**The Regulation of Gambling: European and National Perspectives** Alan Littler, Cyrille J.C.F. Fijnaut, 2006-11-30 In November 2005 Tilburg University hosted for the first time an international Colloquium on the European and National Perspectives of the Regulation of Gambling The results of this exciting day are reflected in this book which brings together a wide range of perspectives from the contemporary debate surrounding the regulation of gambling markets within the context of the European Union Not only does the book encompass both ends of the spectrum of the current discussion it also brings together the perspectives of academics lawyers and operators The debate on the regulation of gambling has been gathering pace following a series of judgments of the ECJ In 2006 gambling was excluded from the proposed Services Directive and the European Commission commenced infringement proceedings against a handful of Member States regarding restrictions on the supply of sports betting services Given these developments and being one of the very few publications concerned with this topic this book will serve as a timely and valuable contribution for all those interested in this emerging and at times decisive debate

Legalized Gambling Rod L. Evans, Mark Hance, 1998 Forty eight states now permit legalized gambling in some form thirty seven states run lotteries forty seven allow bingo houses and more than a dozen states permit betting on dog races American gamblers wager over 300 billion yearly in legal gambling Although many Americans enjoy gambling and see it as harmless recreation and a fairly painless way to generate revenue without levying direct taxes many social conservatives see gambling as a socially destructive temptation that ought not to be indulged by private citizens much less sponsored by government Recently economic pressures resulting from less federal revenue and Americans growing aversion to tax increases have led many state governments to liberalize gambling laws or sponsor gambling sparking a lively debate Legalized Gambling contains twenty articles focusing on different aspects of gambling policy by experts in the fields of public policy law psychiatry rhetoric religion economics and politics The contributors address all areas of the debate including the following What moral issues are at the center of the debate What are the true economic costs and benefits of legalized gambling How are they often hidden or misconstrued in order to support either prohibition or legalization How has the history of gambling in America shaped our current policies Is governmental regulation an invasion of personal privacy What are the legitimate uses of laws Is pathological gambling a justifiable medical diagnosis Do gambling establishments run by Native Americans deserve special consideration or regulation In a lottery the tax is laid on the willing only that is to say on those who can risk the price of a ticket without sensible injury for the possibility of a higher prize Thomas Jefferson
