Rise Of U S Grant:

Great Military Leaders William T. Worthington, 2002 *Great Military Leaders A Bibliography with Vignettes* [Strategy](#)
Richard J Bailey, James W Forsyth, Mark O Yeisley, 2016-04-15 How does one engage in the study of strategy Strategy Context
and Adaptation from Archidamus to Airpower argues that strategy is not just concerned with amassing knowledge it is also
about recognizing our imperfect understanding of the environment and respecting the complex nature of adaptation to the
unforeseen or unexpected In essence the strongest strategists are those who commit to an education that cultivates a more
holistic and adaptive way of thinking With that thought in mind the contributors to Strategy each a current or former
professor at the School of Advanced Air and Space Studies widely considered the Department of Defense s premier school of
strategy offer ways of thinking strategically about a variety of subject matters from classical history to cyber power
Practitioners in the profession of arms perhaps more than any other profession must employ critical thinking where the
application of power on land at sea in the air and in space and cyberspace are concerned Strategy examines various sub
disciplines regarding the use of power and illuminates different approaches to thinking which have implications beyond the
implementation of force *General U.S. Grant's Tour Around the World* L. T. Remlap, 1879 [House documents](#) , 1891

Department, 1891 *Command Conflicts in Grant's Overland Campaign* Diane Monroe Smith, 2012-12-13 This book follows
the men of the 5th Corps and the Army of the Potomac through the Wilderness Spotsylvania and Cold Harbor with the army
condemned to moving blindly through enemy territory without the benefit of cavalry scouting or screening It considers the
lost opportunities of June 1864 when Grant s masterly movement of the Army of the Potomac across the James to confront
the enemy at Petersburg should have ended in victory and the fall of Richmond Bungling and complacency doomed the
attacks on Petersburg s fortifications and instead of victory the battered Federals faced a drawn out siege and another 10
months of war Finally the author considers what happened to a number of the prominent Federal participants in the
Overland Campaign during the last year of the war and after Many of those who lied and cheated their way to the top became
