Righteous Gentile The Story Of Raoul Wallenberg Missing Hero Of The Holocaust:

Righteous Gentile John Bierman, 2012-07-05 Swallowed up by the Soviet prison system the fate of Raoul Wallenberg saviour of tens of thousands of Hungarian Jews during the Nazi holocaust remains a mystery Recently KGB files have been opened and many Communist crimes have been fully exposed Yet there is still no evidence apart from a handwritten note of doubtful authenticity to support the Kremlin s claim that in 1947 Wallenberg then thirty five years old died of a heart attack in prison On the other hand there is abundant evidence none of it conclusive but much of it highly persuasive that Wallenberg remained alive in captivity long after 1947 broken in body and spirit somewhere in the vastness of the former Soviet Union **Righteous Gentile** is the first book to tell the full story of Raoul Wallenberg s shining wartime exploits and shameful post war incarceration

Ordinary People and Extraordinary Evil Fred Emil Katz, 2010-03-31 What is it in the behavioral makeup of ordinary people operating in the course of ordinary daily living that lends itself to participating in horrendous activities and doing so at times with zeal at times with joy at times without duress Katz demonstrates that we do not need any special behavioral equipment for doing evil The very same behaviors can take us in both directions for either living humanely and decently or for doing evil This book demonstrates how some of these processes work and sensitizes us to the potential for evil in our ongoing daily activities This knowledge about ordinary behavior can empower us to take charge of our own direction and help us turn away from beguiling of evil when they come our way

The Envoy Alex Kershaw, 2010-10-26 Based on recently released archives and extensive interviews with eyewitnesses and survivors The Envoy is the inspiring and unforgettable story of a lost hero his greatest adversary and the men and women who were saved by his courage and sacrifice December 1944 Soviet and German troops fight from house to house in the shattered corpse

strewn suburbs of Budapest Crazy Hungarian fascists join with die hard Nazis to slaughter Jews day and night turning the Danube blood red In less than six months thirty eight year old SS Colonel Adolf Eichmann has sent over half a million Hungarians to the gas chambers in Auschwitz Now all that prevents him from liquidating Europe's last Jewish ghetto is an unarmed Swedish diplomatic envoy named Raoul Wallenberg The Envoy is the stirring tale of how one man made the greatest difference in the face of untold evil The legendary Oscar Schindler saved hundreds but Raoul Wallenberg did what no other individual or nation managed to do He saved more than 100 000 Jewish men women and children from extermination Written with Alex Kershaw's customary narrative verve The Envoy is a fast paced nonfiction thriller that brings to life one of the darkest and yet most inspiring chapters of twentieth century history It is an epic for the ages Nazi History and the Holocaust, 1999 Fleeing from the Fuhrer Charmian Brinson, William Kaczynski, 2015-01-05 The exodus of men women and children fleeing from the Nazi regime was one of the largest diasporas the world has ever seen It sparked an international refugee crisis that changed society and continues to shape our culture and community today The years between 1933 and 1945 the Nazi era in Germany and the war years 1939 to 1945 were a time of destruction upheaval and misery throughout Europe and beyond Displacement and death whether in war or civilian life became everyday experiences for young and old alike Families were torn apart by enforced emigration or deportation Parents were separated from their children husbands from wives brothers from sisters Interned in camps that spread across the globe from Shanghai to the United States of America to the Isle of Man they became strangers in a foreign land and often the only link they had to their former lives were letters exchanged with friends and family These scarce postal communications therefore assumed huge significance in the lives of both sender and receiver one that is hard to imagine today in the age of instant communication Fleeing from the Fuhrer is an unusual collection of correspondence that shows the incredible nature of this worldwide emigration and the indomitable spirit of these refugees Each postcard envelope and item of ephemera tells its own unique story and is reproduced in full colour making this a fascinating resource for anyone wanting to understand this poignant part of our international history Bibliographisches Handbuch der ethnischen Gruppen Südosteuropas Gerhard Seewann, 1997 *Judenverfolgung im "Dritten Reich"* Freie Universität Berlin.
