Rings Of Tantalus Expendables :

THE EXPENDABLES: THE RINGS OF TANTALUS RICHARD AVERY,1975 **The Expendables: The Rings of Tantalus** Edmund Cooper,2011-09-29 First they went to Kratos and faced the Deathworms Then they went on to Tantalus and tried to fathom the Rings which could only have been fabricated with the help of highly sophisticated machinery And then they discover an alien spaceship orbiting the planet in strict silence and incommunicability When they finally boarded the vessel it was obvious that it had been derelict for centuries as a result of some dreadful battle Meanwhile down below the enigmatic Rings lay waiting to deal with intruders as they did the deadly vampire tree Once again Commander James Conrad and his team of Expendables faced their mission to find planets suitable for colonization The second of a new series of books The Rings of Tantalus seems guaranteed to further launch Richard Avery as a very special writer of modern science fiction novels And there are more to come The Rings of Tantalus Edmund Cooper,Richard Avery,1975 *The Rings of Tantalus* Edmund Cooper,1977 **Seahorse in the Sky** Edmund Cooper,2011-09-29 At first he thought it was all part of some crazy nightmare But it wasn't Russell Grahame M P was one of a handful of passengers flying from Stockholm to London One moment flying peacefully in the sky the next lying in an unearthly green coffin Grahame was the first to emerge from this strange resting place But for him as well as for the others it had been only the ecliptical experience Soon all were to find themselves lost in a bizarre world of Mediaeval knights Stone Age warriors and gremlins caught unalterably in the weirdest cocoon of Time **The Cloud Walker** Edmund Cooper,2011-09-29 The Civilizations of the First and Second Man have been destroyed by the products of their own technology Now the world is emerging from a new dark age into the dawn of a second Middle Ages Britain is dominated by a Luddite Church and by the doctrine that all machines are evil Into this strange world comes Kieron an artist's apprentice who is inflamed by a forbidden dream to construct a flying machine which will enable man to soar through the air like a bird **Kronk** Edmund Cooper,2012-12-14 The Day Gabriel Chrome a failed book sculptor contemplating suicide on the Thames Embankment stumbled on the suicide bid of the naked Camilla Greylaw was a day of hopeful redemption for a corrupt and violent world For the lovely form that he chanced to preserve was the sole carrier of a contagious venereal disease A bug which could inhibit the aggressive instinct rendering total placidity in all humans At once Gabriel's life has new meaning and purpose To save mankind becomes his hardened ambition But mankind seems far from hope The Tenth Planet Edmund Cooper,2013-07-25 The Dag Hammarskjöld takes off from Woomera Australia for the new human settlement on Mars Planet Earth is being eaten away by uncontrollable pollution starvation and disease Its life expectancy is nil This is the last spaceship its passengers the last people on earth with any hope But it is never to reach its objective Five thousand years later its captain wakes up to a new world undiscovered in his time and to a bitter experience he must fight alone *The Expendables: The Wargames of Zelos* Edmund Cooper,2012-12-14 Zelos seemed an ideal planet for colonization Possessing one large continent and numerous archipelagos it had a climate and vegetation

comfortably like that of Earth Captain James Conrad and his crew of Expendables started on their initial reconnaissance of the planet For the first time they found human beings already in residence But this was a society remote from anything they had ever before experienced For the Emperor of this strange world controlled his domain through the great annual War Games Only the fittest could survive and only they were allowed to procreate Through this death control the population was limited to twenty thousand There was only one way the Expendables could get permission to establish a colony on Zelos Risking their own lives they must compete in the dreaded War Games And somehow they must win
