**Leaving Christian Fundamentalism and the Reconstruction of Identity** Josie McSkimming, 2016-10-04 There is an increasing interest in the influence of religious fundamentalism upon people's motivation identity and decision making Leaving Christian Fundamentalism and the Reconstruction of Identity details the stories of those who have left Christian fundamentalist churches and how they change after they have left It considers how the previous fundamentalist identity is shaped by aspects of church teaching and discipline that are less authoritarian and coercive and more subtle and widely spread throughout the church body That is individuals are understood as not only subject to a form of judgment but also exercise it with everyone seemingly complicit in maintaining the stability of the church organisation This book provocatively illustrates that the reasons for leaving an evangelical Christian church may be less about what happens outside the church in terms of the lures and attractions of the secular world and more about the experience within the community itself

**A Memoir of a Pastoral Counseling Practice** Robert L. Menz, 1997 In this collection of humorous and inspirational vignettes and poetry Robert L Menz reframes life's situations from a holistic and inclusive perspective A Memoir of a Pastoral Counseling Practice consolidates the dynamics of theological consistency psychological insight wellness and wholeness issues along with relevant humor This synthesis results in viewing and understanding life experiences from a unique perspective You'll see how reframing is used to turn an inoperable Jacuzzi into a Therapeutic Pool You'll learn how to shift your paradigm And you'll read about some nice naughty words As a pastor and counselor Menz seeks to assist in making life meaningful and fulfilling to others and himself A Memoir of a Pastoral Counseling Practice takes us back to his service in Vietnam and his decision to join the ministry and brings us up to his recent travels with his wife Along the way we learn what he thinks about nice people anger snakes memory and stress during the holidays He offers us such nuggets as Sometimes one day at a time is 738 of a day too much I think that some come and go and have not been I think that you and I are words spoken by God in our own time An enjoyable and useful read for pastoral counselors chaplains and other clergy professionals as well as psychologists social workers professional counselors employee assistance professionals and educators A Memoir of a Pastoral Counseling Practice is perhaps most needed by the general reader who is searching for something meaningful in life Menz explains In a world of fast food and quick fixes shallow explanations for living and understanding have been offered socially psychologically relationally emotionally and spiritually This book attempts to flesh out simple solutions with limited yet mature and consistent thinking Even though the

book is filled with meaningful humor the intent of this work is to provide a critical and serious approach to life's complexities Any accomplishment of this task I believe is strengthening to our local communities as well as to the community of God

**Spiritual Direction & The Gay Person** James Empereur, 1998-01-01 Intended for counsellors and spiritual directors this text aims to assist gay men and lesbian women in relationships prayer liturgy and in the problems produced by their commitment to or rejection of institutional religion *Saving Jesus from Those Who Are Right* Carter Heyward, In this theological resource for spiritual transformation and social change Carter Heyward rethinks the figure Jesus and his import for church academy and society Rather than focus on the endlessly variable pictures of Jesus in contemporary biblical scholarship and in radical opposition to the Jesus of the Christian Right Heyward presents Jesus as our brother infused with a sacred power and passion for embodying right mutual relation and ourselves with him in this commitment She goes on to explore concretely how we might live this way Review of Religious Research, 1997 **Lesbian, Gay, Bisexual and Transgender Christians** Bronwyn Fielder, Douglas Ezzy, 2017-12-14 Lesbian Gay Bisexual and Transgender Christians details the processes through which LGBT Christians resolve the fraught tensions between their religious sexual and gendered identities and examines the associated changes to their religious practice in the pursuit of authenticity The book moves between richly described first person accounts and clear theoretical analysis contextualising the discussion within contemporary theories of religion and same sex attraction Through careful qualitative research with LGBT Christians in the Australian Metropolitan Community Church MCC and the Uniting Church Bronwyn Fielder and Douglas Ezzy show that although painful self questioning and struggle is experienced by some LGBT Christians many people ultimately find a resolution and a sense of peace with their sexual identity as LGBT Christians The pursuit of authenticity is shown to be driven by participants' essentialist understanding of sexuality and gender and the centrality of religiosity to their sense of self Offering insight into how participants transform their relationships emotions beliefs and ritual practices in order to make this authentic life possible this study is an important contribution to the field of religion and sexuality **Is Religion Good for Your Health?** Harold George Koenig, 1997 In examining the question of religion's impact on health *Is Religion Good for Your Health* examines the opinions and clinical experiences of health professionals patient reports of those faced with painful and often life threatening illnesses and the findings of research that has objectively examined the relationships between religion and mental health and religion and physical health You'll learn to distinguish between neurotic or pathological uses of religion and healthier forms of religious belief and practice why religion might affect health and psychological social and physiological pathways by which these effects may be conveyed Finally physicians counselors clergy medical researchers and laypersons learn the implications of this research for them Conscience, 1995 Ungodly Fear Stephen Parsons, 2000 In this disturbing and compelling new book Stephen Parsons uses real life stories to highlight the dangers that exist in the modern Church and sounds the alarm for any church or individual who may be susceptible to perpetrating or falling victim to

abusive practices or behavior These harrowing stories include a vulnerable couple persuaded to part with their life savings for a church a woman raped by her minister who then had to face denial and rejection a woman demonized for resisting a church's obsession with demons a homosexual whose integrity as an individual was attacked and a woman damaged by inappropriate healing Parsons ends his bold analysis by affirming the potential for abuse free Christianity and healthy church life
