Pop Music In British Cinema A Chronicle:

Pop Music in British Cinema Kevin Donnelly, 2001 A systematic guide to where and how pop music appears in British cinema telling the story and recording the facts of the pop film relationship decade by decade **Populäre Musikkulturen im Film** Carsten Heinze, Laura Niebling, 2016-04-07 Der Band vereint internationale Beiträge zu den Formen Inhalten und Rezeptionen des fiktionalen und dokumentarischen Musikfilms Er beinhaltet sowohl grundlegende Konzeptionen wie auch Einzelfallanalysen aus einer inter bzw transdisziplinären Perspektive der Kultur Medien Film und Sozialwissenschaften Er verbindet verschiedene Vermittlungsformen wie Film Fernsehen und das Internet und beleuchtet darin die verschiedenen Darstellungen und Repräsentationen der Kulturen des Pop und Rock Untersucht werden der Musikspielfilm der dokumentarische Musikfilm Castingshows wie auch das Musikvideo *Historical Dictionary of British Cinema* Alan Burton, Steve Chibnall, 2013-07-11 British cinema has been around from the very birth of motion pictures from black and white to color from talkies to sound and now 3D it has been making a major contribution to world cinema Many of its actors and directors have stayed at home but others ventured abroad like Charlie Chaplin and Alfred Hitchcock Today it is still going strong the only real competition to Hollywood turning out films which appeal not only to Brits just think of Bridget Jones while busily adding to franchises like James Bond and Harry Potter So this Historical Dictionary of British Cinema has a lot of ground to cover This it does with over 300 dictionary entries informing us about significant actors producers and directors outstanding films and serials organizations and studios different films genres from comedy to horror and memorable films among other things Two appendixes provide lists of award winners Meanwhile the chronology covers over a century of history These parts provide the details countless details while the introduction offers the big story And the extensive bibliography points toward other sources of information **The British Pop Music Film** S. Glynn, 2013-05-07 The first detailed examination of the place of pop music film in British cinema Stephen Glynn explores the interpenetration of music and cinema in an economic social and aesthetic context through case studies ranging from Cliff Richard to The Rolling Stones and from The Beatles to Plan B Popular Music and Film Ian Inglis, 2003 The growing presence of popular music in film is one of the most exciting areas of contemporary research in film studies The changing roles and functions that such music performs the variety of ways in which it provides narrative aesthetic and commercial opportunities and the consequences of its increasing displacement of the traditional film score are among the most significant developments in recent cinema practice Written by an international group of academics and researchers the new essays in this volume seek to explore these issues and to locate them within their appropriate creative and organizational contexts Individually the chapter by chapter focus on specific topics allows for close examination of particular debates collectively the book's overall analysis points to important changes in the production and consumption of both film and music **Popular Culture in London C.1890-1918** Andrew Horrall, 2001-12-07 Reg Prentice remains the most high profile politician to cross the floor of the

House of Commons in the post war period His defection reflected an important sea change in British politics the end of the post war consensus and the beginnings of the Thatcher era This book examines the key events surrounding Prentice s transition from a front line Labour politician to a Conservative minister in the first Thatcher government It focuses on the shifting political climate in Britain during the 1970s as the post war settlement came under pressure from adverse economic conditions militant trade unionism and an assertive New Left Prentice s story provides an important case study on the crisis that afflicted social democracy highlighting Labour s left right divide and the possibility of a realignment of British politics This study will be invaluable to anyone interested in the turbulent and transitional nature of British politics during a watershed period

Contemporary British Cinema James Leggott,2008 This volume offers a detailed and comprehensive analysis of British film culture from 1997 to the present Using a wide range of films from the Blair era and beyond as case studies from from Notting Hill 1999 and Billy Elliot 2000 to 28 Days Later 2002 and The Queen 2006 it examines the ways in which recent British filmmaking might be regarded as distinctive relevant and successful

Rock Star/Movie Star Landon Palmer,2020 During the mid 1950s when Hollywood found itself struggling to compete within an expanding entertainment media landscape certain producers and studios saw an opportunity in making films that showcased performances by rock n roll stars Rock stars eventually found cinema to be a useful space to extend their creative practices and the motion picture and recording industries increasingly saw cinematic rock stardom as a profitable means to connect multiple media properties Indeed casting rock stars for film provided a tool for bridging new relationships across media industries and practices From Elvis Presley to Madonna this book examines the casting rock stars in films In so doing Rock Star Movie Star offers a new perspective on the role of stardom

within the convergence of media industries While hardly the first popular music culture to see its stars making the transition to screen the timing of rock s emergence and its staying power within popular culture proved fortuitous for a motion picture business searching for its place in the face of continuous technological and cultural change At the same time a post star system film industry provided a welcoming context for rock stars who have valued authenticity creative autonomy and personal expression This book uses illuminating archival resources to demonstrate how rock stars have often proven themselves to be prominent film workers exploring this terrain of platforms old and new ideal media laborers whose power lies in the fact that they are rarely recognized as such Combining star studies with media industry studies this book proposes an integrated methodology for writing media history that combines the actions of individuals and the practices of industries It demonstrates how stars have operated as both the gravitational center of media production as well as social actors who have taken on a decisive role in the purposes to which their images are used *Choice* ,2008
