The Idea-Driven Organization Alan G. Robinson,Dean M. Schroeder,2020-04-07 Examples from all over the world make it fun to read convincingly demonstrate s the power of incorporating frontline thinking into your organization Marshall Goldsmith 1 New York Times bestselling author of Triggers Too many organizations overlook or even suppress their single most powerful source of growth and innovation and it s right under their noses The frontline employees who interact directly with your customers make your products and provide your services have unparalleled insights into where problems exist and what improvements and new offerings would have the most impact In this follow up to their bestseller Ideas Are Free Alan G Robinson and Dean M Schroeder show how to align every part of an organization around generating and implementing employee ideas and offer dozens of examples of what a tremendous competitive advantage this can offer not just for revenue but for worker retention Their advice enables leaders to build organizations capable of implementing twenty fifty or even a hundred ideas per employee per year Citing organizations from around the world they explain what s needed to put together a management team that embraces grassroots ideas and describe the strategies policies and practices that enable them They detail exactly how high performing idea processes work and how to design one for your organization There s pressure today to do more with less But cutting wages and benefits and pushing people to work harder with fewer resources can go only so far Ironically the best solution resides with the very people who ve been bearing the brunt of these measures With this book you can unleash a constant stream of great ideas that will strengthen every facet of your organization

Customer Service for Hospitality and Tourism Simon Hudson,Louise Hudson,2022-03-20 A fully updated new edition of this bestselling text that explains not only the theory behind the importance of customer service but also acts as a guidebook for those wishing to put this theory into practice With 10 new international cases focusing on how some in the hospitality sector have adapted and thrived during the COVID 19 pandemic
