Rise Of Massive Resistance Race And Politics In The South During The 1950s:

The Rise of Massive Resistance Numan V. Bartley, 1969 This book attempts to describe and evaluate the rise of massive resistance to public school desegregation that occurred in the Southern United States during much of the 1950s

Southern Politics and the Second Reconstruction Numan Bartley, Hugh Davis Graham, 2019-12-01 Originally published in 1975 This is a history of southern political life since the New Deal and World War II encompassing a crucial epoch an attempted Second Reconstruction of the South The authors focus on the electoral response to candidates and issues The authors contend that despite the nationalizing and homogenizing forces that eroded much of the South's distinctiveness during the postwar years the region's historical legacy perpetuated its distinctive patterns of cultural and political life Further the authors contend that despite the virtual destruction of the South's four inherited institutions of political sectionalism during the years of the Second Reconstruction disenfranchisement malapportionment a one party system and de jure racial segregation the new southern politics maintained a deep racial division that has militated against class coalitions especially across racial lines and has permitted government by relatively insulated elites Educational Freedom in Urban

America David F. Salisbury, Casey Lartigue, 2004 This book offers a prescription for reform that includes freedom of choice among public and private schools **Educational Freedom in Urban America** David Salisbury, Casey Lartigue Jr., 2004-05-25 In 1954 the U S Supreme Court declared segregated public schools unconstitutional The ruling in *Brown v Board of Education* set public education on a course toward equality Yet five decades later schools are not equal Minority children living in America's inner cities suffer disproportionately from a failing education system with black and Hispanic students dropping out of public high schools at much higher rates than whites There is however reason for hope The expansion of school choice offers new opportunities for children struggling in failing schools In this collection a dozen leading scholars educators and reformers including Andrew Coulson Floyd Flake Frederick Hess and Paul E Peterson examine the legacy of *Brown v Board* and its relation to the modern day school choice movement A school administrator and a charter school founder also reveal the challenges and obstacles faced by enterprising teachers in trying to help their students Together these experts expose the modern barriers that deprive inner city children of a good education and call for increased school choice as the most effective way to achieve the goals of *Brown v Board* Educational Freedom in Urban America is essential reading for anyone concerned with the condition of our inner city schools and the racial and social inequities that still exist in American education **Communists and Perverts under the Palms** Stacy

Braukman, 2012-03-01 In 1956 state Senator Charley Johns was appointed the chairman of the newly formed Florida Legislative Investigation Committee now remembered as the Johns Committee This group was charged with the task of unearthing communist tendencies homosexual persuasions and anything they saw as subversive behavior in academic institutions throughout Florida With the cooperation of law enforcement the committee interrogated and spied on countless

individuals including civil rights activists college students public school teachers and university faculty and administrators Today the actions of the Johns Committee are easily dismissed as homophobic and bigoted Communists and Perverts under the Palms reveals how the creation of the committee was a logical and unsurprising result of historic societal anxieties about race sexuality obscenity and liberalism Stacy Braukman illustrates how the responses to those societal anxieties particularly the Johns Committee laid the foundation for the resurgence of conservatism in the 1960s Braukman is considered and nuanced in her stance refusing a blanket condemnation of the extremism of a committee whose influence even decades after its dissolution continues to be felt in the culture wars of today We Are Not Yet Equal Carol Anderson, Tonya

Bolden, 2020-08-06 This young adult adaptation of the New York Times bestselling *White Rage* is essential antiracist reading for teens An NAACP Image Award finalist A Kirkus Reviews Best Book of the Year A NYPL Best Book for Teens History texts often teach that the United States has made a straight line of progress toward Black equality The reality is more complex milestones like the end of slavery school integration and equal voting rights have all been met with racist legal and political maneuverings meant to limit that progress *We Are Not Yet Equal* examines five of these moments The end of the Civil War and Reconstruction was greeted with Jim Crow laws the promise of new opportunities in the North during the Great Migration was limited when blacks were physically blocked from moving away from the South the Supreme Court's landmark 1954 *Brown v Board of Education* decision was met with the shutting down of public schools throughout the South the Civil Rights Act of 1964 and Voting Rights Act of 1965 led to laws that disenfranchised millions of African American voters and a War on Drugs that disproportionately targeted blacks and the election of President Obama led to an outburst of violence including the death of Black teen Michael Brown in Ferguson Missouri as well as the election of Donald Trump Including photographs and archival imagery and extra context backmatter and resources specifically for teens this book provides essential history to help work for an equal future **Southern White Ministers and the Civil Rights Movement** Elaine

Allen Lehtreck, 2018-05-29 In 1963 the Sunday after four black girls were killed by a bomb in a Birmingham church George William Floyd a Church of Christ minister preached a sermon based on the Golden Rule He pronounced that Jesus Christ was asking Christians to view the bombing from the perspective of their black neighbors and asserted We don't realize it yet but because Martin Luther King Jr is preaching nonviolence which is Jesus's way someday Martin Luther King Jr will be seen as the best friend the white man in the South has ever had During the sermon members of the congregation yelled You devil you and immediately Floyd was dismissed Although not every anti-segregation white minister was as outspoken as Pastor Floyd many signed petitions organized interracial groups or preached gently from a gospel of love and justice Those who spoke and acted outright on behalf of the civil rights movement were harassed beaten and even jailed Based on interviews and personal memoirs *Southern White Ministers and the Civil Rights Movement* traces the efforts of these clergymen who deeply moved by the struggle of African Americans looked for ways to reconcile the history of discrimination and slavery with Christian

principles and to help their black neighbors While many understand the role political leaders on national stages played in challenging the status quo of the South this book reveals the significant contribution of these ministers in breaking down segregation through preaching a message of love
