

POPULISM TO PROGRESSIVISM IN ALABAMA

SHELDON HACKNEY

Populism To Progressivism In Alabama

Lacy K. Ford

Populism To Progressivism In Alabama:

Populism to Progressivism in Alabama Sheldon Hackney, 1969 Library of Alabama Classics Winner of the Albert J Beveridge Award of the American Historical Association In this excellent study of Alabama politics Hackney deftly analyzes the leadership following and essential character of Populism and Progressivism during the period from 1890 to 1910 The work is exceptionally well written it deals with the personal social and political intricacies involved and it combines traditional and quantitative techniques with a clarity and imagination that should serve as a spur and a model for many future studies

Populism in the South Revisited James M. Beeby, 2012-01-26 The Populist Movement was the largest mass movement for political and economic change in the history of the American South until the Civil Rights Movement of the 1950s and 1960s The Populist Movement in this book is defined as the Farmers Alliance and the People s Party as well as the Agricultural Wheel and Knights of Labor in the 1880s and 1890s The Populists threatened the political hegemony of the white racist southern Democratic Party during populism s high point in the mid 1890s and the populists threw the New South into a state of turmoil Populism in the South Revisited New Interpretations and New Departures brings together nine of the best new works on the populist movement in the South that grapple with several larger themes such as the nature of political insurgency the relationship between African Americans and whites electoral reform new economic policies and producerism and the relationship between rural and urban areas in case studies that center on several states and at the local level Each essay offers both new research and new interpretations into the causes course and consequences of the populist insurgency One essay analyzes how notions of debt informed the Populist insurgency in North Carolina the one state where the Populists achieved statewide power while another analyzes the Populists failed attempts in Grant Parish Louisiana to align with African Americans and Republicans to topple the incumbent Democrats Other topics covered include populist grassroots organizing with African Americans to stop disfranchisement in North Carolina the Knights of Labor and the relationship with populism in Georgia organizing urban populism in Dallas Texas Tom Watson s relationship with Midwest Populism the centrality of African Americans in populism a comparative analysis of Populism across the Deep South and how the rhetoric and ideology of populism impacted socialism and the Garvey movement in the early twentieth century Together these studies offer new insights into the nature of southern populism and the legacy of the Peoples Party in the South

Congressional Populism and the Crisis of the 1890s O. Gene Clanton, 1998 The Populist Party reacted to the anxiety that America was moving towards a new form of slavery after the Industrial Revolution with a stand against imperialism This study of the party reveals the personalities that shaped the movement

Populism, Progressivism, and the Transformation of Nebraska Politics, 1885-1915 Robert W. Cherny, 1981

Progressivism and Muckraking Louis Filler, 1976

American Populism William F. Holmes, 1994 Edited by a leading authority this anthology draws heavily on important studies published in the last two decades

The Limits of Agrarian Radicalism Peter H. Argersinger, 1995 As Ross Perot proved in 1992 even when funded by

a bottomless bank account American third parties have always struggled in their efforts to achieve recognition and political power Yet even in defeat their contributions to national politics have been substantial That Peter Argersinger contends was certainly true of the Populists a century earlier Argersinger one of our nation s foremost historians of the Populist era brings together in this volume some of his best and most influential essays ranging from a study of a single election campaign to complex analyses of political organizations legislative behavior and government institutions Together they amply display his consistently sharp and wide ranging insights on this important moment in American life Argersinger examines among other things the Populists evolution in electoral politics from creating a party to running election campaigns the enormous obstacles they overcame in the process of electing a U S Senator specific laws and procedures that suppressed Populism s full political participation hard won successes in Western state legislatures in the face of powerful enemies and numerous internal disputes and the Populists long standing struggles and frustrations with the U S Congress Throughout Argersinger illuminates the fundamental ways in which Populism challenged our political system and brings to life its volatile personalities dramatic controversies visionary programs and enduring frustrations So frustrating that an Oklahoma Populist once pulled a gun on the Speaker of the House who kept refusing to recognize his request to speak to the assembly Of special interest to political social rural Western and Gilded Age historians this book provides a timely reminder of the political constraints on third parties in America

Democracy in Desperation Douglas Steeples, David O. Whitten, 1998-09-24 The Panic of 1893 and the depression it triggered mark one of the decisive crises in American history Devastating broad sections of the country like a tidal wave the depression forced the nation to change its way of life and altered the pattern and pace of national development ever after The depression served as the setting for the transformation from an agricultural to an industrial society exposed grave economic and social problems sharply tested the country s resourcefulness reshaped popular thought and changed the direction of foreign policy It was a crucible in which the elements of the modern United States were clarified and refined Yet no study to date has examined the depression in its entirety This is the first book to treat these disparate matters in detail and to trace and interpret the business contraction of the 1890s in the context of national economic political and social development Steeples and Whitten first explain the origins of the depression measure its course and interpret the business recovery giving full coverage to structural changes in the economy namely the growing importance of manufacturing emergence of new industries consolidation of business and increasing importance of finance capitalism The remainder of the book examines the depression s impact on society discussing for example unemployment birth rate health and education and on American culture politics and international relations Placing the business collapse at the center of the scene the book shows how the depression was a catalyst for ushering in a more modern America

