Cherry, 2009-05-27 Western philosophy has long nurtured the hope to resolve moral controversies through reason thereby to secure moral direction and human meaning without the need for a defining encounter with God or the transcendent The expectation is for a moral rationality that is universal and able adequately to

frame and guide the moral life Moral and cultural unity was sought through philosophical reflection on human nature and the basic goods of a properly nurtured and virtuous life that is through appeal to what has come to be called the natural law The natural law addresses permissible moral choice through objective understandings of human nature and human goods Persons are obligated to act in ways that are compatible with creating and integrating the basic human goods into their lives and the lives of others Such goods provide the basis for practical reasoning about virtuous choices and immediate reasons for action The goal is the making of rational choices in the pursuit of a virtuous flourishing human life Natural law theorists have argued extensively against human cloning abortion and same gender marriage Yet whose assumptions regarding human nature should guide our understanding of the basic goods that mark the full flourishing human life Moreover why should nature even human nature be thought of as a moral boundary beyond which one must not trespass Persons may wish actively to direct human evolution utilizing the tools of both imagination and biotechnology Perhaps nature is simply a challenge to be addressed overcome and set aside This volume is a critical exploration of natural law theory *Ethische Positionierung*

Andrea Bookhagen,2013-09-03 Andrea Bookhagen zeigt auf dass die ethische Positionierung eines Unternehmens ein wichtiger strategischer Wettbewerbsfaktor ist und präsentierte Lösungsvorschläge für Probleme die bei der Umsetzung dieses Konzepts auftreten können **Abtreibung - ein Menschenrecht?** Johannes Gonser,2023-03-14 My Body My Choice Die Entscheidung des US Supreme Court und die Diskussion um das Werbeverbot für Abtreibung in Deutschland haben die öffentliche Diskussion über den Schwangerschaftsabbruch wieder hochaktuell werden lassen Dabei sehen sich sowohl Verfechter als auch Gegner eines Rechts auf Abtreibung als Anwältinnen der Menschenrechte und als Kampfer für eine gute Sache Der Autor argumentiert in dieser Debatte für das uneingeschränkte Lebensrecht ungeborener Menschen Neben der Begründung seiner eigenen Position liegt ihm aber auch ein tiefgehendes Verständnis der Gegenargumente am Herzen um zu einem konstruktiven Diskurs beizutragen Moral Reasons Charles K. Fink,2016-11-17 Distinguished by its readability and scope Moral Reasons explains how to think critically about issues in ethics and political philosophy After a detailed overview of moral reasoning including dozens of exercises the text guides readers through the theories and arguments of philosophers from Plato to Peter Singer Among the topics explored are moral skepticism abortion euthanasia vegetarianism political authority punishment and war Ideal as a main text for courses in introductory or applied ethics or as a supplemental text for courses in political philosophy this book offers one of the most diverse investigations of moral philosophy there is to date

Criminal Justice Ethics Cyndi Banks,2018-12-31 Criminal Justice Ethics examines the criminal justice system through an ethical lens by identifying ethical issues in practice and theory exploring ethical dilemmas and offering suggestions for resolving ethical issues and dilemmas faced by criminal justice professionals Bestselling author Cyndi Banks draws readers into a unique discussion of ethical issues by first exploring moral dilemmas faced by professionals in the criminal justice system and then examining the major theoretical foundations of ethics This distinct and unique organization allows readers

to understand real life ethical issues before grappling with philosophical approaches to the resolution of these issues *The Legacy of Socrates* James Rachels, 2007 James Rachels's philosophical writings address key questions of contemporary life and the classic dilemmas of moral philosophy A leading figure in the development of applied ethics James Rachels became an influential and sometimes controversial thinker on issues concerning animal rights euthanasia bioethics and moral objectivity This final collection of James Rachels's work brings together fourteen essays that best summarize Rachels's philosophical positions The essays also shed new light on the depth and breadth of Rachels's work and its importance for contemporary philosophy Written in Rachels's characteristically lucid literary prose these essays address the relationship between morality and reason the duty to relieve both human and animal suffering the independence of morality from religion the rejection of relativism and egoism and the role of ethics in a democratic society Rachels offers an argument for vegetarianism examines a controversial case involving a surrogate mother and speculates on the ethics of political killing Other essays range from Rachels's interpretation of Nietzsche's philosophy to his appreciation of movies Rachels was a strong believer in the ability of moral philosophy to improve our lives This collection which brings these important works together for the first time is a testament to both the value of moral philosophy in understanding our world and the richness of Rachels's contributions to this understanding **Technology, Transgenics and a Practical Moral Code** Dennis R. Cooley, 2009-09-28 Most philosophers still like to feel that they have a special subject matter well insulated from anything that the social scientists and scientists in general have to tell them That is not healthy for philosophy and it is all too likely to lead to an ethics that continues as of old to plead for its ultimates the fact that one is totally ineffectual being decently concealed by an impressive terminology Stevenson 1963 pp 114-5 Many so called moral theories do not even attempt to explain or justify common morality but are used to generate guides to conduct intended to replace common morality These proposed moral guides those generated by all of the standard consequentialist contractarian and deontological theories are far simpler than the common moral system and sometimes yield totally unacceptable answers to moral problems Since these philosophers who put forward these theories have usually dismissed common morality as confused they are completely unaware of the complexity involved in making moral decisions and judgments It is not surprising that many who take morality seriously and try to apply it to real problems faced by actual people are so critical of moral theory Bernard Gert 1998 p 6 As both Stevenson and Gert note ethics requires social and other sciences for by its very nature ethics is a practical enterprise **The Right Thing to Do** James Rachels, 1989 Anthology of readings in moral philosophy **Fifty Readings in Philosophy** Donald C. Abel, 2003 This is a collection of classic and contemporary primary sources in philosophy The readings cover all the main topics of Western Philosophy and each one is carefully edited to be long enough to present an argument Back cover *The Elements of Moral Philosophy* James Rachels, 1999 Firmly established as the standard text for undergraduate courses in ethics this concise lively book combines clear explanations of the main theories of ethics with discussions of interesting examples Topics covered

include famine relief euthanasia homosexuality and the treatment of animals The text s versatility allows it to be widely used not only in ethical theory courses but also in applied ethics courses of all kinds **The Journal of Philosophy** ,1988

Right Thing To Do Basic Readings In Moral Philosophy Introduction

In today's digital age, the availability of Right Thing To Do Basic Readings In Moral Philosophy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Right Thing To Do Basic Readings In Moral Philosophy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Right Thing To Do Basic Readings In Moral Philosophy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Right Thing To Do Basic Readings In Moral Philosophy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Right Thing To Do Basic Readings In Moral Philosophy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Right Thing To Do Basic Readings In Moral Philosophy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Right Thing To Do Basic Readings In Moral Philosophy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both

public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Right Thing To Do Basic Readings In Moral Philosophy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
