**Unblocked** Margaret Lynch Raniere, David Raniere, PhD, 2021-04-13 If you've ever felt like you're stuck unfulfilled or that you've been consistently playing small and yet there's something inside you that knows you're meant to do, feel, and be something more, then *Unblocked* was written for you. Leading empowerment coach Margaret Lynch Raniere has distilled years of experience and client success into a proven approach to help you overcome the blocks that stifle your potential. By leveraging the ancient chakra system and evidence-based Emotional Freedom Technique (EFT), also known as tapping, she's created a groundbreaking healing system to help you reclaim your inner power and transform your life. This book includes unique Healing Experiences that will guide you through actively unblocking the lower chakras: root, sacral, solar plexus, and heart. These empowerment chakras are the source of our power, and when they're blocked by long-buried pain and fear, we remain limited by self-doubt, procrastination, and a perpetual need to prove our worth. When those blocks are cleared, we finally stop proving and start being our most powerful, passionate, authentic selves. One by one, you'll free the empowerment energy contained in the chakras and unleash your innate superpowers to be fearless and vulnerable, confident and real, strong and compassionate without needing to be perfect. In addition, Harvard-trained psychoanalyst Dr. David Raniere highlights the psychology behind these transformative experiences, including practical tips on how to integrate them and elevate your level of feeling, speaking, and acting in your day-to-day life. Just imagine what you could accomplish if you embraced a new way of being in the world and consistently acted with confidence, courage, and a deep belief in yourself and your value. No matter where you're starting, *Unblocked* is the ultimate empowerment tool to help you fully inhabit your best self and create the life you've always wanted.

**Rise Above the Story** Karena Kilcoyne, 2024-01-23 USA Today Bestseller Publishers Weekly Bestseller A well-reasoned and highly accessible manual for overcoming past trauma and attaining truly unlimited lives. Kirkus Reviews: Prepare to be captivated, moved, and ultimately uplifted by a tale that reminds us that we are stronger than we think. Suzi Weiss Fischmann, author and OPI co-founder. Karena shows us how to liberate ourselves from the grip of those experiences that all too often limit our chances to live life to the fullest. This book is truly a gift of love. Mike Love, lead singer and lyricist of The Beach Boys. The ultimate guidebook on how to heal from trauma. Karena's early life had been defined by stories of shame and abandonment, but as an adult, she wondered who she could be without those stories. Who would she be without her past defining her present? After years of working to heal herself, she wrote *Rise Above the Story* as a guidebook to help others free themselves from past pain and trauma. Part memoir and part self-help, this book uses a 3-part evidence-based formula to ease the fear and overwhelm we can feel when we're trying to heal our old wounds. Everyone has a story. Our emotional brain subconsciously writes our stories, and anyone who has experienced trauma can have a story about how their trauma defined them, including the author. Before Karena Kilcoyne was a successful criminal defense attorney, trauma defined her early life.
