Undeterred Geffen founded Geffen Records four years later Ten years later he owned the best independent record label in America and had become a successful producer of Broadway plays Cats and M Butterfly and hit films Risky Business and Beetlejuice When he sold Geffen Records to MCA in March of 1990 he earned 710 million and was touted as the first self made billionaire in Hollywood history But just as he was experiencing his greatest business achievements he was faced with another serious challenge he was being attacked bitterly for dishonesty For years he had described himself as bisexual but now gay activists demanded that he step forward as a gay man donate more of his millions to AIDS research and declare his homosexuality to the world After an excruciating public battle they got their wish **Angels in the American Theater**

Porter married though openly gay directed by John C Wilson No 1 Coward s ex lover and featuring Harold Lang who had affairs with Leonard Bernstein and Gore Vidal No single volume has ever achieved the breadth of this scholarly yet eminently readable compendium It includes overviews of genres as well as fascinating biographical entries on hundreds of figures such as Peter Tchaikovsky Maurice Ravel Sergei Diaghilev Bessie Smith Aaron Copland Stephen Sondheim Alvin Ailey Rufus Wainwright and Ani DiFranco The Men Who Would Be King Nicole LaPorte,2010-05-04 The definitive history of the studio created by the larger than life team of Spielberg Geffen and Katzenberg Los Angeles Times For sixty years since the birth of United Artists the studio landscape was unchanged Then came Hollywood s Circus Maximus created by director Steven Spielberg billionaire David Geffen and Jeffrey Katzenberg who gave the world The Lion King an entertainment empire called DreamWorks Now Nicole LaPorte who covered the company for Variety goes behind the hype to reveal for the first time the delicious truth of what happened Readers will feel they are part of the creative calamities of moviemaking as LaPorte s fly on the wall detail shows us Hollywood s bizarre rules of business We see the clashes between the often otherworldly Spielberg s troops and Katzenberg s warriors the debacles and disasters but also the Oscar winning triumphs including Saving Private Ryan We watch as the studio burns through billions of dollars its rich owners get richer and everybody else suffers LaPorte displays Geffen seducing investors like Microsoft s Paul Allen showing his steel against CAA s Michael Ovitz and staging fireworks during negotiations with Paramount and Disney Here is a blockbuster behind the scenes Hollywood story up close glamorous and gritty Jahresbibliographie Massenkommunikation,2000 *Book Review Index*,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index **The Last Mogul** Dennis McDougal,1998 McDougal chronicles the life and times of Lew Wasserman the powerful and secretive head of MCA who determined the fates of fabled stars and multinational corporations and who forged a web of influence that stretched from Hollywood to the White House and into the heart of organized crime Photos **American Book Publishing Record**,1998 **Index to Jewish Periodicals**,1998 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests Presumed Guilty Stephen Singular,1999 On the morning of December 26 1996 JonBenet Ramsey was found murdered in the basement of her parent s million dollar home in Boulder Colorado The events surrounding the death of the 6 year old beauty queen horrified the city s residents and immediately captured the nation s interest As throngs of reporters and media crews swarmed into Boulder local and national networks flashed images of JonBenet dressed provocatively in pageant regalia across the country and overseas Concurring with the opinions expressed on television and radio talk show programs Boulder s police department focused its attention on two suspects John and Patsy Ramsey JonBenet s parents Despite pressure from the police to arrest the Ramseys the district attorney s office attempted to establish new leads and identify other suspects but without the support of law enforcement authorities the D A s efforts were stymied As the investigation came to a standstill one man looked deeper Not content to pass judgment on the Ramseys without conclusive

evidence and convinced there was a reason for the legal system's wariness in prosecuting the case. Denver based journalist Stephen Singular followed a trail from the local bars to the county jail to answer the question Who or what killed JonBenet Ramsey. Singular's search led him into the often seamy worlds of tabloid journalism, local politics, beauty pageants, child pornography and the business of sex on the Internet. His discovery of a subculture that sexually exploits young children and that surreptitiously is working its way into mainstream America motivated him to share his findings with the district attorney and the police. *Presumed Guilty* is his account of this journey into one of the darkest corners of modern American life.

American National Biography Mark Christopher Carnes, 2002. Told more as stories than history lessons, the biographies in *American National Biography Supplement I* recount the tales of all the different people who shaped America: leaders, composers, entertainers, entrepreneurs, writers, scientists, and outlaws. Each one written by an expert in the field and masterfully woven together to present the most accurate and up to date information, the entries bring forth a powerful narrative of America's past and some of the most important figures that went into its formation. As the first in a series, *ANB Supplement I* extends the coverage from the original *ANB* to include notables who died prior to the end of 1999. This adds another four years of captivating history to the original 24 volume print edition's cutoff date of 1995. Among the biographies in the Supplement are articles first published in the *ANB Online*. The result is hour after absorbing hour spent exploring the dance of Gene Kelly and the music of Ella Fitzgerald along with the lives of Revolutionary War General Peter Gansevoort and literary scholar Fredson Bowers among many, many others. With over 400 new listings, bibliographies after each entry and a cumulative revised index of occupations and realms of renown, the Supplement continues the *ANB* tradition of bringing the people who have meant so much to this country to the forefront.

The Media of Mass Communication John Vivian, 2007. This 30th jubilee volume of *Palaeoecology of Africa* looks back and reflects the state of the art of what is actually known on former African climates and ecosystems in the format of review articles authored by specialists in the field. New research articles on climate and ecosystem dynamics as well as applied topics on geomorphic hazards and future environmental trends in Africa are included. This book will be of interest to all concerned with ecosystems, dynamics, tropical forests, savannahs, deserts, and related development problems of third world countries, especially ecologists, botanists, earth scientists, Quaternary and recent climate change regional planners. It will also be valuable for advanced undergraduates and postgraduates as a reference for review and overview articles as well as a source of information for new original manuscripts and reviews on the state of the art of long term and Quaternary and Holocene landscape evolution, esp. in sub-Saharan Africa. Palaeobotanists, Palynologists, and Quaternarists will equally find this edition useful for their work.
