How to Resist Amazon and Why Danny Caine, 2021-03-09 When a company's workers are literally dying on the job when their business model relies on preying on local businesses and even their own vendors when their CEO is the richest person in the world while their workers make low wages with impossible quotas wouldn't you want to resist Danny Caine owner of Raven Book Store in Lawrence Kansas has been an outspoken critic of the seemingly unstoppable Goliath of the bookselling world Amazon In this book he lays out the case for shifting our personal money and civic investment away from global corporate behemoths and to small local independent businesses Well researched and lively his tale covers the history of big box stores the big political drama of delivery and the perils of warehouse work He shows how Amazon's ruthless discount strategies mean authors publishers and even Amazon themselves can lose money on every book sold And he spells out a clear path to resistance in a world where consumers are struggling to get by In depth research is interspersed with charming personal anecdotes from bookstore life making this a readable fascinating essential book for the 2020s
