L. Barron, James Burgess Waldram, 1986 The papers contained in this volume were presented originally at the 1885 and After Conference held at the University of Saskatchewan P vii      *Becoming Native in a Foreign Land* Gillian Poulter, 2010-01-01 How did British colonists in Victorian Montreal come to think of themselves as native Canadian This richly illustrated work reveals that colonists adopted then appropriated Aboriginal and French Canadian activities such as hunting lacrosse snowshoeing and tobogganing In the process they constructed visual icons that were recognized at home and abroad as distinctly Canadian This new Canadian nationality mimicked indigenous characteristics but ultimately rejected indigenous players and championed the interests of white middle class Protestant males who used their newly acquired identity to dominate the political realm English Canadian identity was not formed solely by emulating what was British this book shows that it gained ground by usurping what was indigenous in a foreign land      The American Cartographer ,1980      *Bibliographic Guide to North American History* ,1980      *Saskatchewan History* ,1981      **Archivaria** ,1981      **The Searcher** ,2006      Subject Guide to Books in Print ,1993      *Bulletin - Association of Canadian Map Libraries* Association of Canadian Map Libraries, 1997      *Bibliography of Imperial, Colonial, and Commonwealth History Since 1600* Andrew N. Porter, 2002 The twentieth century witnessed an unprecedented growth of research and publication on the history of Britain's empire the Commonwealth and British expansion overseas Historical work by area specialists has transformed the state of knowledge concerning colonial North America India the Caribbean sub Saharan Africa South and South East Asia the Pacific and Australasia Much has been written about Britain's interests and

presence in areas and societies never formally subjected to British rule such as Latin America and the Middle and Far East. Most recently a preoccupation with the reciprocal impact of overseas expansion and colonial possessions on Britain itself has produced a rapidly growing historiography. Publication on this scale has made it virtually impossible for anyone either to keep track of the results or to follow up particular interests. Britain's overseas history has never been well supplied with comprehensive bibliographical aids and despite extensive public interest in the subject the position has steadily worsened. Following the recent Oxford History of the British Empire this volume is therefore designed to provide a general source of reference and bibliographical guidance at once wide ranging up to date and accessible. *The Globe*, 1980. *Native Law Bibliography* Linda Fritz, University of Saskatchewan. Native Law Centre, 1990. Bibliography of Canadian native legal materials cutoff date December 1988. While emphasis is on Canadian materials subject fields are divided by country: Australia, Canada, New Zealand and United States in addition to listings under International Law and Sami. Includes Mackenzie Valley Pipeline Assessment, Berger Commission materials. **America, History and Life**, 1981. *The Canadian Cartographer*, 1974. *Brochure Historique*, 1992.
