Rites Of Passage A Memoir Of The Sixties In Seattle

Robert C. Cottrell

Rites Of Passage A Memoir Of The Sixties In Seattle:

Rites of Passage Walt Crowley, 1995 Historian political consultant and former writer for the underground publication Helix Walt Crowley blends history and personal reminiscence in this account of a tumultuous era in Seattle's history The last third of the book is devoted to a chronology of major international national local and The Activist 1960s Robert C. Cottrell, 2023-05-01 Throughout the Long Sixties which spanned much of the seemingly quiescent 1950s and continued into the 1970s progressive activists sought to change American policy both foreign and domestic Beginning with a civil rights crusade that later expanded to a campaign against the Vietnam War the movement eventually splintered into a series of focuses racial ethnic demographic political cultural gender based and environmental This work details activists efforts to ensure basic rights through fostering civic engagement Chapters demonstrate how the various campaigns within the movement were all successful to some extent but none brought about the results that many desired Nonetheless they contributed to a more open egalitarian participatory and emancipated nation that is still being shaped today *The Western Historical Quarterly*, 1996 **Native Seattle** Coll-Peter Thrush, 2007 In traditional scholarship Native Americans have been conspicuously absent from urban history Indians appear at the time of contact are involved in fighting or treaties and then seem to vanish usually onto reservations In Native Seattle Coll Thrush explodes the commonly accepted notion that Indians and cities and thus Indian and urban histories are mutually exclusive that Indians and cities cannot coexist and that one must necessarily be eclipsed by the other Native people and places played a vital part in the founding of Seattle and in what the city is today just as urban changes transformed what it meant to be Native Journal of the West Lorrin L. Morrison, Carroll Spear Morrison, 1998 Book Review Digest, 1998 **The Politics of Pleasure** Mari Kimberly Trine, 2000 The Love Israel Family Charles Pierce LeWarne, 2009 Winner of the Malstrom Award of the League of Snohomish County Historical Organizations In 1968 a time of turbulence and countercultural movements a one time television salesman named Paul Erdmann changed his name to Love Israel and started a controversial religious commune in Seattle's middle class Queen Anne Hill neighborhood He quickly gathered a following and they too adopted the Israel surname along with biblical or virtuous first names such as Honesty Courage and Strength The burgeoning Love Israel Family lived a communal lifestyle centered on meditation and the philosophy that all persons were one and life was eternal They flourished for more than a decade owning houses and operating businesses on the Hill although rumors of drug use control of members and unconventional sexual arrangements dogged them By 1984 perceptions among many followers that some Family members especially Love Israel himself had become more equal than others led to a bitter breakup in which two thirds of the members defected The remaining faithful about a hundred strong resettled on a ranch the Family retained near the town of Arlington Washington north of Seattle There they recouped and adapted with apparent social and economic success for two more decades In The Love Israel Family Charles LeWarne tells the compelling story of this group of idealistic seekers whose quest

for a communal life grounded in love service and obedience to a charismatic leader foundered when that leader's power distanced him from his followers LeWarne followed the Family for years attending its celebrations and interviewing the faithful and the disaffected alike He tells the Family's story with both sympathy and balance describing daily life in the urban and later the rural communes and explaining the Family's deeply felt spiritual beliefs The Love Israel Family is an important chapter in the history of communal experiments in the United States Charles P LeWarne is the author of *Utopias on Puget Sound 1885-1915* and *Washington State* a text used in many regional school districts He is coauthor of *Washington A Centennial History*

Seize the Press, Sisters Rachel L. Drzewicki, 1996

The Best Books for Academic Libraries: History of the Americas, 2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers

John Spellman John Charles Hughes, 2013

Some People Can't Surf Julie Lasky, 2001-02 Art Chantry's contrarian ways have placed him in the pantheon of great modern designers *Some People Can't Surf* The Graphic Design of Art Chantry is the first survey of this visual iconoclast who also designed the book and packed it with hundreds of his vibrant images Gritty funny and refreshingly low tech his award winning work has promoted countless bands social causes and non profits Tracing Chantry's career from his covers and layouts for the seminal music magazine *The Rocket* to album covers for such cult bands as Mudhoney the Reverend Horton Heat and the Fastbacks *Some People Can't Surf* is a comprehensive look at his creative evolution Complete with commentary on the unusual origins and unorthodox processes behind his work as well as providing context for his oft copied look *Some People Can't Surf* is a much anticipated exploration of this idiosyncratic design master

Lost and Found Margaret Hollenbach, 2004 Hollenbach details her experiences as a young woman living in a 1970s Taos New Mexico commune

Passion Lost Patricia Anderson, 2001 While sex has been historically a private matter in the twentieth century it became a public obsession Beginning in the early 1900s people widely felt that increased openness about sex was the key to personal fulfillment and happy relationships Yet this emphasis on the physical has eroded our understanding of the emotional and spiritual dimensions of intimacy Today sex has saturated contemporary life through television movies books magazines videos tabloids advertising and the Internet Meanwhile desensitization and sexual dysfunction obsession with body image short lived commitments and high divorce rates are signs that our deepest private desires remain unfulfilled We yearn for true connection with the romantic other and our growing malaise has given rise to nostalgic myths of golden times that never really existed Patricia Anderson's *Passion Lost* a lively history of sexual mores from burgeoning sexual concerns of the 20th century's early years the changing morality of the 1920s and 1930s the liberties of wartime and the 1950s veneer of rectitude to the freedoms of the following decades examines those myths and paints a compelling new portrait illustrating how deeply the present is rooted in the past and how our quest for intimacy has been hijacked by our public obsession with sex
