Schreiner, 2003-01-01 A history of the Schreiner family of Hays Kansas beginning from its roots in Europe Russia and the Cherokee Nation through emigration to the Midwestern United States to the current dispersion of the family members in the present time *From Kansas to Kenya* Wayne R. Schreiner, 2009-11 From Kansas to Kenya An Uncommon Road for Wine Lovers uses the over forty years of personal experiences and globetrotting travels of the author to suggest how the reader can become his or her own wine authority He has traveled to more than one hundred countries including every major and most minor wine producing nations Join him along old and new wine roads of the world to enjoy both the simple and exotic tastes of the vine and to share his appreciation of the history and foods that enhance the world's most renowned beverage The wine world has much more to offer than Chardonnay Pinot Grigio and Cabernet Sauvignon and this book casually introduces the reader to surprisingly affordable yet equally discriminating wine alternatives Consider the author's recommendations for wine related travel and wine choices to broaden your own wine knowledge This practical and equally humorous approach to wine appreciation will both educate and amuse The reader will gain confidence that their personal wine tasting experiences are the best guide to sensible and pleasurable wine consumption
