## Reasons college-intending students thought they were unqualified or ineligible for FAFSA

Lowest-income quintile Highest-income quintile

Note: The sample for Figure 2 is college-intending students who did not file a FAFSA and who responded that they did not file a FAFSA because they thought they were ineligible or might not qualify. These respondents were asked "Why did you think [yourself/yourself] would not qualify for FAFSA financial aid? Was it because..." Respondents could select multiple reasons for thinking they were ineligible; due to this, answer choices may not sum to 100. The figure does not include all available answer choices. \*Interpolated data with caution; estimate is unstable because the standard error represents more than 30 percent of the estimate.
