## **Portable Lower East Side 1992 Volume 9 No1:**

The Works of Allen Ginsberg, 1941-1994 Bill Morgan, 1995-02-28 Avant garde poet and popular culture icon Allen Ginsberg has been one of the world's most important writers for over 40 years. This comprehensive bibliography covering the years 1941 to 1994 was prepared with the cooperation of the poet himself. All books, periodicals, photographs, recordings, films, and miscellaneous appearances are listed here. Entries are grouped in chapters according to type of work, and each entry provides full descriptive bibliographic information. Allen Ginsberg is perhaps the most famous poet of our time, as well as one of our most prolific writers. His subjects range from Buddhist studies to drug research to gay rights to political issues of every description, from Vietnam to censorship. Ginsberg gave the author access to personal files, and as a result, every appearance of Ginsberg's writings in the English language is noted. This bibliography is a comprehensive descriptive record of all of Ginsberg's works. The volume contains descriptive annotations of every book, pamphlet, and broadside by Ginsberg. It also contains complete descriptions of every contribution by Ginsberg to the works of others. In addition, all periodical contributions, recordings, films, and miscellaneous publications are listed. Due to Ginsberg's recent acceptance as a photographer of note, a special section identifies all of his published photographs. Entries are arranged in chapters according to the type of work to facilitate ease of use. As a result, this book presents a history of Ginsberg's works and traces the evolution of his writings over a period of publications and revisions.

*Up is Up, But So is Down* Brandon Stosuy, 2006-10 The first book to capture the spontaneity of lower Manhattan's Downtown literary scene, collects more than 125 images and over 80 texts that encompass the most vital work produced between 1974 and 1992.

**Literary Criticism      **This Must Be the Place**** Jesse Rifkin, 2023-07-11 Winner of the New York City Book Awards, A Kirkus Best Book of July, An InsideHook Book You Should Be Reading This July. A fascinating history that examines how real estate gentrification, community, and the highs and lows of New York City itself shaped the city's music scenes, from folk to house music. Take a walk through almost any neighborhood in Manhattan, and you'll likely pass some of the most significant clubs in American music history. But you won't know it, almost all of these venues have been demolished or repurposed, leaving no record of what they were, how they shaped music scenes, or their impact on the neighborhoods around them. Traditional music history tells us that famous scenes are created by brilliant, singular artists. But dig deeper, and you'll find that they're actually created by cheap rent, empty space, and other unglamorous factors that allow artistic communities to flourish. The 1960s folk scene would have never existed without access to Greenwich Village's Washington Square Park. If the city hadn't gone bankrupt in 1975, there would have been no punk rock. Brooklyn indie rock of the 2000s was only able to come together because of the borough's many empty warehouse spaces. But these scenes are more than just moments of artistic genius; they're also part of the urban gentrification cycle, one that often displaces other communities and eventually the musicians themselves. Drawing from over a hundred exclusive interviews with a wide range of musicians, deejays, and scenesters, including members of Peter Dinklage and Mary White Zombie.

Moldy Peaches Sonic Youth Treacherous Three Cro Mags Sun Ra Arkestra and Suicide writer historian and tour guide Jesse Rifkin painstakingly reconstructs the physical history of numerous classic New York music scenes This Must Be the Place examines how these scenes came together and fell apart and shows how these communal artistic experiences are not just for rarefied geniuses but available to us all
