Right To Exist A Moral Defense Of Israels Wars:

Right to Exist Yaacov Lozowick, 2013-02-20 In July 2000 Palestinian leader Yasser Arafat refused to negotiate a peace offer made by Israeli Prime Minister Ehud Barak at Camp David At the end of September the Palestinians then launched their second intifada an outbreak of terrorism in the heart of Israel's cities that continues to this day The unprecedented violence drove Barak from office and brought to power the feared hard liner Ariel Sharon In **RIGHT TO EXIST** Yaacov Lozowick an Israeli historian describes his evolution from a liberal peace activist into a reluctant supporter of Sharon In making sense of his own political journey Lozowick rewrites the whole history of Israel delving into the roots of the Zionist enterprise and tracing the long struggle to establish and defend the Jewish state in the face of implacable Arab resistance and widespread international hostility Lozowick examines each of Israel's wars from the perspective of classical just war theory from the fight for independence to the present day Subjecting the country's founders and their descendants to unsparing scrutiny he concludes that Israel is neither the pristine socialist utopia its founders envisioned nor the racist colonial enterprise portrayed by its enemies Refuting dozens of pernicious myths about the conflict such as the charge that Israel stole the land from its rightful owners or that Arabs and Jews are locked in a cycle of violence for which both bear equal blame **RIGHT TO EXIST** is an impassioned moral history of extraordinary resonance and power *Israel im Konflikt* Margret Johannsen, 2006

Modern Just War Theory Michael P. Farrell, 2013-06-20 Contributions to Illuminations A Scarecrow Press Series of Guides to Research in Religion provide students and scholars lay readers and clergy with a road map to research in key areas of religious study All commonly constructed with introductions to the topic and reviews of key thinkers concepts and events each volume includes surveys of the primary and secondary sources with critical evaluations of their places in the canon of thought and research on the topic Focusing primarily on the knowledge required by today's students and scholars each guide is a must have for any student of religion The twentieth century saw an explosion of wars and an accompanying explosion of literature on the morality of war Thinking among Christian clerics and scholars on the idea of just war shifted with developments on the battlefield Alternatives to just war theory such as pacifism and realism found new proponents in the published work of the neo Anabaptists and Niebhurians Meanwhile proponents of Christian just war theory had to address challenges from competing ideologies as well as those presented by the changing nature of warfare **Modern Just War Theory A Guide to Research** by scholar and librarian Michael Farrell serves as a manual for students and scholars studying Christian just war theory helping them navigate the wealth of just war literature produced in the twentieth and twenty first centuries Farrell's guide provides an introduction to the major developments of just war theory in the twentieth century including sections on how to research just war theory an overview of some of the most important theorists and developments of the twentieth century and discussions of key search terms and related topics Farrell then surveys and evaluates key primary and secondary sources for researchers on just war theory as well as related sources on Christian realism and the

responses of just war theorists to proponents of pacifism and secular just war theories Modern Just War Theory will appeal to students and scholars of theology military history international law and Christian ethics

Intellectual Resistance and the Struggle for Palestine M. Abraham, 2014-08-07 By positioning the late Edward Said's political interventions as a public intellectual on behalf of Palestinian populations living under Israeli occupation as a form of intellectual resistance Abraham moves to consider forms of physical resistance seeking to better understand the motivations of those who choose to turn their bodies into weapons

Konservatismus, Judaismus, Zionismus Christian Bala, 2006 Der eskalierende Nahost Konflikt und die Außenpolitik der Regierung von George W Bush haben die jüdischen Konservativen in das öffentliche Interesse gerückt Die Studie hat das Ziel die Entstehung und Entwicklung des vielgestaltigen jüdischen Konservatismus und seiner Strategien zu erklären Dabei bricht der Autor mit der vorherrschenden Tendenz die innerjüdischen Auseinandersetzungen auf den Nahost Konflikt Israel und den Neokonservatismus zu reduzieren Die vorliegende Arbeit bietet erstmals auf der Basis der Erkenntnisse der Diaspora Studies eine neue mehrdimensionale Perspektive Sie gibt einen fundierten umfassenden und auf einer breiten Quellenbasis beruhenden Einblick in die gegenwärtigen Kontroversen in der jüdischen Gemeinschaft der USA Den Schwerpunkt bildet die Analyse der konservativen Politik anhand von sieben Konfliktfeldern das Feindbild Liberalismus der Kulturkrieg in den USA die Rolle der Religion für den Erhalt der jüdischen Identität in der Diaspora die Bedrohung durch Antisemitismus und Totalitarismus der nahostliche Friedensprozess die amerikanisch israelischen Beziehungen und das Bündnis mit der religiösen Rechten

