Rings Of The Gods I:

Walking in the Rings of God Thomas Billings, 2013-11-22 Many times in my life I have found myself confused about my walk with God We all want the blessings and prosperity but not the relationship and we cannot have just one We try to find it in religion and it is not present The key to blessing and prosperity is discovering where your position is with God at all times

The Well Spring of the Goths Ingemar Nordgren, 2004 The Goths a rumored people first known by history around the river Vistula in present Poland was the people that more than other contributed to the fall of the Roman Empire It was however also the Goths who preserved the Roman culture against other Germanic tribes Earlier it has been generally assumed the Goths originated in Scandinavia but during the 20th c many scholars have grown skeptical The author has using both Classical and Nordic sources and supplementary sciences made probable there is an intimate connection between the Goths and the Nordic countries Consequently it is quite possible that at least part of the Goths have a Nordic origin The book rests on the basic hypothesis that the Goths are not a people but a number of tribes and peoples united through a common religious cultic origin The old dispute concerning the relationship between Svear and Gautar also gets quite a new meaning The book is interdisciplinary and embraces history religion arts linguistics and archaeology In 1999 Ingemar Nordgren received his Ph D at Odense University Denmark The book builds to a considerable extent on his dissertation but has been updated and partly rewritten with brand new material
