The Rise of the Faceless and the Internet Warrior? Larry Burchall, 2002 After September 11th are you wondering if the world is a safer or more dangerous place for you Are you wondering just who could be against us This book will help show you and help you work out for yourself what peoples and what nations may present future problems to you and your loved ones This book will also help you understand why Larry Burchall is an ex professional soldier He shows that it was activists who have caused many of the changes whose benefits we now enjoy but he also shows that it was activists who did the damage on 11 September Burchall shows the link between what s called activism and what s referred to as terrorism Some of the ideas set out in this book may cause you unease You may end up feeling concerned as the author describes the workings of important modern media and the effects that these workings can have on you You ll find a description of just who and what constitutes the west and westerners Will the west be able to put an end to terrorism You ll find an interesting answer in these pages

**Internet Censorship** Bernadette H. Schell, 2014-06-19 Covering topics ranging from web filters to laws aimed at preventing the flow of information this book explores freedom and censorship of the Internet and considers the advantages and disadvantages of policies at each end of the spectrum Combining reference entries with perspective essays this timely book undertakes an impartial exploration of Internet censorship examining the two sides of the debate in depth On the one side are those who believe censorship to a greater or lesser degree is acceptable on the other are those who play the critical role of information freedom fighters In Internet Censorship A Reference Handbook experts help readers understand these diverse views on Internet access and content viewing revealing how both groups do what they do and why The handbook shares key events associated with the Internet s evolution starting with its beginnings and culminating in the present It probes the motivation of newsmakers like Julian Assange the Anonymous and WikiLeaks hacker groups and of risk takers like Private Bradley Manning It also looks at ways in which Internet censorship is used as an instrument of governmental control and at the legal and moral grounds cited to defend these policies addressing for example why the governments of China and Iran believe it is their duty to protect citizens by filtering online content believed to be harmful

*The Life and Histories of Edward Tull-Warnock (1886-1950)* Phil Vasili, 2024-07-23 This book tells the remarkable story of Edward Tull Warnock An orphan adopted by a Glasgow couple he was descended from slaves in Barbados He became a pioneering dental surgeon and member of the Royal Faculty of Physicians and Surgeons Glasgow Not just a biography but a tour de force of current social concerns that follow from the Black Lives Matter movement and other issues of ethnicity identity and belonging

*Hilarious Historical Insults* Sanjay Desai, AI, 2025-04-03 Hilarious Historical Insults explores the fascinating world of verbal sparring throughout history It delves into the sharpest wittiest and sometimes brutal insults delivered by historical figures The book examines the social and political contexts of these insults highlighting how they served as tools for shaping public opinion and reinforcing social hierarchies For instance insults could be a potent political weapon influencing events and revealing

societal values and anxieties The book s unique value lies in its focus on the humor and artistry behind historical insults rather than merely cataloging offensive remarks It analyzes the wit and strategic thinking involved demonstrating human creativity even in conflict Beginning with an introduction to insults as social and political commentary the book progresses through specific historical periods like ancient Rome and Renaissance Europe examining prominent figures and their sharpest barbs By using historical records the book reconstructs the context and delivery of insults blending historical research with linguistic principles This approach offers readers a unique perspective on history appreciating the personalities conflicts and values of past societies through their most memorable and humorous exchanges
