Rise Of Christianity A Sociologist Reconsiders History:

The Rise of Christianity Rodney Stark, 1996-06-02 Rodney Stark a sociologist by training has written a book that should end much of the Christian bashing occurring in academia Stark demonstrates that Christianity became popular very quickly because it offered its adherents a better faith than competing religions and treated those believers better both physically and spiritually

Alte Texte in neuen Kontexten Wolfgang Stegemann, Richard E. DeMaris, 2015-01-28 Das leitende Thema dieses Bandes ist die in den 1970er Jahren in der Bibelwissenschaft einsetzende soziale und kulturelle Wende social and cultural turn Sie stellt eine der wichtigsten Innovationen der wissenschaftlichen Erforschung des Alten und Neuen Testaments im 20 und beginnenden 21 Jahrhundert dar Der einseitig auf theologische Ideen und herausragende Individuen verengte Fokus der traditionellen Exegese wird bewusst geweitet Die biblischen Texte werden in ihren sozialen ökonomischen politischen und kulturellen Kontexten gedeutet durch die sie geprägt wurden Die sozialwissenschaftliche Bibelauslegung ermöglicht so ein vertieftes Verständnis zahlreicher biblischer Aussagen In den einzelnen Beiträgen zu Themen und Texten v a des Neuen Testaments zeigen international führende VertreterInnen dieser Forschungsrichtung die Leistungsfähigkeit dieser Methodik wobei sowohl soziologische und sozialgeschichtliche als auch ethnologische und kulturanthropologische Zugänge vorgestellt werden

American Missionaries in Iran during the 1960s and 1970s Philip O. Hopkins, 2020-09-22 This work explores the interaction of American Protestant missionaries with Iranians during the 1960s and 1970s It focuses on the missionary activities of four American Protestant groups Presbyterians Assemblies of God International Missions and Southern Baptists It argues that American missionaries predisposition toward their own culture confused their message of the gospel and added to the negative perception of Christianity among Iranians This bias was seen primarily in the American missionaries desire to modernize Iran through education and healthcare and between the missionaries relationship with Iranian Christians Iranian attitudes towards missionary involvement in these areas are investigated as is the changing American missionary strategy from a traditional method where missionaries had the final say on most matters related to American and Iranian Christian interaction to the beginnings of an indigenous system where a partnership developed between the missionary and the Iranian Christian

The Birth of Christianity John Dominic Crossan, 2010-07-06 In this national bestseller John Dominic Crossan reveals how Christianity emerged in the period following Jesus's death Very little is commonly known about the 30s and 40s BCE compared to the years following Crossan the world's leading expert on the historical Jesus reconstructs that era relying on a multidisciplinary approach Analyzing oral tradition comparing Gospel manuscripts and researching cross cultural anthropological studies Crossan shines new light on the theological and cultural contexts from which the Christian church arose The Birth of Christianity thoroughly illuminates the mysterious period of time that set Western religious history on the path it has followed for the last two thousand years John Dominic Crossan is generally regarded as the leading historical Jesus scholar in the world He is the author of several bestselling books including

The Historical Jesus Jesus A Revolutionary Biography The Birth of Christianity and Who Killed Jesus He lives in Clermont Florida Ambitious and groundbreaking The Birth of Christianity is a must read for those with a serious interest in Jesus and the early church Toronto Star *Scripture as Social Discourse* Todd Klutz, Casey Strine, Jessica M. Keady, 2018-06-14

