Rise Of The Dutch Republic The 1574-1584:

Isaac Foot Michael Foot, 2006 Isaac Foot led a life almost unimaginable to us today in its fullness and variety Born in Plymouth he was a radical and uncompromising Liberal MP a Methodist preacher an eloquent orator and lawyer a lover of life and literature a unique collector of books a true Westcountryman and a great family man lovingly married first to Eva and then after her death to Kitty and the father of five sons and two daughters This volume has been collected and edited by his son Michael and one of his ten grandchildren Alison Highet from the immense collection of papers letters articles sermons and family memorabilia that Isaac Foot left behind The book covers Isaac s early years in Plymouth his courtship of Eva his family life his work as a lawyer his many election campaigns and his time as Liberal MP for Bodmin his Methodism his preaching and his leading role in the Free Church movement his pledge to teetotalism and his leadership of the temperance cause his strong opposition to the British government policy of appeasement before the Second World War the wartime years especially his tour of America in 1943 to win support for the British war effort the post war years as Lord Mayor of Plymouth his love of reading and of history with particular interest in the seventeenth century and Oliver Cromwell and the accumulation of one of the greatest ever private libraries which filled his family home to overflowing and is now housed at the University of California Santa Barbara BOOK JACKET **Catalogue of History, Geography and Travel, and Biography in the Kansas City Public Library** Kansas City Public Library (Kansas City, Mo.), 1899 *Catalogue of Milton Public Library* Anonymous, 2025-11-16 Reprint of the original first published in 1871 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Rise of the Dutch Republic** John Lothrop Motley, 1892 **Rise of the Dutch Republic, The: 1574-1584** John Lothrop Motley, 2003-06-01 [The Rise of the Dutch Republic](#) John Lothrop Motley, 1859 **The Rise of the Dutch Republic** John Lothrop Motley, 1856 [The Rise of the Dutch Republic](#) John Lothrop Motley, 1929 **The rise of the Dutch republic** John Lothrop Motley, 1858 **The Rise of the Dutch Republic, Complete (1555-84)** John Lothrop Motley, The rise of the Dutch Republic must ever be regarded as one of the leading events of modern times Without the birth of this great commonwealth the various historical phenomena of the sixteenth and following centuries must have either not existed or have presented themselves under essential modifications Itself an organized protest against ecclesiastical tyranny and universal empire the Republic guarded with sagacity at many critical periods in the world s history that balance of power which among civilized states ought always to be identical with the scales of divine justice The splendid empire of Charles the Fifth was erected upon the grave of liberty It is a consolation to those who have hope in humanity to watch under the reign of his successor the gradual but triumphant resurrection of the spirit over which the sepulchre had so long been sealed From the handbreadth of territory called the province of Holland rises a power which wages eighty years warfare with the most potent empire upon earth and which

during the progress of the struggle becoming itself a mighty state and binding about its own slender form a zone of the richest possessions of earth from pole to tropic finally dictates its decrees to the empire of Charles So much is each individual state but a member of one great international commonwealth and so close is the relationship between the whole human family that it is impossible for a nation even while struggling for itself not to acquire something for all mankind The maintenance of the right by the little provinces of Holland and Zealand in the sixteenth by Holland and England united in the seventeenth and by the United States of America in the eighteenth centuries forms but a single chapter in the great volume of human fate for the so called revolutions of Holland England and America are all links of one chain To the Dutch Republic even more than to Florence at an earlier day is the world indebted for practical instruction in that great science of political equilibrium which must always become more and more important as the various states of the civilized world are pressed more closely together and as the struggle for pre eminence becomes more feverish and fatal Courage and skill in political and military combinations enabled William the Silent to overcome the most powerful and unscrupulous monarch of his age The same hereditary audacity and fertility of genius placed the destiny of Europe in the hands of William s great grandson and enabled him to mould into an impregnable barrier the various elements of opposition to the overshadowing monarchy of Louis XIV As the schemes of the Inquisition and the unparalleled tyranny of Philip in one century led to the establishment of the Republic of the United Provinces so in the next the revocation of the Nantes Edict and the invasion of Holland are avenged by the elevation of the Dutch stadholder upon the throne of the stipendiary Stuarts *The Rise of the Dutch Republic - Volume 26* Motley John Lothrop,2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *The Rise of the Dutch Republic - Volume 01* Motley John Lothrop,2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **The Rise of the Dutch Republic a History** John Lothrop Motley,1857* **The rise of the Dutch republic, by J.L.
