Ritschl In Retrospect History Community And Science:

Ritschl in Retrospect Darrell Jodock, 2020-08-31 Albrecht Ritschl 1822 1889 looms large in the second half of the nineteenth century He redirected theology from speculative idealism toward a more concrete historical apprehension of the Bible the church and Christian life Ritschl in Retrospect reassesses Ritschl s rich legacy and current import especially on such still pertinent topics as his attempt to reinvigorate the Reformation tradition his reflections on the communal dimensions of church his recognition of the centrality of the kingdom of God his community based Christocentric reading of the Bible his criticisms of classical theism and his thoughts on religion and science Joining Darrell Jodock in this reassessment are the following leading historians and theologians William R Barnett Clive Marsh Richard P Busse Hans Schwarz David W Lotz Rich M Wall Jr Gerald W McCulloh Claude Welch [A History of the Quests for the Historical Jesus, Volume 1](#) Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today s biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer s famous Old Quest to today s ongoing questions about criteria methods and sources *A History of the Quests for the Historical Jesus* not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One covers the period from the beginnings of Christianity to the end of World War II Volume Two sold separately covers the period from the post War era through contemporary debates [A Theology for the Bildungsbürgertum](#) Leif Svensson, 2020-04-06 This book provides a new approach to Albrecht Ritschl s theology Leif Svensson argues that Ritschl s theological project must be related to three cultural developments historical criticism materialism and anti Lutheran polemics and understood in the context of the de Christianization of the Bildungsbürgertum in nineteenth century Germany Albrecht Ritschl remains the great unknown of nineteenth century theology In this important study Leif Svensson sheds new light on Ritschl s thought by relating it to contemporaneous social and cultural developments Rooted in deep familiarity with German intellectual life of the time the book convincingly illustrates the value of a history of

theology that is mindful of its various contexts Johannes Zachhuber University of Oxford I confess I was hesitant to blurb a book on Ritschl but then I read it Svensson's well researched presentation of Ritschl's thought is compelling and forceful I highly recommend this book Stanley Hauerwas Duke Divinity School Svensson's work ably places Ritschl's contribution to theology in the broader context of the intellectual and cultural history of the nineteenth century Students of Protestant theology and thought and all interested in the complex relationship between Christian theology and modernity will learn something of value from this important study Thomas Albert Howard Valparaiso University *History of New Testament Research, Vol. 2* William Baird, 2002-11-01 Stressing the historical and theological significance of pivotal figures and movements William Baird guides the reader through intriguing developments and critical interpretation of the New Testament from its beginnings in Deism through the watershed of the Tübingen school Familiar figures appear in a new light and important previously forgotten stages of the journey emerge Baird gives attention to the biographical and cultural setting of persons and approaches affording both beginning student and seasoned scholar an authoritative account that is useful for orientation as well as research *Theology in a Global Context* Hans Schwarz, 2005-11 In this book Hans Schwarz leads us into the web of Christian theology's recent past from Kant and Schleiermacher to Mbiti and Zizoulas pointing out all the theologians of the last two hundred years who have had a major impact beyond their own context With an eye to the blending of theology and biography Schwarz draws the lines of connection between theologians their history and wider theological movements Publisher What are We to Understand Gracia to Mean? Robert A. Delfino, 2006 This book provides a series of challenges to Jorge J E Gracia's views on metaphysics and categories made by realist philosophers in the Aristotelian and Thomistic traditions Inclusion of Gracia's responses to his critics makes this book a useful companion to Gracia's *Metaphysics and its Task The Search for the Categorical Foundation of Knowledge* **Modern Christian Thought, Second Edition** James C. Livingston, Francis Schüssler Fiorenza, This widely acclaimed introduction to modern Christian thought formerly published by Prentice Hall provides full scholarly accounts of the major movements and thinkers theologians and philosophers in the Christian tradition since the eighteenth century Enlightenment together with solid historical background and critical assessments **Albrecht Ritschl's Lutherrezeption** Frank Hofmann, 1998

Encyclopedia of Protestantism Hans J. Hillerbrand, 2004-08-02 For more information including sample entries full contents listing and more visit the Encyclopedia of Protestantism web site Routledge is proud to announce the publication of a new major reference work from world renowned scholar Hans J Hillerbrand The Encyclopedia of Protestantism is the definitive reference to the history and beliefs that continue to exert a profound influence on Western thought Featuring entries written by an international team of specialists and scholars the encyclopedia traces the course of Protestantism from its beginnings prior to 1517 when Martin Luther nailed his 95 Theses to the door of Wittenberg Cathedral to the vital and diverse international scene of the present day Kleine Schriften Albrecht Ritschl, 1999 *The Dictionary of Historical*

Theology Trevor A. Hart, Richard Bauckham, 2000 Major reference work on key figures in the history of the church and their theology Modern Christian Thought: The Enlightenment and the nineteenth century James C. Livingston, 1997 The First of a 2 Volume work covering 19th Century Christian thought *Critical Review of Books in Religion* ,1995 *Ritschl in Retrospect* Darrell Jodock, 1995 Albrecht Ritschl 1822 1889 redirected theological thought in the second half of the 19th century away from speculative idealism and toward a more concrete historical apprehension of the Bible the church and Christian life Ritschl in Retrospect reassesses Ritschl s contributions on a variety of still pertinent topics *Religion Index Two* ,1997 Mission and Menace Robert Jewett, Ole Wangerin, 2008 Comparable to Howard Zinn s A People s History of the United States Includes black and white illustrations **Encyclopedia of World Biography: Raffles-Schelling** ,1998 Presents brief biographical sketches which provide vital statistics as well as information on the importance of the person listed "Onward Christian Klansmen!" Glenn Michael Zuber, 2004 **International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences** ,1996 **New Encyclopædia Britannica: Micropædia** ,1997