Progressivism David M. Kennedy, 1971 This book contains a collection of Progressive tracts that depict how rich and varied the Progressive movement was and its applications today

Louisiana Politics and the Paradoxes of Reaction

and Reform 1877-1928 Matthew J. Schott, 2000 *The Progressive Era* Arthur Mann, 1975 **The American South** William J. Cooper Jr., Thomas E. Terrill, Christopher Childers, 2016-11-17 In *The American South A History* Fifth Edition William J. Cooper Jr. and Thomas E. Terrill demonstrate their belief that it is impossible to divorce the history of the South from the history of the United States. The authors' analysis underscores the complex interaction between the South as a distinct region and the South as an inescapable part of America. Cooper and Terrill show how the resulting tension has often propelled section and nation toward collision. In supporting their thesis, the authors draw on the tremendous amount of profoundly new scholarship in Southern history. Each volume includes a substantial bibliographical essay completely updated for this edition which provides the reader with a guide to literature on the history of the South. This volume contains updated chapters and tables.

Progressivism Arthur S. Link, Richard L. McCormick, 1983-01-15 A brief interpretive analysis of the highly ambitious American reform movements from the 1890s to 1917 that shows progressivism to have been a vital and significant phenomenon although there was no unified progressive movement. Link and McCormick succeed in making the events comprehensible while at the same time conveying a strong sense of the complexity and contradictions of the era. Is There a Southern Political Tradition? Lacy K. Ford, 1996 A mixed answer from a company of scholars who survey the spectrum of southern politics politicians. Greenbackers, Knights of Labor, and Populists Matthew Hild, 2010-02-25 Historians have widely studied the late nineteenth century southern agrarian revolts led by such groups as the Farmers Alliance and the People's or Populist Party. Much work has also been done on southern labor insurgencies of the same period as kindled by the Knights of Labor and others. However, says Matthew Hild, historians have given only minimal consideration to the convergence of these movements. Hild shows that the Populist or People's Party, the most important third party of the 1890s, established itself most solidly in Texas, Alabama, and under the guise of the earlier Union Labor Party in Arkansas, where farmer labor political coalitions from the 1870s to mid-1880s had laid the groundwork for populism's expansion. Third party movements fared progressively worse in Georgia and North Carolina where little such coalition building had occurred and in places like Tennessee and South Carolina where almost no history of farmer labor solidarity existed. Hild warns against drawing any direct correlations between a strong Populist presence in a given place and a background of farmer laborer insurgency. Yet such a background could only help Populists and was a necessary precondition for the initially farmer-oriented Populist Party to attract significant labor support. Other studies have found a lack of labor support to be a major reason for the failure of Populism, but Hild demonstrates that the Populists failed despite significant labor support in many parts of the South. Even strong farmer labor coalitions could not carry the Populists to power in a region in which racism and violent and fraudulent elections were tragically central features of politics. American Destiny, Chapters 16-33 Mark C. Carnes, John A. Garraty, Gouverneur Morris Professor Emeritus of History John A. Garraty, 2002-12 Using rich and distinctive prose, *American Destiny: Narrative of a Nation* Volume II presents a comprehensive look at the development and growth of the

United States since 1865 Based on a political history framework the book further examines the political social economic and cultural developments that have shaped this country This elegant high quality text offers a low price alternative to traditional U S history survey textbooks **The Progressive Era, 1900-20: the Reform Persuasion** George Edwin Mowry,1972

Interpretations of American History: Since 1877 Gerald N. Grob,George Athan Billias,1987 *Populism and the Black*
Cornel Justin Reinhart,1972 **The Progressive Era in the USA, 1890-1921** Kristofer Allerfeldt,2007 Few periods in American history have been explored as much as the Progressive Era It is seen as the birth place of modern American liberalism as well as the time in which America emerged as an imperial power This volume looks at the lasting impact of this productive yet ultimately frustrated generation s legacy on American and world history

Getting the books **Populism To Progressivism In Alabama** now is not type of challenging means. You could not solitary going as soon as ebook accretion or library or borrowing from your contacts to way in them. This is an extremely easy means to specifically acquire guide by on-line.
