Wolfgang Guggemos

Riding The Tiger Ramiro De Leon Carpios Battle For Human Rights In Guatemala:

The Latin American Subaltern Studies Reader Ileana Rodríguez, 2001-09-24 Argues for the saliency of the category of the subaltern over that of class

Electoral Rules and Democracy in Latin America Cynthia McClintock, 2018-03-28 During Latin America's third democratic wave a majority of countries adopted a runoff rule for the election of the president effectively dampening plurality voting opening the political arena to new parties and assuring the public that the president will never have anything less than majority support In a region in which undemocratic political parties were common and have often been dominated by caudillos cautious naysayers have voiced concerns about the runoff process arguing that a proliferation of new political parties vying for power is a sign of inferior democracy This book is the first rigorous assessment of the implications of runoff versus plurality rules throughout Latin America and demonstrates that in contrast to early scholarly skepticism about runoff it has been positive for democracy in the region Primarily through qualitative analysis for each country the author argues that indeed an important advantage of runoff is the greater openness of the political arena to new parties at the same time that measures can be taken to inhibit party proliferation In this context it is also the first volume to address whether or not a runoff rule with a reduced threshold for example 40% with a 10 point lead is a felicitous compromise between majority runoff and plurality The book considers the potential for the superiority of runoff to travel beyond Latin America in particular and rather provocatively to the United States

Riding the Tiger Ramiro de León Carpio, Alvaro Vargas Llosa, Santiago Aroca, 1995

Civil Wars of the World Karl DeRouen Jr., Uk Heo, 2007-05-10 This unique two volume reference is the most authoritative up to date resource available for information and data on the most volatile civil wars around the globe since World War II At a time when historians are devoting more and more research to conflicts within nations Civil Wars of the World Major Conflicts since World War II is an invaluable addition to the available resources In two volumes it ranges around the globe to cover the most volatile and deadly civil wars of the past 60 years including the bloody impasses in the Middle East devastating tribal warfare in Africa Cold War fueled conflicts in Eastern Europe and Asia the seemingly unbreakable cycle of rebellion and repression in some regions of Latin America and more Civil Wars of the World moves country by country to describe the causes course and consequences of internal conflicts within each nation Coverage includes the historical background of each country geographic and economic factors descriptions of rebel groups and governments e.g. regime type size of military capacity terrorism foreign and or intergovernmental organization IGO intervention UN foreign support for rebels foreign aid and prospects for peace

Beyond Missionaries Anne Motley Hallum, 1996 Although many consider Central America a thoroughly Catholic region Protestant organizations based in the United States began in the 1970s to send missionaries to Latin America in a concerted effort to convert Catholics to Protestantism In this penetrating analysis of the social and political implications of Protestantism focusing particularly on the fast growing Pentecostal groups Hallum provides a thorough overview of this complex phenomenon

Humanities Lawrence Boudon, 2002-08-01 Beginning with volume 41 1979 the University of Texas Press became the publisher of the Handbook of Latin American Studies the most comprehensive annual bibliography in the field Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 130 specialists in various disciplines the Handbook alternates from year to year between social sciences and humanities The Handbook annotates works on Mexico Central America the Caribbean and the Guianas Spanish South America and Brazil as well as materials covering Latin America as a whole Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas The Handbook of Latin American Studies is the oldest continuing reference work in the field Lawrence Boudon became the editor in 2000 The subject categories for Volume 58 are as follows Electronic Resources for the Humanities Art History including ethnohistory Literature including translations from the Spanish and Portuguese Philosophy Latin American Thought Music
