Rite Of Pabage:

The Rites of Passage Arnold van Gennep, 2011-06-22 Birth puberty marriage and death are in all cultures marked by ceremonies which may differ but are universal in function Arnold van Gennep 1873 1957 was the first anthropologist to note the regularity and significance of the rituals attached to the transitional stages in man's life and his phrase for these the rites of passage has become a part of the language of anthropology and sociology *The Rites of Passage, Second Edition* Arnold van Gennep, 2019-05-24 A CLASSIC WORK OF ANTHROPOLOGY OVER SEVENTY THOUSAND COPIES SOLD With a new introduction by Pulitzer Prize winner David I Kertzer Arnold van Gennep's masterwork *The Rites of Passage* has been a staple of anthropological education for more than a century First published in French in 1909 and translated into English by the University of Chicago Press in 1960 this landmark book explores how the life of an individual in any society can be understood as a succession of transitions birth puberty marriage parenthood old age and finally death Van Gennep's great insight was discerning a common structure in each of these seemingly different transitions involving rituals of separation liminality and incorporation With compelling precision he set out the terms that would both define twentieth century ritual theory and become a part of our everyday lexicon This new edition of his work demonstrates how we can still make use of its enduring critical tools to understand our own social religious and political worlds and even our personal and professional lives In his new introduction Pulitzer Prize winning historian and anthropologist David I Kertzer sheds new light on van Gennep on the battles he fought and on the huge impact the book has had since publication of the first English edition

Ritual and Narrative Vera Nünning, Jan Rupp, Gregor Ahn, 2014-03-15 Ritual and narrative are pivotal means of human meaning making and of ordering experience but the close interrelationship between them has not as yet been given the attention it deserves How can models and categories from narrative theory benefit the study of ritual and what can we gain from concepts of ritual studies in analysing narrative This book brings together a wide range of disciplinary perspectives including literary studies archaeology biblical and religious studies and political science It presents theoretical explorations as well as in depth case studies of ritual and narrative in different media and historical contexts **Evangelical Purity**

Culture and Its Discontents Kathryn House, Sara Moslener, 2025-05-09 This volume is a collection of cutting edge interdisciplinary and creative essays that establishes a new approach to the study of evangelical purity culture It is a critical starting point for anyone seeking to understand this movement or begin their own research The book brings together the work of the Purity Culture Research Collective an independent and unaffiliated organization of scholars mental health professionals artists and advocates dedicated to studying the origins and impact of evangelical purity culture The study of purity culture is an interdisciplinary project using a variety of theories and methods including those from psychology religious studies sociology ethics biblical theological studies queer studies feminist studies historical studies and critical race studies Chapters in this volume employ various methods of inquiry with some framing their work in traditional academic

prose and others making use of self reflexive analysis to acknowledge their own experiences as informing their arguments and conclusions This collection of essays reflects emerging scholarship both within and beyond the academy and stands as an example of how traditional academic analysis can be released from the confines of disembodied scholarship and is enriched by a diversity of approaches This book was originally published as a special issue of *Theology Sexuality* Higher Education: Handbook of Theory and Research 12 J.C. Smart,1997-02-28 Published annually since 1985 the Handbook series provides a compendium of thorough and integrative literature reviews on a diverse array of topics of interest to the higher education scholarly and policy communities

Sacred Pain Ariel Glucklich,2001 Why would anyone seek out the very experience the rest of us most wish to avoid Why would religious worshipers flog or crucify themselves sleep on spikes hang suspended by their flesh or walk for miles through scorching deserts with bare and bloodied feet In this insightful new book Ariel Glucklich argues that the experience of ritual pain far from being a form of a madness or superstition contains a hidden rationality and can bring about a profound transformation of the consciousness and identity of the spiritual seeker Steering a course between purely cultural and purely biological explanations Glucklich approaches sacred pain from the perspective of the practitioner to fully examine the psychological and spiritual effects of self hurting He discusses the scientific understanding of pain drawing on research in fields such as neuropsychology and neurology He also ranges over a broad spectrum of historical and cultural contexts showing the many ways mystics saints pilgrims mourners shamans Taoists Muslims Hindus Native Americans and indeed members of virtually every religion have used pain to achieve a greater identification with God He examines how pain has served as a punishment for sin a cure for disease a weapon against the body and its desires or a means by which the ego may be transcended and spiritual sickness healed When pain transgresses the limits the Muslim mystic Mizra Asadullah Ghalib is quoted as saying it becomes medicine Based on extensive research and written with both empathy and critical insight Sacred Pain explores the uncharted inner terrain of self hurting and reveals how meaningful suffering has been used to heal the human spirit

Studies in Arabic and Islam Union européenne des arabisants et islamisants. Congress,Stefan Leder,2002 The volume contains forty seven contributions dealing with Islamic thought and history Arabic literature and linguistics The variety of perspectives and approaches and the wide range of subject matters constitute a true mirror of European scholarship in Arabic and Islamic studies The authors who congregated for the 19th congress of the Union Européenne des Arabisants et Islamisants at Halle come from many European countries including Middle and Eastern Europe Philosophy and historiography Arabic inscriptions and belles lettres pre modern and modern history Islamic law and theology figure among the topics treated in amply documented studies
