Grantville Gazette Eric Flint,2004-11 A story collection continues the saga that began in 1632 and 1633 describing life for the inhabitants of Grantville an American town from West Virginia that finds itself hurtled back in time and into the middle of the Thirty Years War as they struggle to bring their advanced technology to the seventeenth century

Includes a section of articles exploring different scientific questions and conundrums raised by the Eric Flint series [The Secret Martians and Other Stories](#) Jack Sharkey,2016-01-11 MASTER SPY OF THE RED PLANET Jerry Delvin had a most unusual talent He could detect the flaws in any scheme almost on sight even where they had eluded the best brains in the ad agency where he worked So when the Chief of World Security told him that he had been selected as the answer to the Solar System s greatest mystery Jerry assumed that it was because of his mental agility But when he got to Mars to find out why fifteen boys had vanished from a spaceship in mid space he found out that even his quick mind needed time to pierce the

maze of out of this world double dealing For Jerry had become a walking bomb and when he set himself off it would be the end of the whole puzzle of THE SECRET MARTIANS with Jerry as the first to go Jack Sharkey decided to be a writer nineteen years ago in the Fourth Grade when he realized all at once that someone wrote all those stories in the textbooks While everyone else looked forward variously to becoming firemen cowboys and trapeze artists Jack was devouring every book he could get his hands on figuring that if I put enough literature into my head some of it might overflow and come out After sixteen years of education Jack found himself teaching high school English in Chicago a worthwhile career but not what one would call zesty After a two year Army hitch and a year in advertising sublimating my urge to write things for cash Jack moved to New York determined to make a career of full time fiction writing Oddly enough it worked out and he now does nothing else He says I d like to say I do this for fulfillment or for cash or because it s my destiny however the real reason same as that expressed by Jean Kerr is that this kind of stay at home self employment lets me sleep late in the morning

Tales in Colour and Other Stories Kunzang Choden, 2012-06-25 These deceptively simple stories uncover both the complexity and irony of women s lives in Bhutan today They show how ordinary lives choices and experiences are both remarkable and poignant In I am a Small Person a despised woman uses her femininity as a means to control a man the young girl in I Won t ask Mother suddenly feels empowered and confident when she makes a decision without consulting her mother All the stories take place in rural settings to which creeping urbanisation brings gradual change and tensions surface between the new and the old or the traditional and the modern For many rural women being able to connect to the city and all its perceived power and glamour is a very real aspiration This yearning is exemplified in Look at her Belly Button where a young woman effortlessly slips out of the role of a farmer to become a real Bhutanese urbanite Published by Zubaan

The Unharnessed World Cindy Gabrielle, 2015-06-18 Though New Zealand author Janet Frame 1924 2004 lived at a time of growing dissatisfaction with European cultural models and though her auto biography fiction and letters all testify to the fact that a direct encounter between herself and Buddhism

occurred her work has so far never been examined from the vantage point of its indebtedness to Buddhism It is of the utmost significance however that a Buddhist navigation of Frame s texts should shed fresh light on large segments of the Framean corpus which have tended to remain obdurately mysterious This includes passages centering on such themes as the existence of a non dual world or a character s sudden embrace of a non ego like self Of equal significance is the conclusion one then draws that this unharnessed world which human beings are often unable to embrace has always been right under their nose for whenever the aspect of the intellect that filters perceptions into mutually excluding categories fails to function he or she finds a place of subjective arrival in and sees this supposedly unknowable beyond Thus possibly against the grain of mainstream criticism this study argues that Janet Frame constantly seeks ways through which the infinite and the Other can be approached though not corrupted by the perceiving self and that she found in the Buddhist epistemology a pathway towards evoking such alterity *The Crucifix of Baden, and Other Stories, Original, Translated, and Selected* ,1896

Bluebeard's keys; and other stories Anne Thackeray Ritchie,1890 *The Skyscraper & Other Stories* Yogeśa Gupta,1981

The Three Bumpers and Other Stories of the War C. W. Ecob,1887 **The Song of Hyacinth, and Other Stories** John Oxenham,1908 *The Laws of Nature and Other Stories* Antonio A. Oposa,2003 *The Works of Miss Thackeray:*

Bluebeard's keys, and other stories Anne Thackeray Ritchie,1876 *Poor Love & Other Stories* Labriola, Anthony,2015-03

These stories in all their narrative voicings deal with sorrow and still seek to find life s joys Despite conflicts contradictions sacrifices surprises and ironies the haunted and hunted characters try to comprehend death in detail In so doing the human spirit rises up and triumphs against the incomprehensible and bewildering aspects of life love and death **Cousin Betty.**
