Ritual & the Arts in Spiritual Discernment Ellen Morseth, 1999-07-01 **Ending with Hope** Beth Ann Gaede, 2002-06-01 Why is it we do funerals so well but often balk at even recognizing the death of a congregation Couldn t we do grief ministry and funerals as well for social groups as we do for individuals challenges Gilson Waldkoenig in his seminary classes Waldkoenig associate professor of church in society at Lutheran Theological Seminary at Gettysburg contributes his special insights on the subject of church endings in this unique and important book Ending with Hope grows out of the understanding that although closing a congregation is in many ways about dying it can also be about new life Closing a congregation does not have to be about failure but can be about redirecting resources for new ministry Contributors represent eight denominations and include more than a dozen pastors lay leaders judicatory staff and others who have been there who have helped congregations through the painful closing process Resources include models for assessing whether a congregation should close reflections on members and pastors experiences during closing case studies guidance for deciding what to do with a building suggestions for selecting and preserving documents and artifacts rituals for healthy closings a survey of historical trends regarding closings and other helpful materials Pentecostal Aesthetics Steven Felix, 2015-02-04 Pentecostals have not sufficiently worked out a distinctively Pentecostal philosophy of art and aesthetics In Pentecostal Aesthetics Theological Reflections in a Pentecostal Philosophy of Art and Aesthetics with a foreword by Amos Yong Steven F lix J ger corrects this by reflecting theologically on art and aesthetics from a global Pentecostal perspective particularly through a pneumatic Pentecostal lens F lix I ger contends that a Pentecostal philosophy of art and aesthetics must comply with the global experiential and pneumatocentric nature of the Pentecostal movement Such a philosophy can be ontologically grounded in a relativistic theory of art Theological reflections concerning the nature and purpose of art must then be sensitive to the ontological foundations secured thereof In this fashion Pentecostals can gain ample insight about the Spirit's work in today's contemporary artworld The Artist's Journey Kent Nerburn, 2020-10-15 The creative life is not easy From the outside it can seem romantic and exciting but in fact it is a unique journey filled with doubts and dreams and complex challenges that most people never imagine From the obvious issues of making a living and dealing with rejection to more rarified questions like how to know when a work is finished and the delicate balance between inspiration and craft the creative artist whether writer painter actor or dancer lives in a world of profound questions and subtle choices The Artist's Journey takes you into this world with an emotional honesty that few books offer At once practical and spiritual it is a rare exploration of the inner landscape of the artistic experience and an essential guidebook to the artist s journey for creative artists in all fields whether young or old accomplished or just beginning Also available as a collectable giftable hardback edition titled Dancing with the Gods American Baptist Quarterly, 2001 **Dancing with the Gods** Kent Nerburn, 2018-08-02 When Kent Nerburn received a letter from Jennifer a young woman questioning her calling to

spend her life in the arts the writer and artist was struck by how closely her questions mirrored the doubts and yearnings of his own youth Nerburn resolved that he would write his own letter a letter of welcome and encouragement to all young artists setting out on the same strange and magical journey sharing the wisdom of a life spent working in the arts From struggles with money and the bitterness of rejection to spiritual questions of inspiration and authenticity Dancing With the Gods offers insight solace and courage to help young artists on the winding road to artistic fulfilment Tender and joyous it is a celebration of art s power to transform the darkest of human experience and give voice to the grandest of human hopes

Discerning Buddhas Kevin Buckelew, 2024-11-19 In Song period China 960 1279 CE masters in the Chan Japanese Zen school of Buddhism were presented as sources of religious authority on par with the Buddha an almost unthinkably lofty status before the rise of Chan This claim carried great rhetorical power facilitating Chan's appeal to Buddhist monastics and powerful patrons alike But it also raised a challenging question for Chan Buddhists who insisted that buddhahood properly transcends all worldly marks By what signs could one recognize a Chan master as a buddha Discerning Buddhas argues that Chan Buddhists wove together tropes of sovereignty hospitality and martial heroism drawn from both Buddhist tradition and China's cultural heritage to develop a distinctive vision of what it meant for a Chan master to be a buddha in Song period China Kevin Buckelew analyzes the ways Chan Buddhists deployed such tropes in ritual literature and visual culture in order to stage the comparison of Chan mastery with buddhahood He examines how they used the concept of buddhahood to work through questions about the ideal Chan master's authority agency and masculinity in the process rendering buddhahood in terms highly legible to elite Chinese society Chan Buddhists Buckelew shows developed their own signature of buddhahood according to which enlightened Chan masters who truly deserved comparison to the Buddha were supposed to be distinguished from everyone else By exploring the resulting Chan culture of discernment which raised fundamental questions about Buddhist authority at a pivotal inflection point in Chinese history this book offers fresh insight into the place of Satan's Counterfeit Healing Lawrence E. Burkholder, 2019-09-30 The Christian church Buddhism in Chinese society worldwide has been taken prisoner by Satan's counterfeit healing This statement is based on the author's personal experience modest exposure to the Toronto Blessing observation of parachurch healing ministries and extensive historical reconstructions Satan's Counterfeit Healing presents and evaluates Satan's supernatural healing from the Paleolithic period ca 45000 BCE to the contemporary church The guiding thesis is that Satan and his demonic surrogates perform miracles which are evident as psi paranormal phenomena These manifestations include physical and exorcistic supernatural healings Paleolithic and Neolithic periods produced Great Mother goddess worship and healing which have persisted ever since These idolatries combined with OT nature gods were a backdrop to Jesus true miracles For two thousand years of church history there s been a tug of war between true and false healing Mother goddess as Mariological shrine healing joined with natural and demonic magic and esoteric energy psi Alongside these the Holy Spirit has raised up genuine healers and their ministries

Modern healing is marked by energy counterfeits and faith healing the latter especially accompanied by trance false prophecy and psi transformations True divine healing can be recovered when Christians repudiate nature gods reject false prophecy and restore proper eschatology Social Worship Stanton Coit, Charles Kennedy Scott, 1913 "Tekel" "Thou Art Weighed in the Scales and Found Wanting": Or, The National Religion of England Brought to the Test of Holy Scripture, and Found Everywhere Defective and Erroneous Puto (pseud.),1872 Rituals Of Saint Cyprian Elian Torc / Luiz Santos, 2025-08-14 Rituals of Saint Cyprian Proven Techniques for Love Money Protection and Vengeance Step into the enigmatic world of Rituals of Saint Cyprian where ancient wisdom and spiritual mastery meet practical transformative magic This book invites you to explore the legacy of one of history s most mysterious figures a saint and sorcerer whose knowledge bridges the sacred and the mystical Each chapter guides you through rituals for love protection prosperity and self discovery offering not just instructions but a deeper connection to your own spiritual power Rich with symbolism ethical insight and time tested techniques it is a companion for those seeking both guidance and empowerment Whether you are new to the path or a seasoned practitioner this work provides the clarity inspiration and tools to transform challenges into opportunities for growth and inner strength In this book on ceremonial magic you will discover a complete guide to Saint Cyprian s most powerful practices from the book on protection rituals to the book on love spells and the book on prosperity magic Rooted in the wisdom of a book on syncretic spirituality it also serves as a book on magical techniques and a book on spiritual self defense offering practical guidance and deep insights With clear instructions for the book on ritual baths and the book on Saint Cyprian this work preserves a living tradition empowering readers to achieve spiritual balance personal growth an
