Portrait Of A Greek Mountain Village Oxford Monographs On Social Anthropology:

Portrait of a Greek Mountain Village Juliet Du Boulay, 1974-01-01 **The Ancient Mediterranean Social World** Zeba A. Crook, 2020-05-07 What was the ancient world like Ancient sources tell us a great deal about the cultural patterns and values that prevailed in the Mediterranean of the biblical periods how they constructed identity how they exercised control over groups space gender and dress how they thought of friendship how they participated in social and economic exchange how ritual functioned and how kinship was constructed what healing practices evil eye and altered states of consciousness tell us about their sciences how they talked about each other behind their backs and why The Ancient Mediterranean Social World makes the rich social context of the ancient Mediterranean available to readers through succinct introduction of key ideas thoughtful selection of translated primary sources and extensive cataloging of relevant primary sources Zeba Crook brings together leading scholars to write on twenty different topics from patronage to gender to loyalty to evil eye Each chapter opens with an introduction to the topic offers a short list of secondary sources and an extensive list of primary sources The passages in each chapter reflect the vast array of sources roughly from Homer to Augustine including epigraphical papyrological literary historical philosophical biblical and dramatic texts This authoritative volume serves as a ready reference for the novice and experienced scholar alike Contributors Alicia J Batten Giovanni B Bazzana Agnes Choi Zeba A Crook John W Daniels Jr Dennis C Duling John H Elliott Amy Marie Fisher Mischa Hooker Emil A Kramer Jason T Lamoreaux Dietmar Neufeld Jerome H Neyrey SJ Douglas E Oakman Ronald D Roberts Richard L Rohrbaugh Colleen Shantz Gary Stansell Eric C Stewart Erin K Vearncombe and Ritva H Williams **Journal of the Anthropological Society of Oxford**, 1975 Journal of the Anthropological Society of Oxford Anthropological Society of Oxford, Oxford University Anthropological Society, 1975 **Greek Whisky** Tryfon Bampilis, 2013-04-01 In many contexts of Greek social life Scotch whisky has coincidentally become a symbol of Greekness national identity modernity and the middle class This ethnographic study follows the social life of Scotch in Greece through three distinct trajectories in time and space in order to investigate how the meanings of the beverage are projected negotiated and acquired by various different networks By examining the mediascapes of the Greek cultural industry the Athenian nightlife and entertainment and the North Aegean drinking habits the study illustrates how Scotch became associated with modernity popular music and culture a lavish style and an antidomestic masculine mentality *Sex, Wives, and Warriors* Philip Francis Esler, 2012-01-01 Suggesting new ways to read Old Testament narrative and giving reasons why we should Esler with the aid of Mediterranean anthropology sets out an approach that helps us to interpret a selection of narratives with a cultural understanding close to that of an ancient Israelite Interpreted in this way these narratives allow us to refresh the memory that links us with pivotal stories in Jewish and Christian identities and how they foster our capacity for intercultural understanding **Critical Times in Greece** Dimitris Dalakoglou, Georgios Agelopoulos, 2017-10-20 This volume brings together new anthropological research on the Greek crisis

With a number of contributions from academics based in Greece the book addresses a number of key issues such as the refugee crisis far right extremism and the psychological impact of increased poverty and unemployment It provides much needed ethnographic contributions and critical anthropological perspectives at a key moment in Greece s history and will be of great interest to researchers interested in the social political and economic developments in southern Europe It is the first collection to explore the impact of this period of radical social change on anthropological understandings of Greece

Gossiping Jesus John W. Daniels Jr.,2013-09-10 Readers of the Gospels are typically attuned to the words of Jesus while paying comparatively little attention to what other characters in the narratives say about him This innovative study of John s Gospel looks at the text through the lens of a routinely misunderstood mode of speech namely gossip Focusing on talk about Jesus in John the author unpacks the intricate relationship between gossip and various social dynamics of Jesus world demonstrating how they collude to construct Jesus identity Ultimately it is suggested that John presents a Jesus whose identity is elusive to both outsiders like the Pharisees and insiders like his disciples and thus models the importance if not the sheer necessity of the ongoing public discourse around the question Who is Jesus

The Anthropology of Western Europe Lois Kuter,1978 **Orality and Literacy in Early Christianity** Pieter Botha,2012-11-01 The history of the Jesus movement and earliest Christianity requires careful attention to the characteristics and peculiarities of oral and literate traditions Understanding the distinctive elements of Greco Roman literacy potentially has profound implications for the historical understanding of the documents and events involved Concepts such as media criticism orality manuscript culture scribal writing and performative reading are explored in these chapters The scene of Greco Roman literacy is analyzed by investigating writing and reading practices These aspects are then related to early Christian texts such as the Gospel of Mark and sections from Paul s letters

Gossip and Gender Marianne Bjelland Kartzow,2009 This book suggests that gossip can be used as an interpretive key to understand more of early Christian identity and theology Insights from the multi disciplinary field of gossip studies help to interpret what role gossip plays especially in relation to how power and authority are distributed and promoted A presentation of various texts in Greek Hebrew and Latin shows that the relation between gossip and gender is complex to gossip was typical for all women and risky for elite men who constantly had to defend their masculinity Frequently the Pastoral Epistles connect gossip to false teaching as an expression of deviance On several occasions it is argued that various categories of women have to avoid gossip to be entrusted duties or responsibilities Old wives tales are associated with heresy contrasted to godliness in which one had to train one self Other passages clearly suggest that the false teaching resembles feminine gossip by use of metaphorical language profane words will spread fast and uncontrolled like cancer what the false teachers say is tickling in the ear and their mouth must be stopped or silenced The Pastoral Epistles employ terms drawn from the stereotype of gossip as rhetorical devices in order to undermine the masculinity and hence the authority of the opponents

Caged Histories Andriani Fili,2025-10-29 This book offers an

unprecedented exploration of Greece's immigration detention system uncovering its hidden histories systemic violence and the struggles of those confined within its walls Drawing on over a decade of ethnographic research and personal experience as an NGO practitioner it exposes how detention has been used as a tool for border control racial exclusion and social punishment The book traces the evolution of Greece's detention system from its roots in the 1990s through the so called refugee crisis of 2015 to the present connecting these practices to broader European border policies Through vivid stories from detained people activists and practitioners the book documents acts of resistance inside detention centres and the solidarity movements that support them It highlights how state institutions including the police and NGOs sustain and legitimize violence under the guise of humanitarianism and security Engaging with abolitionist thought the book challenges the inevitability of detention calling for a future without cages It will resonate with readers interested in migration social justice and human rights offering a vital contribution to contemporary debates on borders confinement and resistance across Europe and beyond

Journal for ancient Near Eastern and biblical law ,2001 **Anthropologica** ,1977 Includes reports of meetings of the institute

Housing in Medieval and Post-medieval Greece Eleftherios Sigalos,2004 This detailed study of the housing in Greece between the late Byzantine and early modern periods treats houses as a container of material culture and of functional and social activity within the context of a changing socio economic environment

Portrait Of A Greek Mountain Village Oxford Monographs On Social Anthropology Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Portrait Of A Greek Mountain Village Oxford Monographs On Social Anthropology PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process.

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Portrait Of A Greek Mountain Village Oxford Monographs On Social Anthropology PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Portrait Of A Greek Mountain Village Oxford Monographs On Social Anthropology free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