Throughout the last several decades professional biblical scholars have adapted concepts and theories from the social sciences particularly social and cultural anthropology in order to cast new light on ancient biblical writings early Jewish and Christian texts that circulated with the Scriptures and the various contexts in which these literatures were produced and first received The present volume of essays draws much of its inspiration from that same development in the history of biblical research while also offering insights from other newer approaches to interpretation The contributors to this volume explore a wide range of broadly social scientific disciplines and discourses cultural anthropology sociology archaeology political science the New Historicism forced migration studies gender studies and provide multiple examples of the ways in which these diverse methods and theories can shed new and often fascinating light on the ancient texts The fruit of scholarly work that is both international in flavour and truly collaborative this volume provides fresh perspectives not only on familiar portions of Jewish and Christian Scripture but also on select passages from the Dead Sea Scrolls the Nag Hammadi library and previously untranslated French texts Kissing Christians Michael Philip Penn, 2013-10-09 In the first five centuries of the common era the kiss was a distinctive and near ubiquitous marker of Christianity Although Christians did not invent the kiss Jewish and pagan literature is filled with references to kisses between lovers family members and individuals in relationships of power and subordination Christians kissed one another in highly specific settings and in ways that set them off from the non Christian population Christians kissed each other during prayer Eucharist baptism and ordination and in connection with greeting funerals monastic vows and martyrdom As Michael Philip Penn shows in *Kissing Christians* this ritual kiss played a key role in defining group membership and strengthening the social bond between the communal body and its individual members *Kissing Christians* presents the first comprehensive study of the ritual kiss and how controversies surrounding it became part of larger debates regarding the internal structure of Christian communities and their relations with outsiders Penn traces how Christian writers exalted those who kissed only fellow Christians proclaimed that Jews did not have a kiss prohibited exchanging the kiss with potential heretics privileged the confessor's kiss prohibited Christian men and women from kissing each other and forbade laity from kissing clergy *Kissing Christians* also investigates connections between kissing and group cohesion kissing practices and purity concerns and how Christian leaders used the motif of the kiss of Judas to examine theological notions of loyalty unity forgiveness hierarchy and subversion Exploring connections between bodies power and performance *Kissing Christians* bridges the gap between cultural and liturgical approaches to antiquity It breaks significant new ground in its application of literary and sociological theory to liturgical history and will have a profound impact on these fields **Kindesaussetzung und Moral in der Antike** Christina Tuor-Kurth, 2010 Die

moderne Forschung geht davon aus dass das Aussetzen oder Töten neugeborener Kinder in allen antiken mediterranen Gesellschaften vorkam Gleichzeitig gab es auch eine namhafte Kritik daran In diesem Buch werden erstmals über siebenzig Texte paganer griechischer und römischer jüdischer und christlicher Schriftsteller gesammelt und analysiert die eine moralische Beurteilung von Kindesaussetzung bezeugen Die Texte zeigen dass Kindesaussetzung weder einfach Ausdruck von Gefühllosigkeit noch auch ein Phänomen sog primitiver Gesellschaften war sondern dass hinter ihr zumeist konkrete soziale Not standen Armut uneheliche Geburt u a The abandonment of newborn children seems to have been a reality in the ancient societies At the same time there was remarkable opposition against it a phenomenon that is examined scientifically in the present study

The Sociology of Religion: Religious movements Malcolm B. Hamilton, 2007 The Sociology of Religion is a comprehensive and wide ranging introduction to theoretical debates in the sociology of religion placing these theories in the context of specific religious beliefs and practices Using examples as diverse as primitive religions Buddhism millennial movements the Protestant Ethic secularisation cults and the new religious movements Malcolm Hamilton demonstrates the multiplicity of religious traditions and enables readers to place their own experiences in a wider context He draws on both historical and anthropological perspectives in his examination of religious practices and outlines the work of major sociological theorists including Marx Durkheim Malinowski and other Functionalists Frazer and Weber in the examination of world religion bringing these theories up to date The significance of each theoretical perspective is illustrated by chapters on particular beliefs and practices

Current Contents Institute for Scientific Information (Philadelphia), 1997

The Blackwell Encyclopedia of Sociology: C George Ritzer, 2007

The Media Revolution of Early Christianity Doron Mendels, 1999 Respected historian Doron Mendels poses a daring new theory that Eusebius's monumental Ecclesiastical History 325 C E was meant to serve as a publicity tool to further the cause of early Christianity Reading The Ecclesiastical History through the lenses of modern media studies Mendels argues that Eusebius viewed the spread of Christianity as a media revolution and invented a new type of history writing media history to promote it By carefully examining Eusebius's methods Mendels shows that Eusebius worked much like modern journalists do in selecting shaping and presenting stories for popular consumption

Erleben und Verhalten der ersten Christen Gerd Theissen, 2007 Mythos Ritus Ethos Was erlebten und fühlten die ersten Christen Die erste historische Psychologie des Urchristentums Ein weiteres großes Werk zur Deutung des frühen Christentums Eine der faszinierendsten Fragen der Geschichtsschreibung ist die nach der Entstehung des Christentums Was führte dazu dass aus einer kleinen Sekte des Judentums eine Bewegung erwuchs die die Weltgeschichte veränderte Um dies zu verstehen genügt es nicht historische und soziologische Fakten zu interpretieren Es sind gerade auch psychologische Sachverhalte die an der Wurzel des Christentums liegen Diese zeigt Gerd Theissen in seinem neuen Buch auf In dieser Psychologie der urchristlichen Religion beschreibt und ordnet der Heidelberger Neutestamentler das religiöse Verhalten und Erleben der ersten Christen und macht es für uns heute verstehbar Nach Die Religion der ersten

