## **Righteous Pact:**

**Friendship East and West** Oliver Leaman, 1995 There has been renewed interest in the concept of friendship in contemporary philosophy Many of the existing treatments of the topic have been limited to Western notions of friendship yet there is a far wider perspective available to us through an examination of a more extended cultural examination of the topic Cultures other than those in Christian Europe have had important and interesting observations to make on the nature of friendship and in this collection there is treatment not only of Greek and Christian ideas of friendship but also of Islamic Jewish Chinese Japanese and Indian perspectives A rich and extended view of the concept of friendship results from these various examinations

Divine Judgement and Divine Benevolence in the Book of Wisdom Moyna McGlynn, 2001 Scholarly interest in the apocryphal Book of Wisdom has grown over the last fifty years In addition to the main commentaries several literary studies have been produced on sections of the text giving new and richer insights Moyna McGlynn examines the interwoven themes of divine judgement and divine benevolence as they are presented in the text of Wisdom The full extent and interplay between these themes is only revealed by a literary reading of the whole text This reading examines the poetic techniques structures vocabulary verbal repetitions and the questions the author has employed to provide a framework for a theology of justice and mercy Further study of these themes leads to reflections upon God as creator and humans as creatures the kindness of God in the gift of divine wisdom and the formation and protection of Israel as the paradigm community with responsibility for teaching and demonstrating the knowledge of God to the world These twin themes then provide us with an integrated and coherent reading of the text of Wisdom and offer a new insight into the role of Israel and Jewish self awareness just prior to the formation of rabbinic Judaism and Christianity The Book of Wisdom falls naturally into four major sub divisions with a fifth central section providing the theodicy which underpins the action and reflection of the other four Moyna McGlynn has retained this five fold division for her analysis A brief Appendix at the close of the book outlines Wisdom s history and reception in the Jewish and Christian communities

**The Kushnameh** Iranshah, 2022-07-19 The first English translation of a strange and unusual Persian epic this action packed tale of an evil monstrous king explores questions of nature and nurture and brings the global middle ages to life The great Persian epic known as the Kushnameh follows the entangled lives of Kush the Tusks a monstrous antihero with tusks and ears like an elephant descended from the evil emperor Zahhak and Abtin the exiled grandson of the last true Persian emperor Abandoned at birth in the forests of China and raised by Abtin Kush grows into a powerful and devious warrior Kush and his foes scheme and wage war across a global stage reaching from Spain and Africa to China and Korea Between epic battles and magnificent feasts are disturbing sometimes realistic portrayals of abuse and oppression and philosophical speculation about nature and nurture and the origins of civilization A fantastical adventure story stretching across the known world and a literary classic of unparalleled richness this important work of medieval Persian literature is a valuable source for understanding the history of racism and

constructions of race and the flows of lore and legend from the Central Asian Silk Road and the Sahara to the sea routes of the Indian Ocean and the Mediterranean The Kushnameh is a treasure trove of Islamic and pre Islamic Persian cultural history and a striking contemporary document of the global middle ages now available to English speaking readers for the first time **The Saracen's Mark** S.
