## **Ridgedale Everything Changes But The Memories:**

Philosophy of History Jouni-Matti Kuukkanen, 2020-11-12 With a recent surge of interest in the field a volume taking stock of important theoretical shifts in the philosophy of history is greatly needed A Philosophy of History fills this gap by weaving together a range of perspectives on the field which finds itself at a crossroads and asks where it is headed in the 21st century The book takes a concerted effort to go beyond the customary three fold distinction between the speculative analytic and narrativist approaches in philosophy of history It considers what comes after the enduring narrativist turn Chapters incorporate cutting edge discussions on the relevance of contemporary political phenomena such as populism the relation between science and history pragmatism and the paradigmatic challenge of the Anthropocene It also re evaluates the continued relevance of major historical thinkers like Leibniz and R G Collingwood and the endlessly fresh insights they can offer to key debates in the field today Philosophy of History is a much needed reappraisal of the philosophy and theory of history offering an up to date overview of major developments in the field and addressing the pressing questions of where to go next in a post analytical post narrativist world

*Where They Found Her* Kimberly McCreight, 2015-04-14 McCreight creates a world that pulls us in completely and genuinely with characters that can enrage amuse and fill us with empathy It s a thrilling novel GILLIAN FLYNN 1 New York Times bestselling author of *Gone Girl*

Motherhood hasn't been easy for Molly Anderson and the years since the loss of her second child have been a particular struggle. But six months after moving from New York City to sophisticated Ridgedale, New Jersey, she's finally enjoying life again as mother of a five-year-old daughter and fledgling arts reporter for the local paper. But this tenuous stability is threatened when the body of a newborn is found in the woods behind prestigious Ridgedale University and Molly is assigned the story. Over the objections of her increasingly concerned husband, Molly dives into reporting, determined to prove herself by uncovering the truth. What she finds is a decades-old trail of dark secrets that winds through every corner of the town. Told from the perspectives of Molly, Barbara, wife of Ridgedale's police chief whose faltering son is unraveling her picture-perfect life, and a sixteen-year-old high school dropout Sandy who is dealing with her wayward mother. *Where They Found Her* reveals that the tragic truth about what happened to the baby lies at the unexpected intersection of these three very different women's lives. It is a taut and profoundly moving novel about mothers and daughters, the fierce bonds that unite them and the deceit that can drive them apart. But most of all, it's about the heartbreakingly high price of history. The past can be artfully denied but never truly buried.