Christenein weiteres gro es Werk in der Deutung des Fr hen Christentums **Review of Religious Research** ,2003

Why Christianity Happened James G. Crossley,2006-11-03 Looking beyond theological narratives and offering a sociological economic and historical examination of the spread of earliest Christianity James Crossley presents a thoroughly secular and causal explanation for why the once law observant movement within Judaism became the beginnings of a new religion First analyzing the historiography of the New Testament and stressing the problematic omission of a social scientific account Crossley applies a socioeconomic lens to the rise of the Jesus movement and the centrality of sinners to his mission Using macrosociological approaches he explains how Jesus Jewish teachings sparked the shift toward a gentile religion and an international monotheistic trend Finally using approaches from conversion studies he provides a sociohistorical explanation for the rise of the Pauline mission **Index to Book Reviews in Religion** ,1999 **Under the Influence** Alvin J. Schmidt,2001 This topically arranged Christian history is grounded in solid research and written in a popular style which is both a helpful apologetic tool in talking with unbelievers and a source of evidence for why Christianity deserves credit for many advances in the Western world in the last 2 000 years Origen, the Egyptian Nancy R. Heisey,2000

The Writers Directory 2008 Michelle Kazensky,2007-06 Features bibliographical biographical and contact information for living authors worldwide who have at least one English publication Entries include name pseudonyms addresses citizenship birth date specialization career information and a bibliography **How Did Christianity Begin?** Michael F. Bird,James G. Crossley,2008 The objective of How Did Christianity Begin is to present two contrasting perspectives on the history of early Christianity The contrast is evidently sharp as one co author comes from a conservative Christian background Michael Bird whilst the other co author James Crossley approaches the matter from a secular standpoint The volume works sequentially through Christian origins and addresses various topics including the historical Jesus the resurrection of Jesus the Apostle Paul the Gospels and the early church Each author in turn examines these subjects and lays out his historical arguments concerning their origin and meaning The volume also includes short responses from two other scholars Maurice Casey and Scot McKnight to the arguments of Bird and Crossley so as to give an even handed and broad evaluation of the arguments and debates that unfold *The Times History of the World* Richard Overy,2008 The history of the world is replete with conflict change revolution and innovation Yet there are points in history at which we can draw close parallels between our past and present Our history shapes the way we live today even as we might strive to break away from the bounds of the past With a narrative scope beginning with human origins around 5 million years ago and ending with global communications and the economy and environment in the modern age The Times History of the World is a superb accomplishment The body of the text is a chronological sweep across the history of the world split geographically and thematically In addition historian Richard Overy gives us his opinions in an exclusive extended article which enables him to freely explore the lessons the world has learnt from history as well as the ways in which the world is constantly changing He shows how the world has in a sense

become smaller as communications and technology become more and more prevalent but how wars and conflicts poverty and religion can still drive us apart Concluding with thoughts on what will be the dominant factors driving the world in the future Richard Overy gives us a rare opportunity to consider world history in one magnificent sweep BOOK JACKET

This is likewise one of the factors by obtaining the soft documents of this **Rise Of Christianity A Sociologist Reconsiders History** by online. You might not require more mature to spend to go to the books opening as capably as search for them. In some cases, you likewise do not discover the declaration Rise Of Christianity A Sociologist Reconsiders History that you are looking for. It will completely squander the time.

However below, subsequently you visit this web page, it will be therefore unconditionally easy to acquire as without difficulty as download guide Rise Of Christianity A Sociologist Reconsiders History

It will not recognize many get older as we explain before. You can pull off it even though show something else at house and even in your workplace. for that reason easy! So, are you question? Just exercise just what we have the funds for below as without difficulty as review **Rise Of Christianity A Sociologist Reconsiders History** what you afterward to read!

Rise Of Christianity A Sociologist Reconsiders History Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rise Of Christianity A Sociologist Reconsiders History free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rise Of Christianity A Sociologist Reconsiders History free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to

download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rise Of Christianity A Sociologist Reconsiders History free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Rise Of Christianity A Sociologist Reconsiders History. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rise Of Christianity A Sociologist Reconsiders History any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Rise Of Christianity A Sociologist Reconsiders History Books

1. Where can I buy Rise Of Christianity A Sociologist Reconsiders History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