Postzionismus und Nahostkonflikt Patrick Fels, 2007

Israel's Wars of Attrition Avi Kober, 2009-09-11 This book analyzes the way Israel has coped with nine wars of attrition from the 1950s to the recent Second Lebanon War 2006 questioning the belief that Western democracy cannot sustain prolonged wars of attrition Challenging Israel with attrition has been compatible with the Arab way of war which emphasizes staying power and with the belief that democracies cannot tolerate wars of attrition either economically or psychologically Israel for its part developed a self image of incapacity to sustain prolonged wars committing itself to a traditional offensive approach to blitzkrieg whenever possible The book offers an account of nine wars of attrition that Israel was involved in over almost 60 years from Palestinian infiltration and fedayeen activities against Israel in the early 1950s through to the Second Lebanon War in 2006 The author uses these cases to challenge the myth that Israel cannot afford to become involved in a draining war of attrition Focusing on central aspects typical of Western democracies engaged in wars of attrition operational effectiveness the societal staying power the economic burden of the war moral dilemmas and conflict management problems the book challenges the myth that Israel cannot afford to become involved in a draining war of attrition while at the same time highlighting the fact that in its wars of attrition Israel has not always succeeded in avoiding undesired escalation This book will be of much interest to students of strategic studies Israeli history Middle Eastern politics and security studies in general Avi Kober is a member of the Department of Political Studies at Bar Ilan University Israel and is a Senior Research

associate with the BESA Center for Strategic Studies **The International Criminal Court and the Crime of Aggression** ,2009 Index to Jewish Periodicals ,2004 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests **Israeli and Palestinian Narratives of Conflict** Robert I. Rotberg,2006 A candid look at the nature and origins of the bitter volatile Middle East conflict **Debates on the Holocaust** Tom Lawson,2010 Debates on the Holocaust is the first attempt to survey the development of Holocaust historiography for a generation It analyses the development of history writing on the destruction of the European Jews from just before the end of the Second World War to the present day and argues forcefully that history writing is as much about the present as it is the past The book guides the reader through the major debates in Holocaust historiography and shows how all of these controversies are as much products of their own time as they are attempts to uncover the past Debates on the Holocaust will appeal to sixth form and undergraduate students and their teachers Holocaust historians and anyone interested in either the destruction of the European Jews or in the process by which we access and understand the past **Congressional Record** United States. Congress,2009 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Israel Studies Forum** ,2003 **Library Journal** ,2003 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately *Moral Issues in Military Decision Making* Anthony E. Hartle,2004 Much has changed in warfare in recent years with America now dominant on the international scene and terrorism the new enemy In light of these changes the need for moral grounding in military actions is a more pressing concern than ever When it was originally published *Moral Issues in Military Decision Making* reflected the concerns posed by nuclear stalemate and the lessons of Vietnam In that highly praised work Anthony Hartle outlined the essential elements of the Professional Military Ethic created for American military forces In this new edition he reexamines the moral foundations for America s military leadership in the post 9 11 era Considering world affairs since the first edition the Gulf War Bosnia Afghanistan Iraq 9 11 and the emergence of the United States as an unrivaled military power Hartle explains how these events have raised ethical issues that differ dramatically from those of the Cold War by the war on terrorism homeland defense asymmetric warfare the proliferation of American military interventions and the UN s role in peacekeeping operations Using meticulously analyzed case studies twice as many as in the first edition he considers such moral dilemmas as torture challenging superior officers use of overwhelming force and responding to fire in the presence of civilian shields In this revision Hartle examines further the status of professional military ethics in light of current affairs changes in the articulation of military values and recent research In a new chapter on human rights he relates

moral principles directly to values embedded in the Constitution and argues that overwhelming American military power cannot succeed unless it is accompanied by the moral force of the values it seeks to protect difficulties of applying conventional laws of war and human rights doctrine in military operations Hartle convincingly shows that national security is as much about the preservation of moral principles as it is about the protection of America s citizens and borders His book demonstrates that the American military must continue to observe those principles in order to be effective in its primary mission **Israels Existenzkampf** Yaakov Lozowick,2006 Index Islamicus ,2007 *The Ethics of War and Peace* Douglas P. Lackey,1989 A moral philosopher discusses the rights and wrongs of specific military campaigns from 1914 on including the war in Vietnam the Six Day War the British bombing campaign against Germany the American bombing of Japan the Korean War the Indo Pakastani War of 1971 the 1976 raid on Entebbe and the 1986 attack against Libya
 Choice ,2003 **The New York Times Index** ,2003
