Alan Bowker's Canadian Heritage 2-Book Bundle Alan Bowker, 2015-12-07 In this two book bundle Alan Bowker sheds new light on two subjects with a surprising connection the great Canadian writer Stephen Leacock and the rise of Canada on the world stage which Leacock profiled with keen wit and observational skill With Bowker as your guide explore what it was really like to live through the great upheaval that pushed Canada to come into its own on the world stage

A Time Such as There Never Was Before Ottawa Book Award 2015 Shortlisted The years after World War I were among the most tumultuous in Canadian history a period of unrelenting change drama and conflict They were in the words of Stephen Leacock a time such as there never was before The war had been a great crusade and its end was supposed to bring a world made new But the conflict had cost sixty thousand Canadian lives with many more wounded and had stirred up divisions in the young diverse country With Canada struggling to define itself labour farmers business the church social reformers and minorities all held extravagant hopes irrational fears and contradictory demands Whose hopes would be realized and whose dreams would end in disillusionment Which changes would prove permanent and which would be transitory

A Time Such As There Never Was Before describes how this exciting period laid the foundation of the Canada we know today

On the Front Line of Life In the last decade of his life Stephen Leacock turned to writing informal essays that blended humour with a conversational style and ripened wisdom to address issues he cared about most education literature economics Canada and its place in the world and to confront the joys and sorrows of his own life With an introduction that sets them in the context of his life thoughts and times these essays reveal a passionate intelligent personal Leacock against a backdrop of Depression and war finding hope and conveying the timeless message that only the human spirit can bring social justice peace and progress

Calgary's Grand Story Donald B. Smith, 2005 Calgary was a boomtown of 50 000 people in 1912 the year the Lougheed Building and the adjacent Grand Theatre were built Through the great days of Vaudeville and classic cinema through the Depression two world wars and the oil and gas boom the Lougheed and the Grand were cornerstones of downtown Calgary As the city grew up around them questions about their future arose Complemented by over 140 historical images Calgary's Grand Story is a fascinating tribute to the Lougheed and the Grand and celebrates their unrivalled position in the city's political economic and cultural history

Eugenics at the Edges of Empire Diane B. Paul, John Stenhouse, Hamish G. Spencer, 2017-11-16 This volume explores the history of eugenics in four Dominions of the

British Empire New Zealand Australia Canada and South Africa These self governing colonies reshaped ideas absorbed from the metropole in accord with local conditions and ideals Compared to Britain and the US Germany and Scandinavia their orientation was generally less hereditarian and more populist and agrarian It also reflected the view that these young and enterprising societies could potentially show Britain the way if they were protected from internal and external threat This volume contributes to the increasingly comparative and international literature on the history of eugenics and to several ongoing historiographic debates especially around issues of race As white settler societies questions related to racial mixing and purity were inescapable and a notable contribution of this volume is its attention to Indigenous populations both as targets and on occasion agents of eugenic ideology The Prairie West as Promised Land R. Douglas Francis, Chris Kitzan, 2007 Millions of immigrants were attracted to the Canadian West by promotional literature from the government in the late 19th century to the First World War bringing with them visions of opportunity to create a Utopian society or a chance to take control of their own destinies *The Feminist Political Campaign for Eugenic Legislation in New Jersey, 1910-1942* Alan R. Rushton, 2023-01-12 As this book shows between 1910 and 1942 social feminists in New Jersey waged an unsuccessful campaign for legislation that would permit eugenic sterilization of feeble-minded and other undesirable citizens Church archives and religious periodicals described the conflict between Catholic and Protestant citizens regarding this issue Reform minded women persisted in their quest for such progressive state legislation despite repeated failures Their number of potential voters was very small compared to the organized bloc of Catholic citizens who viewed such legislation as immoral and based on bad science and threatened to unseat any legislator who supported such a notion This insightful text highlights that public officials would only enact such laws when they were convinced that many citizens supported a particular eugenic goal and then would vote for legislators who satisfied this moral challenge Public opinion was unprepared for such radical legislation in New Jersey and legislators learned that to even consider a eugenic sterilization notion would be political suicide

Thirsty Land into Springs of Water Brooke Kathleen Brassard, 2025-07-15 Looking at the example of The Church of Jesus Christ of Latter-day Saints *Thirsty Land into Springs of Water* answers questions about Canadian and religious identities immigration and integration Brooke Kathleen Brassard sheds light on the Latter-day Saint experience in southern Alberta between 1887 and 1947 revealing how the Latter-day Saints integrated into Canadian society while maintaining their peculiar identity through architecture business practices political participation gendered roles and family structures Drawing on family histories correspondence meeting minutes and oral histories Brassard explores how the Church negotiated the tension between integration and otherness The book demonstrates how Latter-day Saints in southern Alberta embedded themselves in the social economic and political structures of Canada and how they adapted Mormonism to Canadian circumstances It draws on the concept of lived religion and historical methodologies to reveal the complications that occur in the process of negotiation for members of a minority religion in Canada *Thirsty Land into Springs of Water* ultimately
