**The Freedom Writers Diary Teacher's Guide** Erin Gruwell, The Freedom Writers, 2008-09-16 A standards based teacher's guide from the educator behind the #1 New York Times bestseller The Freedom Writers Diary with innovative teaching techniques that will engage, empower and enlighten. Don't miss the public television documentary Freedom Writers: Stories from the Heart. In response to thousands of letters and e-mails from teachers across the country who learned about Erin Gruwell and her amazing students in The Freedom Writers Diary and the hit movie Freedom Writers, Gruwell and a team of teacher experts have written The Freedom Writers Diary Teacher's Guide, a book that will encourage teachers and students to expand the walls of their classrooms and think outside the box. Here Gruwell goes in depth and shares her unconventional but highly successful educational strategies and techniques. All 150 of her students who had been deemed unteachable graduated from Wilson High School in Long Beach, California, from her very successful toast for change, an exercise in which Gruwell exhorted her students to leave the past behind and start fresh. To writing exercises that focus on the importance of journal writing vocabulary and more. In an easy to use format with black and white illustrations, this teacher's guide will become the essential go-to manual for teachers who want to make a difference in their pupils' lives.

**The Freedom Writers Diary (20th Anniversary Edition)** The Freedom Writers, Erin Gruwell, 2007-04-24 #1 NEW YORK TIMES BESTSELLER The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell. Now a public television documentary, Freedom Writers: Stories from the Heart. In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell, confronted a room of unteachable at-risk students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks; none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the Freedom Writers. Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, The Freedom Writers Diary is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture, Freedom Writers. And now, with this twentieth anniversary edition, readers are brought up to date on the lives of the Freedom Writers as they blend indispensable takes on social issues with uplifting stories of attending college and watching their own children follow in their footsteps. The Freedom Writers Diary remains a vital read for anyone who believes in second chances.
