive impact of art works and to reaffirm the perceived reality of the afterlife In this context a visual language of mystical devotion which overcame the limits of the body and even eroticised its suffering could serve the needs of the desolate and the pained In this series of essays focused on spiritual sensibilities in Renaissance art and its legacies authors present original ideas about the themes of death disease and mystical experience based primarily on the study of objects and their documented historical contexts Methodologically wide ranging in approach the resulting volume provides novel insights into the interplay between suffering and art making in the Western world    Networks in the Early History of Capitalism Stefania Montemezzo, 2024-10-31 Drawing on a detailed examination of Venetian commerce in the Middle Ages this book explores the business practices and structures that enabled merchants to compete in a challenging international market Contributing to the literature on the early history of capitalism this book demonstrates how Venetian merchants combined innovation with traditional methods to maintain their edge in a competitive world providing valuable lessons on resilience and strategic planning in commerce Small and mid sized commercial companies operating across borders and geographies in the early Renaissance period faced numerous challenges including identifying profitable sectors and businesses developing effective business strategies dealing with peers and subordinates managing the flow of information

and assessing risks and potential rewards The chapters explore a range of topics in this context including the roles of family based firms the strategic deployment of agents and the impact of state policies on private enterprise Readers are introduced to the ways Venetian merchants managed capital adapted to market demands and overcame obstacles like wars and resource shortages This book will be of significant interest to historians and social scientists researching economic history the history of trade the history of capitalism medieval and Renaissance history and historical network analysis *I Vivarini*
