**Best Picture** Laurence E. MacDonald,2024-02-19 About the Book This book is a fascinating look at the history of the Oscars that dates back to 1927 Every Best Picture winner is profiled in the book Although there have been many books listing the Oscar winners there has never been one like this that looks in depth at every film that has been awarded the Oscar for Best Picture The author evaluates each film and then presents at the end of each article his personal choice for the year s best film In about two third of the films he selects a Best Picture that is different from the Academy Award winner He also includes sections of Memorable Moments that make each film special The book will be of great value to movie fans but it will also be enjoyable to anyone who has ever wondered what the fuss is about when a film is awarded Best Picture About the Author Laurence E MacDonald is a Professor Emeritus from Mott Community College in Flint Michigan where he taught music history literature appreciation film music and private piano study He is also a former church choir director and author of several books including The Invisible Art of Film Music and 100 Greatest Film Scores MacDonald is a performing member and newsletter editor of the St Cecilia Society of Flint He is also former music critic of the Flint Journal and film reviewer of Michael Moore s newspaper the Flint Voice For over twenty years he hosted Music from Movies which ran weekly on Flint s public radio station WFBE MacDonald has six children three of whom are Catholic priests and avid movie fans He has been married to Carolyn McDonough since 2013 Together they have worked to update an old colonial home in Flint s East Village neighborhood and have recently adopted a fun loving beagle named Emmy who also likes old movies

**Moving Images** Jon Billsberry,Pauline Leonard,2012-08-01 This book will inspire academics teachers and trainers to use film and television in their classrooms and to shows them how it might be done It brings together respected international scholars who recount their experiences of how they have used moving images in their classrooms defined widely to include distance learning with their explanations of why they chose this method of teaching and how they put their intentions into action The book also illustrates how particular subjects might be

taught using film and television as an inspiration to demonstrate the range of opportunities that these media offer Finally this book considers some of the practical issues in using film and television in the classroom such as copyright technology and the representation of reality and drama in films This is a practical how to book that answers the questions of those people who have considered using film and television in their classroom but until now have shied away from doing so The opportunity to see how others have used film effectively breaks down psychological barriers and makes it seem both realistic and worthwhile
