Ripper And The Royals:

The Ripper and the Royals Melvyn Fairclough, 2002 Who was Jack the Ripper Was he some lone maniac down on whores Or were the Ripper murders as this book shows the joint enterprise of a group of high ranking desperadoes acting to protect the Prince of Wales's heir the Duke of Clarence from blackmail Many hitherto unknown facts are presented in this authoritative book which was first published in 1991 and includes a foreword by Joseph Sickert Melvyn Fairclough skillfully unravels the nexus of intrigue that has threatened the Royal family for three generations [The Complete Jack The Ripper A-Z - The Ultimate Guide to The Ripper Mystery](#) Paul Begg & Martin Fido, 2015-03-05 Hugely respected extensively quoted and widely regarded as the bible of Ripper studies The Complete Jack the Ripper A to Z is the ultimate reference for anyone fascinated by the Jack the Ripper mystery This new rewritten up to date edition includes sources and well over 100 photographs The Complete Jack the Ripper A Z has an entry for almost every person involved in the case from suspects and witnesses to policemen and journalists plus the ordinary people who became caught up in the unfolding drama Written by three of the world's leading authorities on the case it takes a completely objective look at theories old and new describes all the key Ripper books and gives potted biographies of many of the authors Whether you are new to the mystery of Jack the Ripper or an experienced Ripperologist The Complete Jack the Ripper A Z will keep you turning the pages Fascinating and entertaining reading in its own right it is the essential reference to have beside you when you venture into the dark alleys of Victorian Whitechapel [Jack the Ripper: The Terrible Legacy](#) The Whitechapel Society, 2013-07-01 Jack the Ripper was the slayer of at least five female victims in London's East End but his legacy left many more victims in its wake than he could have ever imagined From the Royal Family and the British Government to the London Police and minority groups the list of other victims that were created as a direct result of the Jack the Ripper murders goes on and on Following the success of their first book the authors from The Whitechapel Society have compiled this ultimate force in Ripper research in which each group is looked at in detail The authors are veteran Ripper chroniclers familiar with the highways and byways of the Ripper road map They share the principle that in all the plethora of commentaries about the Whitechapel Murderer there are many categories of victim apart from the five women slain in the streets in the autumn of 1888 [The Ripper Inside Us](#) Rebecca Frost, 2024-04-10 The story of Jack the Ripper has had continual interest since he stalked the streets of Whitechapel during the Autumn of Terror in 1888 During this time the murders of the Canonical Five made headlines all over the world while in the modern day the Ripper story continues to permeate all forms of media on the page screen in podcasts and in fiction We continue to search for something we will likely never and perhaps do not even wish to discover Jack's true name This book looks at the lasting intrigue of Jack the Ripper and how his story and the stories of the Canonical Five victims are brought back to life through modern lenses As psychological approaches and scientific techniques advance the Ripper's narrative evolves opening a more diverse means of storytelling and storytellers How these storytellers attempt to construct a full tale

around the facts including the burning questions of motive and identity says more about us than the Ripper *The Ripper's Victims in Print* Rebecca Frost,2018-01-12 Mary Ann Nichols Annie Chapman Elizabeth Stride Katherine Eddowes and Mary Jane Kelly the five known victims of Jack the Ripper are among the most written about women in history Hundreds of books on the Ripper murders describe their deaths in detail Yet they themselves remain as mysterious as their murderer This first ever study of the victims surveys the Ripper literature to reveal what is known about their lives how society viewed them at the time of their deaths and how attitudes and perceptions of them have or have not changed since the Victorian era

Royal Poxes and Potions Raymond Lamont-Brown,2002 This book looks at the role of the royal doctor from the time of George I to the present day It includes the drama of George II and his madness Sir Frederick Treves who was involved with the Elephant Man Joseph Merrick and Sir William Gull who remains a suspect in the Jack the Ripper case Jack the Ripper: The Suspects The Whitechapel Society,2011-09-05 Jack the Ripper is the ultimate whodunit The Whitechapel Murders of 1888 remain unsolved and hundreds of theories have been suggested as to the killer s identity However many of the suggestions naming the infamous Ripper remain ill informed and quite frankly ludicrous until now The authors of this book are all members of The Whitechapel Society the world s largest organisation for the study of Jack the Ripper Each has spent many years researching a particular suspect and the results of their latest cutting edge investigations are published here for the first time Based on indisputable facts and concrete evidence the cases put forward in this collection allow readers to decide exactly who they believe is the man behind the myth With each chapter discussing a separate suspect in detail this book is the ultimate guide to the most famous criminal investigation in British history **Transactions of the Royal Academy of Medicine in Ireland** Royal Academy of Medicine in Ireland,1890 *Mysteries of the East End* ,2004

Jack the Ripper: the Man Behind the Blade S.M. Cornthwaite,2021-02-28 A theory like no other and an over century long secret revealed The Whitechapel murders during the Autumn of terror in 1888 left a city paralyzed in fear The murderer went down in infamy as his identity has never been uncovered until now Many have speculated over the Ripper s identity since then but S M Cornthwaite believe to have truly uncovered the truth behind the mystery The author takes you on a journey of discovery by piecing together the evidence by using psychology sociology criminology and historical facts to reveal the truth The theory presented in these pages is one that hasn t been explored by anyone since the killings began Most researchers believe the Ripper to be a Polish Jew a lunatic or even some other known killer but you ll soon understand this couldn t possibly be the case how could everyone have gotten it so wrong for so long and not seen the horrible truth
