on Research Methods in Business and Management Dr. Anthony Buckley, 2017 **Improving University Reputation Through Academic Digital Branding** Del Pino, Ariana Daniela, Lloret Romero, Nuria, 2020-11-06 As higher education institutions adapt to an increasingly digital world, it is imperative that they adopt technological techniques that allow them to establish a digital presence. Academic e-branding involves managing a university's brand and image to promote and build the

reputation of the institution especially in regards to its student and faculty research and achievements Without a solid digital presence higher education institutions may struggle to remain competitive Improving University Reputation Through Academic Digital Branding is a critical scholarly publication that explores digital branding and its role in establishing the reputation of academic institutions and programs Featuring a range of topics including digital visibility social media and inclusive education this book is ideal for higher education boards brand managers university and college marketers researchers academicians practitioners administrators and students

Artificial Intelligence in the Capitalist University John Preston, 2021-10-31 Using Marxist critique this book explores manifestations of Artificial Intelligence AI in Higher Education and demonstrates how it contributes to the functioning and existence of the capitalist university Challenging the idea that AI is a break from previous capitalist technologies the book offers nuanced examination of the impacts of AI on the control and regulation of academic work and labour on digital learning and remote teaching and on the value of learning and knowledge Applying a Marxist perspective Preston argues that commodity fetishism surveillance and increasing productivity ushered in by the growth of AI further alienates and exploits academic labour and commodifies learning and research The text puts forward a solid theoretical framework and methodology for thinking about AI to inform critical and revolutionary pedagogies Offering an impactful and timely analysis this book provides a critical engagement and application of key Marxist concepts in the study of AI's role in Higher Education It will be of interest to those working or researching in Higher Education

Johnny Football Josh Katzowitz, 2012-12-26 After an eye opening first season at Texas A M the electrifying young quarterback affectionately known as Johnny Football became the first freshman ever to take home the Heisman Trophy in its 78 year history Here in perhaps the most revealing account to date is the story behind the mystique how young phenom Johnny Manziel escaped from relative obscurity and his dubious family name to after a storybook record breaking season take home college football's ultimate honor I'm a small town kid Manziel said before winning the Heisman I still look at myself that way I don't see myself as Johnny Football I see myself as Johnathan Manziel
