Rigoberta Menchu And The Story Of All Poor Guatemalans:

Rigoberta Menchu and the Story of All Poor Guatemalans David Stoll, 2008 Rigoberta Mench is a living legend a young woman who said that her odyssey from a Mayan Indian village to revolutionary exile was the story of all poor Guatemalans By turning herself into an everywoman she became a powerful symbol for 500 years of indigenous resistance to colonialism Her testimony I Rigoberta Mench denounced atrocities by the Guatemalan army and propelled her to the 1992 Nobel Peace Prize But her story was not the eyewitness account that she claimed In this hotly debated book key points of which have been corroborated by the New York Times David Stoll compares a cult text with local testimony from Rigoberta Mench s hometown His reconstruction of her story goes to the heart of debates over political correctness and identity politics and provides a dramatic illustration of the rebirth of the sacred in the postmodern academy This expanded edition includes a new foreword from Elizabeth Burgos the editor of I Rigoberta Mench as well as a new afterword from Stoll who discusses

Rigoberta Mench s recent bid for the Guatemalan presidency and addresses the many controversies and debates that have arisen since the book was first published **Rigoberta Menchu And The Story Of All Poor Guatemalans** David Stoll, 2018-05-04 Rigoberta Mench is a living legend a young woman who said that her odyssey from a Mayan Indian village to revolutionary exile was the story of all poor Guatemalans By turning herself into an everywoman she became a powerful symbol for 500 years of indigenous resistance to colonialism Her testimony I Rigoberta Mench denounced atrocities by the Guatemalan army and propelled her to the 1992 Nobel Peace Prize But her story was not the eyewitness account that she claimed In this hotly debated book key points of which have been corroborated by the New York Times David Stoll compares a cult text with local testimony from Rigoberta Mench s hometown His reconstruction of her story goes to the heart of debates over political correctness and identity politics and provides a dramatic illustration of the rebirth of the sacred in the postmodern academy This expanded edition includes a new foreword from Elizabeth Burgos the editor of I Rigoberta Mench as well as a new afterword from Stoll who discusses Rigoberta Mench s recent bid for the Guatemalan presidency and addresses the many controversies and debates that have arisen since the book was first published *Rigoberta Menchu and the Story of All Poor Guatemalans* David Stoll, 2019-08-30 Rigoberta Menchu is a living legend a young woman who said that

her odyssey from a Mayan Indian village to revolutionary exile was the story of all poor Guatemalans By turning herself into an everywoman she became a powerful symbol for 500 years of indigenous resistance to colonialism Her testimony I Rigoberta Menchu denounced Intellectual Morons Daniel J. Flynn, 2004-09-21 Why do well educated antiwar activists call the president of the United States the new Hitler and argue that the U S government orchestrated the September 11 attacks Why does Al Gore believe that cars pose a mortal threat to the security of every nation Why does the Princeton professor known as the father of the animal rights movement object to humans eating animals but not to humans having sex with them and why does PETA defend that position In other words why do smart people fall for stupid ideas The answer Daniel J Flynn

reveals in *Intellectual Morons* is ideology Flynn the author of *Why the Left Hates America* shows how people can be so blinded to reality by the causes they serve that they espouse bizarre sometimes ridiculous and often dangerous positions The most influential social movements have spawned ideologues who do not care whether an idea is good or bad true or false but only whether it can serve their cause It is startling how many Americans and particularly how many media academic and political elites fall for bad ideas The trouble is their lies become institutionalized as truth and we all suffer as a result In *Intellectual Morons* Flynn reveals How rabid anti Americans simply parrot the delusional claims of a few gurus How the environmental movement spawned by a scientist whose doomsday predictions are almost always wrong has bred fanaticism stupidity and dishonesty How the hero of the animal rights crowd is a crank who promotes infanticide and euthanasia How a scientific fraud and pervert launched the sexual revolution How abortion rights activists ignore or cover up the fact that their matron saint advocated eugenics and concentration camps How our universities have become hothouses of leftist ideology How historians and journalists have airbrushed history to turn a racial separatist into a civil rights icon Filled with jaw dropping lapses in common sense from even our most celebrated opinion leaders *Intellectual Morons* is a welcome reality check for the glaring excesses of today's political and cultural debates This is a sophisticated pile driver of a book guiding us through the wiles of great luminaries of the netherworld And such liveliness in the writing and such erudition I was quite fascinated by *Intellectual Morons* William F Buckley Jr *Intellectual Morons* is exceptionally aptly named The thought of all that brainpower going down the intellectual drain is sad but Daniel Flynn's description of it is hilariously on point This is must reading G Gordon Liddy *Intellectual Morons* is a delight a wonderful intellectual history of the past hundred years Flynn ably describes the purveyors of the bad ideas that have undermined our free society Burton W Folsom Jr professor of history Hillsdale College A famous bit of folk wisdom says You've got to stand for something or you'll fall for anything Some of the crackpot notions now fashionable in academic circles as here documented by Daniel Flynn suggest that saying is an understatement If you want to know how crazy and scary intellectual morons can get you have to read this book M Stanton Evans author of *The Theme Is Freedom* contributing editor to *Human Events* *If Truth be Told* Jan Rus, Carol A. Smith, 1999 *The Rigoberta Menchú Controversy* Arturo Arias, David Stoll, 2001 Guatemalan indigenous rights activist Rigoberta Menchu first came to international prominence following the 1983 publication of her memoir *I Rigoberta Menchu* which chronicled in compelling detail the violence and misery that she and her people suffered during her country's brutal civil war The book focused world attention on Guatemala and led to her being awarded the Nobel Peace Prize in 1992 In 1999 a book by David Stoll challenged the veracity of key details in Menchu's account generating a storm of controversy Journalists and scholars squared off regarding whether Menchu had lied about her past and if so what that would mean about the larger truths revealed in her book In *The Rigoberta Menchu Controversy* Arturo Arias has assembled a casebook that offers a balanced perspective on the debate The first section of this volume collects the primary documents newspaper

articles interviews and official statements in which the debate raged many translated into English for the first time In the second section a distinguished group of international scholars assesses the political historical and cultural contexts of the debate and considers its implications for such issues as the culture wars historical truth and the politics of memory Also included is a new essay by David Stoll in which he responds to his critics **The Rough Guide to Guatemala** ,2012-09-03 The new full colour Rough Guide to Guatemala is the definitive guide to this fascinating Central American country Fully updated detailed accounts of every attraction along with clear colour maps will show you everything Guatemala has to offer from ancient Mayan cities to beautiful rainforest scenery and stunning lakes The Rough Guide is packed full of insider tips about off the beaten track destinations hiking trails surf spots kayak and rafting trips and jungle walks plus all the best hotels caf s restaurants and bars for every budget Whether you re taking in the grand Mayan site of Tikal the graceful colonial architecture of Antigua a traditional market or an adventurous jungle trek The Rough Guide to Guatemala will help you make the most of your holiday Make the most of your time with The Rough Guide to Guatemala Now available in PDF format

language versus Spanish the growing role of Protestantism and the revitalization of Maya religion versus Catholicism and the effects of violent civil war on social networks It examines the role of weaving and export agriculture in linking Tecpanecos to larger economic and political orbits and for defining local regional and national identities As a result this accessibly written book demonstrates that even seemingly traditional Maya cultural forms are actively constructed in the context of intense global connections
