Ritsos In Parentheses:

Ritsos in Parentheses Yannis Ritsos, 2015-03-08 Winner of the Harold Morton Landon Translation Award Academy of American Poets A bilingual edition of three major poetry collections by one of the most important Greek poets of the twentieth century One of the most prolific and popular of modern Greek poets Yannis Ritsos follows such eminent predecessors as Cavafy Sikelianos and Seferis in the dramatic and symbolic expression of a tragic sense of life The three volumes of Ritsos's poetry translated here Parentheses 1946-47 Parentheses 1950-61 and The Distant document a three decade poetic journey that reveals the evolution of the poet's sensibility This bilingual edition also features an insightful introduction from translator Edmund Keeley whom Paul Muldoon has called the gold standard in translators of Greek poetry

Ritsos in Parentheses Jannis Ritsos, 1978 **Best Words, Best Order** S. Dobyns, 2016-04-30 In this new edition of Best Words Best Order Stephen Dobyns further explains the mystery of the poet's work Through essays on memory and metaphor pacing and the intricacies of voice and tone and thoughtful appreciations of Chekhov Ritsos Mandelstam and Rilke Dobyns guides readers and writers through poetry's mysterious twilight communiques For this new second edition Dobyns has added two new essays one dealing with the idea of beauty in poetry and another dealing with the almost mystical way poets connect seemingly disparate elements in a single work [Ritsos in parentheses \[neugr.u.engl.\] Transl. and introd. by Edmund Keeley](#) Giannes Ritsos, Edmund Keeley, 1979 **The Charioteer**, 1983 An annual review of modern Greek culture

Yannis Ritsos Giannēs Ritsos, 1991-03-21 The celebrated modern Greek poet Yannis Ritsos follows such distinguished predecessors as C. P. Cavafy and George Seferis in a dramatic and symbolic expression of a tragic sense of life The shorter poems gathered in this volume present what Ritsos calls simple things that turn out not to be simple at all Here we find a world of subtle nuances in which everyday events hide much that is threatening oppressive and spiritually vacuous but the poems also provide lyrical and idyllic interludes along with cunning re-creations of Greek mythology and history This collection of Ritsos's work perhaps most of all those poems written while he was in forced exile under the dictatorship of the Colonels testifies to his just place among the major European poets of this century The distinguished translator of modern Greek poetry Edmund Keeley has chosen for this anthology selections from seven of Ritsos's volumes of shorter poems written between 1946 and 1975 Two of these volumes are represented here in English versions for the first time two others have been translated only sporadically and the remaining three were first published in a bilingual edition now out of print Ritsos in Parentheses The collection thus covers thirty years of a poetic career that is the most prolific and among the most honored in Greece's modern history **Genetic Criticism and the Creative Process** William Kinderman, Joseph E. Jones, 2009 Studies of the genesis of musical literary and theatrical works Not only the final outcome but the process of creative endeavor has long attracted attention in various artistic disciplines but only recently has the potential of such research been seriously explored The most rigorous basis for the study of artistic creativity comes not from anecdotal or

autobiographical reports but from original handwritten sketches and drafts and preliminary studies as well as from revised manuscripts and typescripts corrected proof sheets and similar primary sources The term genetic criticism or critique g n tique relates not to the field of genetics but to the genesis of works of art as studied in a broad and inclusive context The essays in this volume explore aspects of genetic criticism in an interdisciplinary context emphasizing music literature and theater A common thread pertains to the essential continuity between a work and its genesis This volume brings together essays from leading scholars on subjects ranging from biblical scholarship to Samuel Beckett and from Beethoven's Eroica Symphony to very recent musical compositions Contributors Nicolas Donin Daniel Ferrer Alan Gosman R B Graves Joseph E Jones William Kinderman Jean Louis Lebrave Lewis Lockwood Geert Lernout Peter McCallum Armine Kotin Mortimer and James L Zychowicz William Kinderman is Professor of Musicology at the University of Illinois at Urbana Champaign Joseph E Jones is visiting Assistant Professor of Musicology at the University of Illinois at Urbana Champaign
