Stearns,1992      Reform the People Paul John Bailey,1990

During China s transition from imperial monarchy to republic great changes occurred in popular education After 1900 Chineseeducators began to stress the importance of educating all the people rather than just training an elite for government service Associated with popular education was an attempt to reform those customs and behaviours that were thought to be decadent and backward so setting the foundations of post 1949 Communist China Reform the People is an intellectual history of the early years of popular education in China and an account of how the new ideas were put into practice Paul Bailey draws on a wide variety of sources in particular contemporary Chinese educational journals not available in the West and describes how the educators promoted literacy by establishing day schools vocational schools and public libraries and encouraged a hard working disciplined and public spirited citizenry The author also throws new light on the work study movement in France promoted by Chinese anarchists in the early years of the Republic and relates the ideas behind it to the educational debate begun during the last years of the Qing dynasty Reform the People makes an important contribution to the social history of ideas and shows that despite the political turmoil of the early republic there was an essential continuity in thought and practice which spanned the two political systems      **Information Sur Les Sciences Sociales** International Social Science Council,2001      **Book Review Index Cumulation, 1989** Neil E. Walker,Beverly Baer,1990-04 The Index provides a broad coverage and access to book reviews in the general social sciences humanities sciences and fine arts as well as general interest magazines and includes journals from Great Britain Canada Switzerland Israel and Australia In addition it indexes several journals that while published in the US concentrate on reviewing foreign published or foreign language books These include Hispania French Review German Quarterly and World Literature Today      Book Review Digest ,1989 Excerpts from and citations to reviews of more than 8 000 books each year drawn from coverage of 109 publications Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language Reviews of the following types of books are excluded government publications textbooks and technical books in the sciences and law Reviews of books on science for the general reader however are included The reviews originate in a group of selected periodicals in the humanities social sciences and general science published in the United States Canada and Great Britain Publisher      Handbook of Economic Growth Philippe Aghion,Steven N. Durlauf,2005 Volumes 2A and 2B of The Handbook of Economic Growth summarize recent advances in theoretical and empirical work while offering new

perspectives on a range of growth mechanisms from the roles played by institutions and organizations to the ways factors beyond capital accumulation and technological change can affect growth Written by research leaders the chapters summarize and evaluate recent advances while explaining where further research might be profitable With analyses that are provocative and controversial because they are so directly relevant to public policy and private decision making these two volumes uphold the standard for excellence in applied economics set by Volumes 1A and 1B 2005 P 4 of cover     *The American School Board Journal* William George Bruce, William Conrad Bruce, 1898
