Sport and the Spirit of Play in American Fiction Christian K. Messenger, 1983-05-31 In this comprehensive and insightful study Christian K Messenger contends that American writers have always created characters at play in the sure knowledge that to be active in sport in America is to be in touch with its people their traditions and their fantasy lives This is the first inclusive critical study of sport in American fiction with chapters on individual authors such as Hawthorne Lardner Fitzgerald Hemingway and Faulkner as well as studies of sport in the literature of the frontier and in boys formula fiction A work of literary criticism *Sport and the Spirit of Play in American Fiction* also draws on the cultural history of American sport and leisure and on a century of American literature *The Reader's Adviser* Sarah L. Prakken, 1974 **A Question of Quality** Louis Filler, 1976 The subjects treated in this symposium have one major characteristic in common that they have recently or relatively recently enjoyed high popularity among readers Also they have received from substantial to torrents of comment **Supplement, 1959-1963** Dorothy E Cook, 1965-12 An index to 11 561 stories in 805 collections The fifth supplement has an author title and subject index Part 2 lists collections and part 3 is a directory of publishers and distributors **Encyclopedia of American Humorists** Steven H. Gale, 2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature **The American Dream and the National Game** Leverett T. Smith (Jr.), 2004 This engaging study examines sports as both a symbol of American culture and a formative force that shapes American values Leverett T Smith Jr uses high culture in the form of literature and criticism to analyze the popular culture of baseball and professional football He explores the history of baseball through three important events the fixing of the 1919 World Series the appointment of Judge Landis as commissioner of baseball with dictatorial powers and the emergence of Babe Ruth as the new kind of ball player He also looks at literary works dealing with leisure and sports including those of Thoreau Twain Frost Lardner and Hemingway Finally he documents the emergence of professional football as the national game through the history and writings of former Green Bay Packers coach Vince Lombardi who emerges as

both a critic of the business oriented society and a canny businessman and manager of men himself First paperback edition

American Political Humor Jody C. Baumgartner, 2019-10-07 This two volume set surveys the profound impact of political humor and satire on American culture and politics over the years paying special attention to the explosion of political humor in today's wide ranging and turbulent media environment Historically there has been a tendency to regard political satire and humor as a sideshow to the wider world of American politics entertaining and sometimes insightful but ultimately only of modest interest to students and others surveying the trajectory of American politics and culture This set documents just how mistaken that assumption is By examining political humor and satire throughout US history these volumes not only illustrate how expressions of political satire and humor reflect changes in American attitudes about presidents parties and issues but also how satirists comedians cartoonists and filmmakers have helped to shape popular attitudes about landmark historical events major American institutions and movements and the nation's political leaders and cultural giants Finally this work examines how today's brand of political humor may be more influential than ever before in shaping American attitudes about the nation in which we live **THE GREAT GATSBY** F. SCOTT FITZGERALD, 1925

Encyclopedia of American Journalism Stephen L. Vaughn, 2007-12-11 The Encyclopedia of American Journalism explores the distinctions found in print media radio television and the internet This work seeks to document the role of these different forms of journalism in the formation of America's understanding and reaction to political campaigns war peace protest slavery consumer rights civil rights immigration unionism feminism environmentalism globalization and more This work also explores the intersections between journalism and other phenomena in American Society such as law crime business and consumption The evolution of journalism's ethical standards is discussed as well as the important libel and defamation trials that have influenced journalistic practice its legal protection and legal responsibilities Topics covered include Associations and Organizations Historical Overview and Practice Individuals Journalism in American History Laws Acts and Legislation Print Broadcast Newsgroups and Corporations Technologies **Twentieth Century Short Stories** Sylvia Chatfield Bates, 1933 Brief biographical sketches of the authors included Ring Lardner Donald B. Elder, 1972 *Ring Lardner ; a Biography* Donald Elder, 1964 *Short Story Index*, 1953 Quinquennial supplements 1950 1954 1979 1983 compiled by Estelle A. Fidell and others published 1956 1984 Punchlines William Keough, 1990

Embracing the Track of Phrase: An Psychological Symphony within **Ring Lardner Reader**

In some sort of used by displays and the ceaseless chatter of quick communication, the melodic splendor and psychological symphony developed by the prepared word frequently disappear into the back ground, eclipsed by the constant noise and disturbances that permeate our lives. But, set within the pages of **Ring Lardner Reader** a charming literary treasure overflowing with fresh feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, this charming masterpiece conducts visitors on a mental trip, well unraveling the hidden tunes and profound influence resonating within each carefully crafted phrase. Within the depths of the poignant analysis, we shall examine the book is central harmonies, analyze their enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
