*The Rise, Decline and Fall of the Roman Religion* James B. Hannay, 1996-09 1925 Privately printed for the Religious Evolution Research Society England Profusely illustrated with ancient symbols monuments and art *The Rise, Decline & Fall of the Roman Religion* James Ballantyne Hannay, 1981 *The Rise, Decline and Fall of the Roman Religion* James Ballantyne Hannay, 2013-10 This is a new release of the original 1925 edition *When Sex Was Religion* Dr. Larry Falls, 2010-03-26 Evidence of the connection between sex and religion can be found in fertility cults in all nations of the past When Sex Was Religion takes a comprehensive look at how sexual practices were originally considered a religion before the introduction of Christianity Dr Larry Falls a registered clinical sexologist specializing in sexual abuse trauma and emotional health spent five years traveling throughout the United States Canada and Europe learning about different religions cultural history and sexual behavior while working on his doctoral thesis In his fascinating exploration into the beginning of human reason and the birth of religious thought includes the importance of reproduction virgins and temple prostitutes the original meaning of the cross Devil worship witches Sabbath and the curse of the evil eye Dr Falls also proves that the Kama Sutra an ancient Hindu religious narrative about pleasure love and sexuality was really a Bible designed for the purpose of teaching others to gain favor from the gods by engaging in sexual intercourse Dr Falls examination into sex worship demonstrates that phallic reverence was not only a religion but also a cause for dominance and sexual exploitation that to this day remains part of our social structure **Kosmos, the Eternal Ebb and Flow of Matter and Force Yielding Life Infinite and Eternal As to Time and Space** James B. Hannay, 1996-09 The eternal ebb and flow of matter and force yielding life infinite and eternal as to time and space Nature simply produces complex bodies out of such material as she has and we content ourselves therefore in gaining a correct idea of the actual state *Builders of My Soul* Brian Arkins, 1990-01-01 To Yeats as well as to Eliot Pound Joyce and other major writers as Erich Auerbach put it in Mimesis Antiquity means liberation and a broadening of horizons not in any sense a new limitation or servitude That is why Greco Roman themes can be endlessly stimulating why Yeats could call the Greek and Roman writers the builders of my soul Brian Arkin s thematic consideration of Yeat s subject matter under philosophy myth religion history literature visual art and Byzantium allows us to see coherently how Yeats exploited this material and how especially in his middle and later periods he transformed and metamorphosed subject matter from Homer Phidias Plato Plotinus and Sophocles and from the myths of Dionysus Helen of Troy Leda and Zeus to exemplify his central preoccupations Irish Literary Studies Series No 32 *The Publishers' Circular and Booksellers' Record* , 1925 **Piso Christ** Roman Piso, Jay Gallus, 2010 Evidence shows the New Testament texts were not written by simple non royal subjects but instead were created by extremely well educated royal Romans In Piso Christ author Roman Piso with Jay Gallus presents a new perspective to show that the creation of Christianity has different origins than previously taught Through this collection of essays and articles Piso shows that only a few individuals invented and built the

Christian religion and these same individuals authored the New Testament of the Christian Bible. Pico Christ addresses the issues of how these few people wielded that much power and how they were able to succeed. In this new book Pico contends that the royalty wanted to protect their centuries old institution of slavery upon which the empire functioned, lived, fed and gained wealth. The royal people understood that knowledge was power and therefore did what they could to keep the masses ignorant and superstitious. Through research Pico Christ shows that the god concept did not originate in what is represented in the Bible. It demonstrates how millions of people are being misled into accepting the concept of a god and how they live in fear of an unnatural belief.
